Dear Friend:

We are pleased to announce the availability of the Sleeping Bear Dunes National Lakeshore Business Plan. This Business Plan was developed to improve our ability to communicate our financial status with interested parties.

The Business Plan provides a synopsis of the Lakeshore's funding history and identifies our current operations and funding. These are challenging financial times for Sleeping Bear Dunes National Lakeshore as they are for all public agencies. The Business Plan outlines the Lakeshore's priorities and funding strategies.

The Business Plan can be accessed on the Sleeping Bear Dunes National Lakeshore website at www.nps.gov/slbe. A copy is available for review at local libraries including the Lakeshore library in Empire.

If you have any questions please feel free to contact us at (231) 326-5134.

Sincerely,

Dusty Shultz
Superintendent
