

## Hands-On History Workshop for Educators: Civil War Tech

Stones River National Battlefield invites middle Tennessee educators to join us for a four-hour workshop and discover education programs and resources that will help students learn how science and technology shaped Civil War history.

**When:** April 2, 2011 (9 AM-1 PM)

**Where:** Stones River National Battlefield  
3501 Old Nashville Highway  
Murfreesboro, TN 37129

**How to Register:** Call John McKay at  
615-893-9501 or  
[stri\\_information@nps.gov](mailto:stri_information@nps.gov).

This workshop will be limited to 15 participants. Early registration is encouraged.

### Workshop Schedule

**9:00-9:30 AM - Introduction**

**9:30-10:15 AM - Stones River Tech**

Teachers will participate in a special museum scavenger hunt for exhibits that help visitors understand how science and technology influenced the Battle of Stones River.

**10:30 AM-11:15 AM - Killing Tech**

A hands-on activity that allows teachers to discover technological innovations that allowed soldiers to be a better job at killing their fellow man.

**11:15 AM-12 PM - Life Saving Tech**

Follow the story of Civil War doctors as they battle to save the lives of soldiers.

**12:15 PM -1 PM - Communications Tech**

Teachers will use the tools of the Signal Corps to learn how the Union army established an intricate communications network that helped them win the war.
