

PART III

PROPOSAL PACKAGE

CC-OLYM001-27

Department of the Interior

National Park Service
Olympic National Park

**Proposal to Operate Lodging, Food and Beverage, Retail,
Campground (group site), Firewood, and Other Services**

PROPOSAL SUBMISSION TERMS & CONDITIONS

- (1) The Offeror's Transmittal Letter set forth below indicates your acceptance of the terms and conditions of the concession opportunity as set forth in this Prospectus. It indicates your intention to comply with the terms and conditions of the Contract. **The letter, submitted without alteration, must bear original signatures.** The National Park Service (Service) will review the entire Proposal Package to determine whether your proposal in fact accepts without condition the terms and conditions of this Prospectus. If it does not accept without condition the terms and conditions of this Prospectus, your proposal may be considered non-responsive, even if you submitted an unconditional Offeror's Transmittal Letter.
- (2) The Proposal Package is drafted upon the assumption that an Offeror is the same legal entity that will execute the new concession Contract as the Concessioner. If the entity that is to be the Concessioner is not in existence as of the time of submission of a proposal, or the Offeror was formed recently and has no financial or operating history, the proposal must demonstrate that the individual(s) or entity(ies) (hereinafter Offeror-Guarantor(s)) that intends to establish the entity that will become the Concessioner has the ability and is legally obliged to cause the entity to be financially and managerially capable of carrying out the terms of the Contract. In addition, the Offeror-Guarantor must unconditionally state and guarantee in its proposal that the Offeror-Guarantor will provide the Concessioner with all funding, management, and other resources that the Draft Contract requires, and the proposal offers.

Offeror's Transmittal Letter
(Provide only one Offeror's Transmittal Letter)

Regional Director
Interior Regions 8, 9, 10, and 12
555 Battery Street, Suite 121
San Francisco, California 94111

Dear Regional Director:

The name of the Offeror is _____. If the Offeror has not yet been formed, or the Offeror was formed recently and has no financial or operating history, this letter is submitted on its behalf by _____ as Offeror-Guarantor(s), who guarantee(s) all certifications, agreements, and obligations of the Offeror hereunder and make(s) such certifications, agreements and obligations individually and on behalf of the Offeror.

The Offeror hereby agrees to provide visitor services and facilities within Olympic National Park in accordance with the terms and conditions specified in the Draft Concession Contract No. CC-OLYM001-27 (Draft Contract) provided in the Prospectus issued by the public notice as listed on the [SAM.gov website](#), and to execute the Draft Contract without substantive modification (except as may be required by the National Park Service pursuant to the terms of the Prospectus and the Offeror's Proposal).

The Offeror is enclosing the required "PROPOSAL" which, by this reference, is made a part hereof.

The Offeror certifies that the information furnished herewith is complete, true, and correct, and recognizes that false statements may subject the Offeror to criminal penalties under 18 U.S.C. 1001. The Offeror understands that the National Park Service will rely upon the material representations set forth in the Offeror's Proposal and acknowledges that the Offeror has a duty to inform the National Park Service of any material information in the Offeror's Proposal that changes or that the Offeror learns to be incorrect. The Offeror agrees to meet all the minimum requirements of the Draft Contract and the Prospectus. The Offeror certifies that it has provided all of the mandatory information specified in the Prospectus.

The Offeror certifies in accordance with applicable law the following (initial all that apply):

- (1) Neither the Offeror nor any of its principals are presently excluded or disqualified. _____
- (2) Within the three years preceding submission of the Proposal, neither the Offeror nor any of its principals have been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state or local) or private agreement or transaction; violation of federal or state antitrust statutes; commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, violating federal criminal tax laws, receiving stolen property, making false claims, or obstruction of justice; or commission of any other offense indicating a lack of business integrity or business honesty that seriously and directly affects their present responsibility.

