Foothills Feature (15-minute talk)

The oak woodland is one of the most diverse and interesting ecosystems in the world. Meet a ranger at the Foothills Visitor Center for an up-close look at some of our favorite foothills features and creatures.

Evening Program (45-minute talk)

Gather round for an old-fashioned evening with a ranger. Topics vary daily. Meet at Potwisha Campground amphitheater.

Investigation Station

(One hour of drop-in activities)

The park's wild plants and animals have wildly different textures, colors, and smells. Examine a cart full of touchable objects at the Foothills Visitor Center. A ranger will be on hand to help you make sense of your observations.
