## Notes

Mathews Arm Campground generally opens at the end of May and closes the end of October. (Camping is not allowed there when the campground is closed.) Sites are available on a first-come, first-served basis and may fill to capacity on weekend nights. Plan to arrive by 4:00 p.m. on a Friday or Saturday (earlier on a holiday weekend).

Do not plan your trip from mid-May through mid-July! While the AT is always busy, this is when the north-bound thru-hikers come through Shenandoah, and there will not be any camping available at the huts.
