SUGGESTIONS TO OFFICERS ISSUING ORDNANCE PROPERTY.

Whenever an officer issues, transfers, or turns over to another person any Ordnance or Ordnance Stores, it must be done in compliance with *proper authority*. (See notes on the printed form of Invoice 2 (*b*.)

When the transfer or issue takes place, he must deliver, with the property, duplicate invoices of it, made out according to Form 2 (*b*;) and upon receipt of the Stores, the receiving officer will return receipts in duplicate, according to Form 7 (*a*.)

But where the Stores are turned over to the Quartermaster's Department for transportation to the officer to whom they are addressed, the Quartermaster will be furnished with duplicate invoices, according to Form 2 (*a*,) and a third will be transmitted by mail to the officer who is to receipt for the Stores.

Officers turning over Stores in this way to a Quartermaster, should take a receipt from him for the exact number of packages shipped, so that in case the Stores are lost while in charge of the Quartermaster's Department, the issuing officer may have a legal proof that the Stores were actually put in possession of that Department.

Officers issuing, or transferring property as described above, should preserve with care all receipts obtained for it. They should remember that these are the legal evidences of the transaction, and that they must be filed as vouchers, to substantiate the statements concerning issues which they make on the Property Return. THE "ORDER FOR SUPPLIES," OR OTHER AUTHORITY BY WHICH THE ISSUE IS MADE, MUST ACCOMPANY AND BE ATTACHED TO THIS RECEIPT.

Unless the receipt accompanies the Return, or some other evidence that the issue was made as stated, (see paragraph 39, Instructions for making Ordnance Returns,) the money value of the articles will be stopped against the pay of the issuing officer by the Treasury Department, on the adjustment of his accounts.

QUARTERLY RETURN

OF

ORDNANCE AND ORDNANCE STORES

RECEIVED, ISSUED, AND REMAINING ON HAND.

Co. A, 65th Regiment Md Vols Infantry,

COMMANDED BY

Frank Tiller 1st Lieut Co A 5th Regt M.V.V.

DURING THE

Fourth Quarter ending December 31st 1862.

RETAINED COPY.

MEMORANDUM.

The Original and Duplicate of this Return were transmitted to the Chief of Ordnance, Washington, D. C. on the 2nd day of Nov 1863.

Commanding.

*Give name of officer signing this Return.

ALL COMPANY OFFICERS HAVING ORDNANCE STORES TO ACCOUNT FOR SHOULD OBSERVE—

1. That each officer's accountability commences from the day he took command of the Company; he is to make returns for his own accountability only, and is not held responsible for that of *any other person*.
2. That all property returns in the Ordnance Department are made *quarterly*, and not *monthly*.
3. That the account of property rendered in this Return must invariably be closed at the end of the official quarter, viz: 31st March, 30th June, 30th September, and 31st December of each year; *except*, where officers by reason of leaving the service, or being transferred to a new station or command, desire to close their accountability between these dates; in which case it will terminate at the date *the balance on hand was transferred to another person*.
4. That it must be clearly stated how the stores with which the United States is credited came into the possession of the officer—whether brought forward from the last return; received on an invoice from another person; taken up by virtue of an inventory made by a Board of Survey, or on a certified statement, made by the officer himself.
5. That every *issue* to another person must be made in compliance with *proper authority*, a copy of the order or requisition being furnished, and the issue attested by the *receipt of that person*. Where this cannot be obtained, a *certified invoice* of the stores which were issued must be filed as a voucher, with a *statement* on its face showing why the receipt could not be obtained. (See paragraph 39 of "Instructions," &c.)
   No property can be *condemned* and *dropped*, except by authority of a regularly authorized inspector. (See paragraph 42 of "Instructions," &c.)
   Nothing but ammunition, parts of arms, and material for repairs can be expended, and these only in such quantities as the necessities of the case will warrant.
   Statements of *losses* or *damage* should be supported by the report of a Board of Survey; if the certificate of the officer accountable is filed, it should be supported by any corroborative evidence which can be obtained, such as the certificates of other officers, order of a superior, or the affidavits of enlisted men or citizens.
   In short, every transaction noted on the return *must be supported by proper vouchers*, which are the legal evidences of the correctness of the statements made.
6. That the return is signed with *full name and official title*, and that it is done *legibly*; that the station and date are inserted in the proper place, when the return is finished and signed, and that the *P. O. address of the station* is given.

DIRECTIONS FOR MAKING THIS RETURN.

1. Before proceeding to fill up this form, read carefully the notes on the first page, below the endorsement, as also the following paragraphs of "Instructions for making Quarterly Returns of Ordnance and Ordnance Stores," approved by the Secretary of War, February 10, 1863, namely: 1, 4, 5, 6, 9, 10, 15, 16, 17, 18, 19, 20, 25, 26, 27, 34, 35, 36, 39, 40, 42, 47, 48, 52, 53, 54, 62, 63, 69, 70, 71, 72, 74, 75.
2. State the exact name of the fire-arm, as specified in the Classification of Ordnance Stores, Class 6, page 51, "Instructions for making Quarterly Returns," &c., &c.; also, whether smooth-bored or rifled, and the calibre.
3. State the calibre of the cartridge boxes, (whether for .54 or .58 calibre balls.)
4. State *kind* and *calibre* of the ball cartridges, whether *elongated*, or some patent kind. (.5744 calibre is used in the .577 and .58 bores.)
5. Make out the "Triplicate" *first*, and copy the "*Duplicate*" and "*Original*" from it. This will give neat and correct copies for the Bureaux at Washington.

DIRECTIONS FOR TRANSMITTING THIS RETURN.

Send with the "ORIGINAL FOR THE TREASURY DEPARTMENT" one complete set of vouchers as above numbered.
Send with the "DUPLICATE FOR THE ORDNANCE OFFICE" such Abstracts as are required by the "Instructions for making Ordnance Returns."
Keep with the "TRIPLICATE TO BE RETAINED" one complete set of vouchers—exact duplicates of those sent with the "Original."
Mail the "Original," with its vouchers, and the "Duplicate for the Ordnance Office," accompanied by the enclosed printed letter of transmittal, properly filled up, to the Chief of Ordnance, Washington, D. C., in *one package*, within *twenty days* after the expiration of the quarter for which the return is made. (See paragraph 1421, General Regulations of the Army.)
All officers stationed east of the Rocky mountains, who are accountable for Ordnance Stores, whose Returns fail to reach the Ordnance Office within *sixty days* from the termination of the quarter for which they are due, and who do not give a reasonable excuse for the delay, are now reported to the Adjutant General of the Army for a *stoppage of their pay* until the proper return is made. Officers stationed west of the Rocky mountains will be allowed *ninety* days from the last day of the quarter before being reported.
If officers have neglected to make Returns for past quarters, correct Returns for each should be made out before commencing that for the current quarter.
The printed blank forms enumerated in paragraph 75, "Instructions for making Returns of Ordnance Stores," will be furnished from the Ordnance Office, Washington,
