Walks

Birding by Color Pattern

Join Ranger Dani Cessna to help build your birding skills on an easy walk through the foothills of Sequoia National Park. Each of this series of four programs will emphasize an essential key to successful birding. This program will focus on recognizing bird color patterns to aid in identification. Dress for the weather, and bring a pencil and notepad. Binoculars and field guides will be provided, but feel free to bring your own if you have them. Meet at the Potwisha Campground overflow parking for this 1 ½ hour program.

Life in Bloom

Join us for a walk into the world of foothill wildflowers! Surviving in the wild long enough to bloom can be a difficult task. Learn their tricks for survival. 1 hour. Meet near the flagpole at the Foothills Visitor Center to learn more.

Talks

Critter Chat

Bears, deer, and other wildlife abound in the Oak Woodlands of the Sequoia Foothills. Get to know some of the creatures that live in the most diverse ecosystem in California. Meet at the flagpole at the Foothills Visitor Center for a 20 minute chat.
