June the 21st 1865 Washingtons grave.
Writen By Mr. H. Adams.

Disturb not his slumbers let
Washington sleep. Neath the boughs
of the willow that over him weeps.
His arm is unnerved his deeds remain
bright- a the stars in the dark
vaulted heaven at night O wake
not the here his battles all over
let him rest undisturbed on
Potomacs fair shore— on the
rivers green border so flowery drest
with the hearts he loved fondly
Let Washington rest with the
hearts he loved fondly let
Washington rest.

awake not his slumbers tread
lightly around tis the grave of
the freeman tis liberty mound!

when I expect that
there will be some
fighting. Tell John & Frank
that if they knew about camp

Dearest Mattie and Bettie

I received all your
letters of the 13th last Sunday the
letter was most welcome but what
unwelcome news. A widow I
cannot realize that is the case I
do not know what I should do if
I was there but I suppose I should
do the best I can. I do not know
how things will be by Christmas
well and doing well I have the

best of health & the country
appears to agree with me so I
have nothing to do but to eat sleep and
feel for the folks at home my
advice I do not expect is worth
much but what I want you
to do is. If Mr. King owes you
any thing he must manage
some way to pay you I
expect that you are some in
debt but I hope that your
creditors will excuse payment
until I get some pay when
I will send some money home
without delay I do not know
when we shall get it but I
hope soon I cannot describe my feelings
about Father death but I believe
every thing for the best I am

I do not want you to worry about me or mine for every penny that I get is yours after this I get enough to eat no wadays and enough to wear and that is all I want if I only know that you and the boys have as much I know that you will do the best you can for the boys sake [illegible] this war [illegible] and I hope all will be ended I received 2 letters from you & us kind friend Mrs Scarbee and it makes me very grateful to think that your soldier boy is not forgotten though he is so far away from home
