Suggested Hikes

Hike #1: Blackrock Summit

1-mile circuit, easiest, 3/4 hour hiking time, 175-foot elevation gain. Follow the Appalachian Trail (A.T.) south. After a short distance, the trees open up and the A.T. goes around a rocky talus slope. Stay on the A.T. and continue south around the slope. At the intersection, turn left onto the Blackrock Hut Road-Trayfoot Mountain Trail, and follow the trail back to the parking lot.

Hike #2: Blackrock Spur Trail & Trayfoot Mountain Trail

1.6-mile circuit, easiest, 1 hour hiking time, 445-foot elevation gain. Follow the Appalachian Trail (A.T.) south. After a short distance, the trees open up and the A.T. goes around a rocky talus slope. At the trail post, turn right to follow the Blackrock Spur Trail through a boulder field. Continue downhill to the intersection, and turn left onto Trayfoot Mountain Trail. When the trail meets the A.T., it becomes Blackrock Hut Road-Trayfoot Mountain Trail, which will take you back to the starting point.

Look for Trail Markers

You'll find these trail markers at all trailheads and intersections. The metal bands are stamped with directional and mileage information.
