Camping

Check regulations at each campground. Rules vary between the Park and National Forest (see details on page 9). Each standard campsite has a table and fire ring with grill. No hook-ups in the park.

You must store food correctly all year due to black bears. The park supplies many 47" long x 33" deep x 28" high bear boxes. Page 11 has details.

Group Sites & Maximum Group Sizes

Campfires & Firewood

- Gather only dead & down wood; do not cut limbs off trees.
- Firewood: Please don't transport it. It can carry insects/diseases that threaten living trees. Find/buy wood close to where you will use it. If you brought wood, please burn it up before you go.
- Fires must be out cold before you leave.
- The national forest (FS) requires free campfire permits from Hume Lake Office, Kings Canyon Visitor Center (Grant Grove), a FS ranger, or download from www.fs.usda.gov/sequoia.

Propane Canisters

Do not put propane or fuel canisters in park trash-cans or leave them here. Recycle them at home.

Roadside Camping?

Not permitted in the park. Camp only in designated sites in campgrounds. In National Forest & Monument: Permitted unless posted otherwise.
