I. Signatures Guideline Overview

In 2015, Sequoia National Park celebrates its 125th Anniversary; it was established on September 25, 1890 making it the nations' second national park and the oldest in California. Just a week later on October 1, 1890 additional legislation was signed into law by President Benjamin Harrison creating General Grant National Park and expanding Sequoia National Park.

Celebrating its 75th anniversary Kings Canyon National Park was established on March 4, 1940, expanding and incorporating all of the lands, which used to be, the now dissolved General Grant National Park.

Today, Sequoia and Kings Canyon National Parks preserve 1,353 square miles (1,310 managed as Wilderness), contains the worlds largest tree (General Sherman), includes the lower 48 states tallest peak (Mt. Whitney), hold one third of the worlds naturally-occurring Giant Sequoias and hosts over 1.6 million people from around the world.

To honor these anniversaries the National Park Service (NPS), park partners, and gateway communities have embarked on a community-partnership program (hereafter referred to as the "Anniversary Program") to host anniversary activities and legacy projects.

These Signature Guidelines are intended for the use of the 125th Sequoia Anniversary Logo, 75th Kings Canyon Logo used individually or in any combination (hereafter referred to as "Signature") on items for sale or promotion of Anniversary Events or Programs. The Signature may only be used with the approval documentation found in *Appendix B Terms and Agreements*.

Respective Retailers, Event Planners, Marketing and Publishers who are approved for use of the "Signature" by Sequoia Natural History Association (SNHA) are identified hereforth as "licensee."
