

Appendix 1

INTERAGENCY AVIATION MISHAP RESPONSE GUIDE AND CHECKLIST

The [Interagency Aviation Mishap Response Guide and Checklist](#) has been approved for use by both the OAS Chief of Aviation Safety and Program Evaluations and the USDA-FS Branch Chief, Aviation Safety Management System. You can order this document through the cache system (NFES 2659/PMS 503). You may also download and print this document.

WHAT YOU NEED TO DO:

After you download the document you can tailor the plan to fit your organizational and local area needs by adding names and phone numbers. After printing you will be able to literally "cut along the dotted lines" and assemble the plan into the familiar layered Interagency Aviation Mishap Response Guide & Checklist format. We recommend you print Tabs A, B, C, D, and E (pages 3-7) on yellow or another bright colored paper to make those "immediate actions" stand out boldly.

WHAT THE CHECKLIST DOES FOR YOU:

The checklist provides both immediate actions and general instructions to follow in the event of an aviation accident. It has intentionally been developed to be simple and generic. The "Aircraft Accident Report" consolidates the information required for missing aircraft, overdue missing, and accidents into a single form. We have made it generic to allow the widest possible use with a minimum of additional work.
