Foothills Feature (15-minute talk) 
 The oak woodland is one of the most diverse and interesting ecosystems in the world. Meet a ranger at the Foothills Visitor Center for an up-close look at some of our favorite foothills features and creatures.

Junior Ranger Books
 Kids ages 5 and up can earn an official Sequoia and Kings Canyon National Parks badge or a limited edition National Park Service centennial badge by completing a Junior Ranger booklet. Ask for a free booklet in any visitor center or the Giant Forest Museum.

Investigation Station 
 (One hour of drop-in activities)
 The park’s wild plants and animals have wildly different textures, colors, and smells. Examine a cart full of touchable objects at the Foothills Visitor Center. A ranger will be on hand to help you make sense of your observations.
