We are creating a new Junior Ranger Program for the Santa Monica Mountains and we need YOU to help us make it a great program!

If you are already a Junior Ranger, please join us for the Super Junior Ranger Workshop, where you can be a part of the new junior ranger pilot group and find opportunities for future Super Junior Ranger programs.

Not a Junior Ranger yet? Come to the new Interagency Visitor Center at King Gillette Ranch to complete your first Junior Ranger booklet and then you will be good to go to come to the workshop!

Please RSVP by August 4 or call for more info by calling the visitor center at (805)370-2301.
