

## CAMPFIRE RESTRICTIONS

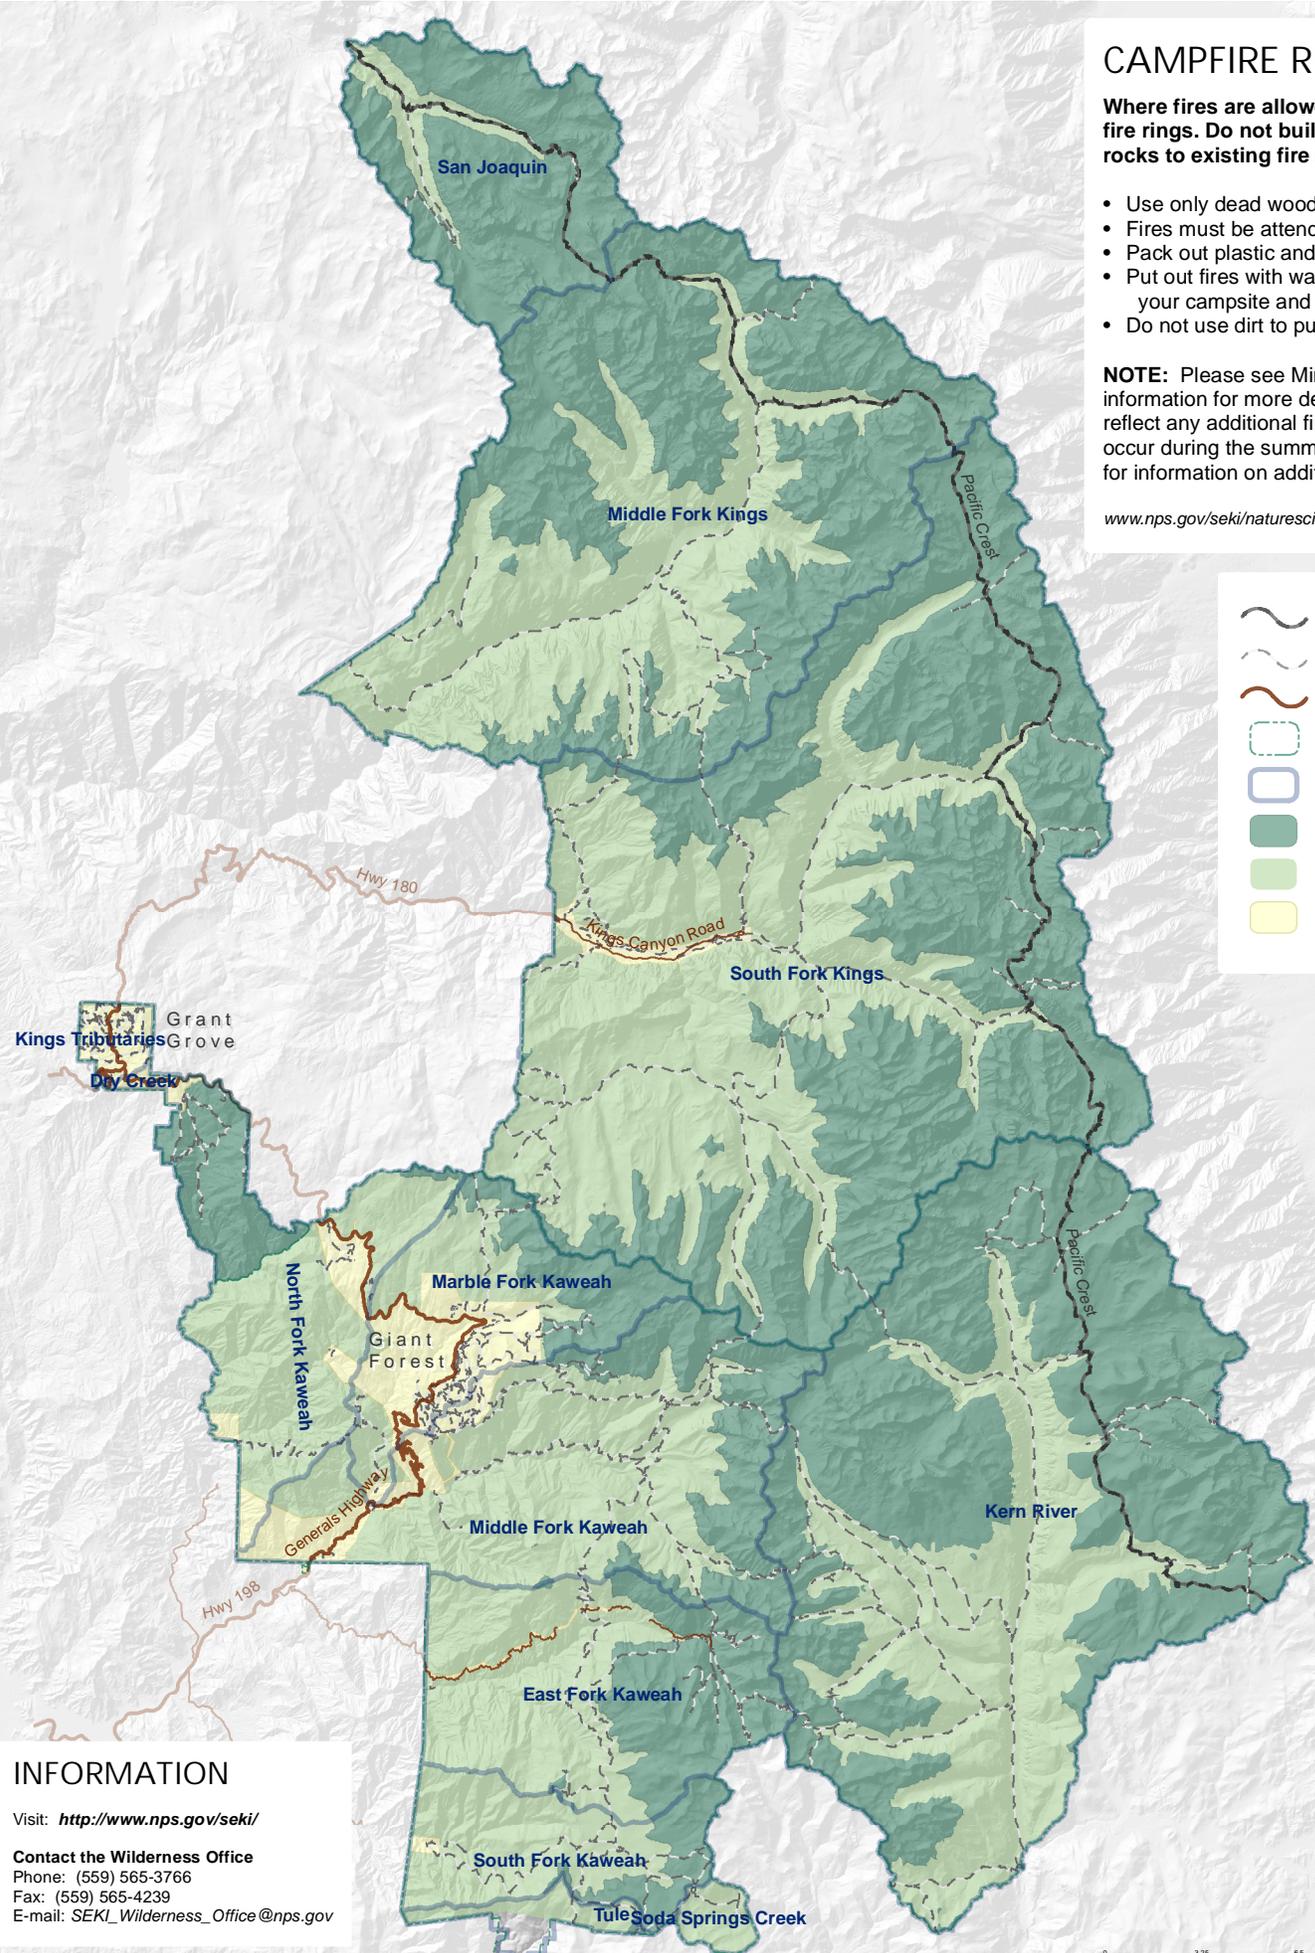

Where fires are allowed, use only existing fire rings. Do not build new ones or add rocks to existing fire rings.

- Use only dead wood found on the ground.
- Fires must be attended at all times.
- Pack out plastic and foil. Do not burn trash.
- Put out fires with water ½ hour before leaving your campsite and stir the ashes.
- Do not use dirt to put out fires.

**NOTE:** Please see Minimum Impact Restrictions information for more details. This map does not reflect any additional fire restrictions that can occur during the summer season. Please check for information on additional fire restrictions:
