Foothills Feature

15 minute talk
The Oak Woodland is one of the most diverse and interesting ecosystems in the world. Meet a ranger at the Foothills Visitor Center for an up-close look at some of our favorite foothills features and creatures.

Investigation Station

One hour of drop-in activities
The park's wild plants and animals have wildly different textures, colors, and smells. Examine a cart full of touchable objects at the Foothills Visitor Center. A ranger will be on hand to help you make sense of your observations.

Junior Ranger Books

Any time
Kids ages 5 and up can earn the official Sequoia and Kings Canyon National Parks Junior Ranger badge by completing the park's award-winning Junior Ranger booklet. Kids can ask for a free Junior Ranger booklet in any visitor center.

* All programs are free and open to the public.
