Bears, deer, and other wildlife abound in the Oak Woodlands of the Sequoia Foothills. Get to know some of the creatures that live in the most diverse ecosystem in California. Meet at the flagpole at the Foothills Visitor Center for a 20 minute chat.

Activities

Investigation Station

Have you ever wanted to pet a bear hide, touch a snake skin or feel Sequoia cones? If so, drop by the Foothills Visitor Center between 2:30 and 3:30 pm to investigate the plants and animals of Sequoia.

Walks

Birding 101

If you've ever wondered about the world of birding, join Ranger Dani Cessna to learn about the birding basics, and to get some hands-on experience birding in Sequoia National Park. Bring warm clothes, a pencil, and notepad. Binoculars will be provided, but feel free to bring your own if you have them. Meet at the Foothills Visitor Center for this 1 ½ hour walk.
