I cannot tell you how many there is sick at this time but there is a good many and sickness is increasing last Sunday there were only about 4 or 5 sick men in our comany [sic] this morning the sick list numbers 16 this looks like a right smart incree [sic] in 3 days there has bin [sic] 9 deaths since Sunday evening 2 of our Regiment one of our Compny [sic] his name was John C. Claton he was taken Satureday [sic] morning he kep [sic] going about till 10 or 11 oclock [sic] when he took his bed and never rose nemore [sic] he Died Sunday evening about 6 oclock [sic] this is taking a man off in a very short time he died with Brain feever [sic] he was buried the next evening he was taken a mile and better from camp and buried in a yankey [sic] grave yard where they buried their dead when they were there this was a very suden [sic] Death and should be a warning to us all litle [sic] did he know the day before he was taken that death was so nigh as he was trying to bory [sic] mony [sic] to gamble on oh what an awful thing but it looks like if the trouble a man sees in camp are not enough to cause a man to trye [sic] to live in a right way there is nothing that will turn him as to my past I expect from this on to trye [sic] to do as night right as I can and have bin [sic] doing so ever since I left home last and I hope you will all trye [sic] to do the same way for I never more expect to see you on earth a gain for a man dos [sic] not know here one day that he will be a live the next but it may be that I will live to get home a gain we are still here yet but a most all the Regiments are gon [sic] to wards [sic] Nashville and they have bin [sic] fighting two days there it was reported last night that our men had taken a little town by the name of Edgefield near Nashville and 150 of our men were killed This may not be so it was said visterday [sic] that our Regiment and som [sic] others were kep [sic] back as reserve but after dark last night we were ordered to cook

2 days Rashion [sic] and be ready to march this morning but we are here yet 12 ocloc [sic] and we may not go we heard the cannons this morning very playing and the gard [sic] said they heard them all night and have had no neus [sic] from there to day but I guess we will hear in a short time we are in a close plase [sic] Neuse [sic] is here that Rosencrans [sic] is moveing [sic] in rear of us to Chatanuga [sic] and if he gets there we will be cut off from Railroad transportation but I hope he will be prevented we have heard severel [sic] times that neuse [sic] has went to henderson [sic] that we were all killed and taken prisners [sic] this is not the case if you hear such reports you Nead [sic] not believe it for we have not bin [sic] in no fight yet nor neither have we bin [sic] taken prisners [sic] and I am in hope we will not be We are under the comand [sic] of General Breckenrige [sic] and in Colonel Walkers [sic] Briggade [sic] Maj Mcdowels [sic] Regiment our me [sic] do not have to go on picket very often I have not bin [sic] on picket but onse [sic] yet and there is a good many of our me [sic] that have not bin [sic] on yet I was the first one that was taken [crossed out] sent on picket from our company I and 6 others were sent out and I was the commanding officer over them we were sent about one mile from camp we had to lay out all night but we were relieved the next morning by a new picket wehen [sic] we started the Agitant [sic] told us we would bring him a yankey [sic] coat the next morning he he [sic] would give us 15 dollars for it but we did [three illegible words crossed out] not get [illegible] one I wright [sic] this letter to all Father and Mother and Brother and Sisters and I want you all to wright [sic] to me for all the pleasure that I have is when I get letters from home for I tell you that a man in camps sees but little pleasures in camp I got no letters from non [sic] of you since we left greenvill [sic] and we have bin [sic] hear [sic] 9 weeks to day tell Dicy that I have not got narry [sic] letter from her since the last of September I would be very uneasy about here [sic] but I hear sometimes our letters do not go it looks like a long time to not hear from home in over a month This maks [sic] the fourth letter that I have rote [sic] since I came here and I have got no answer as to the weather it is very warm days and cold nights and drye [sic] and very dusty tell Riley to stay at home as long as he can we get aplenty of Bacon and beef and are [illegible] eat but we only get one pound of flouer [sic] to the man perday [sic] and that maks [sic] bread scarse [sic] we drawed [sic] some corn meal yisterday [sic] I am in hopes we will have plenty of bread from now on I saw more bacon in one pile yisterday [sic] than any house would hold Cary is well [illegible] Tousen is well Wm. We are having a deal of sickness in our Regimant [sic] our men are dying nearly every day. I have Died out of my company since 5th of this month they have Fever and Measles.

I am sorry to say to you that your Son W.P. Maxwell was left at Murfreesboro as a nurse and we Received a list of Dead the other day stating that Maxwell of Company D. was Dead the paper did not give the Right name. I fear it was <u>Pinkney</u> as that is the letter of my company. I have no news to write that is good and I suppose you have plenty of bad news without me writing any

Cary is not well he has not been able to do any duty in two months. Out of 70 men we have about 15 able for duty

Well about you wanting me to send Cary Home on a Furlough Mr [sic] Maxwell I would gladly do so but it is out of my power Old Bragg issued an order that no man was to be Furloughed and so you see that I can not do anything

We are expecting an other fight hear [sic] if the yankees [sic] advance on us our men have been making Breast works

There are so much Rain the Road in such a bad fix they cant [sic] travel

Respectfully

Chas M. [illegible]
