The National Park Service Arrowhead shows everything rangers are protecting, preserving, and educating visitors about in our National Parks. Can you connect each part to what it represents?

- Bison
- Tree
- Mountain
- Lake
- Arrowhead
- Plants
- Scenery
- Animals
- History
- Water

You might have all these things where you live! If your home was a national park what would you protect?

Draw an arrowhead that represents what you love most about your home and the natural spaces around you!
