Driving in Chain Control Areas

Maximum speed limit is 25 miles per hour, even if posted otherwise.

You must carry tire chains in your vehicle. Vehicles over 6500 lbs. must install chains.

R1: Snow tires or chains are required.

Your tires must have the letters MS, M/S, M+S or the words MUD AND SNOW or ALL SEASON on the sidewall, or you **must** install chains.

R2: 4-wheel drive or chains are required.

Your vehicle must be in 4x4 or all-wheel drive or you **must** install chains.

R3: Chains are required on all vehicles.

There are **no exceptions**.

Rent or buy tire chains at:
