TALKS

Critter Chat

Explore the lifestyles and quirky habits of one of our Foothills residents. Meet near the flagpole at the Foothills Visitor Center to learn more. 20 Minutes.

Bear Essentials

Intelligent and opportunistic, the American black bear may be found at a variety of elevations throughout Sequoia and Kings Canyon National Parks. Meet near the flagpole at the Foothills Visitor Center to learn more about the bears that make their home throughout the parks. 20 minutes.

Investigation Station

What can an animal's teeth tell us? What's the difference between a falcon and hawk? Come investigate and discover one of the many stories the Foothills has to share. Drop in at the Foothills Visitor Center to learn more about life in the park.

WALKS

People, Places, & the Past

Discover Hospital Rock! Step back in time and learn more about the people who called this area home. Meet near the bear box in the Hospital Rock Picnic Area for this 30 minute walk.

Twilight Walk

As twilight settles over the park, join a ranger along the Kaweah River to hear how its power, strength, and history shaped the landscape and influenced humans throughout time. Meet at the Paradise Creek Trailhead in Buckeye Flat Campground across from site #28. 1 hour.

Evenings at Potwisha

Campfire Talks: Meet at the Potwisha Campground Campfire Circle. 1 hour.

Friday: Prowling Predators

Mountain lions, tarantulas and owls – What do they have in common? They all play a critical role in balancing our unique Foothills ecosystem. Join a ranger to learn what makes them fierce and important hunters.

Saturday: Surviving Sequoia

Imagine being a plump squirrel or little pika, popular snacks for many predators. How would you survive? Join a ranger and discover some creative tricks and talents Sequoia's critters keep up their sleeves.
