The Kings Canyon

The Generals Highway

Driving this 80-year-old roadway is part of the experience of these parks. It carries you up almost a mile in elevation, and connects the General Sherman Tree to the General Grant Tree, thereby earning its name.

An intense effort to upgrade the highway is underway. For decades, a skin of pavement barely improved the original wagon road. Today's work is building a route that can handle today's large numbers of modern vehicles, without losing the joys of a mountain road.

Wayside exhibits at overlooks along this historic road offer insight into these parks. Stop, read, and enjoy the views at these and other overlooks:

Kings Canyon Overlook

Redwood Mountain Overlook

Six miles (9.6 km) south of Grant Grove on the southwest side of the Generals Highway. Views of one of the world's largest sequoia groves.

Eleven Range Overlook

South of the Giant Forest, this turnout offers views to the west over the foothills and the distant valley.
