Produced by: NPS, Joshua Flickinger; 11/17/2021

This map shows the most up to date draft of sequoia groves, in addition to the boundaries of the federal land management agencies which manage them. Note that it does NOT show any existing groves within the Tule River Reservation. It also shows wildfires from the 2021 fire season that burned in sequoia groves.

SCALE 1:500,000 Where 1 inch equals 7.89 miles