- (3) Neither the Offeror nor any of its principals are presently indicted for or otherwise criminally or civilly charged by a federal, state, or local unit of the government with commission of any of the aforementioned offenses. _____

- (4) Neither the Offeror nor any of its principals have had one or more public transactions (federal, state, or local) terminated for cause or default within the three-year period preceding the submission of the Proposal. _____
- (5) If a corporation, the Offeror does not have any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability. _____
- (6) If a corporation, the Offeror has not been convicted of a felony criminal violation under any Federal law within the preceding 24 months. _____

If the Offeror is unable to certify one or more of the items above, it may sign this transmittal letter and, together with this transmittal letter, must submit detailed information explaining why it is unable to certify the item(s). The information the Offeror must submit includes a description of every incident that prevents the Offeror from certifying the item(s); the current status of each incident; and, if resolved, how each incident was resolved. The Offeror must explain how these incidents may affect the Offeror's ability to fulfill the terms of the Draft Contract.

The Offeror, by submitting this Proposal hereby agrees, if selected for award of the Draft Contract:

- (1) To perform, in a timely and competent manner, the minimum requirements of the Draft Contract as identified in this Prospectus.
- (2) To complete the execution of the final Concession Contract within the time provided by the National Park Service when it presents the Concession Contract to the Offeror for execution.
- (3) To commence operations under the resulting Concession Contract on the effective date of the Concession Contract.
- (4) To operate under the current National Park Service approved rates until such time as amended rates may be approved by the National Park Service.
- (5) *[Include only if the Offeror is not yet in existence or the Offeror was formed recently and has no financial or operating history.]* To provide the entity that is to be the Concessioner under the Draft Contract with the funding, management, and other resources required under the Draft Contract and/or described in our Proposal.
- (6) *[Include only if the Offeror is an entity, rather than an individual]* To deliver to the Regional Director within 10 days following the announcement of the selection of the Offeror as the Concessioner, current copies of the following:
 - Certificate from its state of formation indicating that the entity is in "good standing" (if such form is issued in that state for Offeror's type of business entity);
 - Governing documents of Offeror (e.g., Articles of Incorporation and Bylaws for corporations; Certificate of Formation and Operating Agreement for LLCs; Partnership Agreement for Partnerships; or Venture Agreement for Joint Ventures); and
 - If the business entity was not formed in the State of Washington, evidence that it is qualified to do business there.

- (7) The Offeror certifies it acknowledges the continued bluff erosion in the Kalaloch Lodge area and acknowledges the potential loss of additional lodge units.
- (8) To the inclusion by the National Park Service of the LSI Waiver Provision for Fixture Installation and Replacement (which includes an exemption for fixtures associated with both CFIP projects identified in the Draft Contract), as set forth in Section 15 and 16(a) of Exhibit A: Leasehold Surrender Interest to the Draft Contract if "Yes" is checked below.

Yes, include the LSI Waiver Provision for Fixture Installation and Replacement

No, do not include the LSI Waiver Provision for Fixture Installation and Replacement

The Offeror certifies it has uploaded the following documents on the Service's designated Microsoft Teams site using the email address _____:

SELECTION FACTORS

Response Format

- (1) Please number each page and section in your completed proposal. Add information to your proposal only to the extent that it is necessary and relevant to respond to the selection factor. Each page should have a heading identifying the selection factor and subfactor to which the information contained on the page responds. It is important that your response stays within the organizational framework in the Proposal Package and provides all relevant information directly in response to each selection factor. The Service may consider relevant information contained within any applicable page limits elsewhere in a proposal in assessing the proposal's response to each particular selection factor.
- (2) The evaluation panel will give scoring preference to firm commitments into account when evaluating proposals. Responses that include terms such as "look into," "research," "may," "if feasible," and similar terms, or that describe existing operations and conditions rather than proposing future commitments, are not considered as firm commitments. In addition, the Service considers responses that include a specific time for commitment implementation as a stronger response. For example, "XXX commits to provide recycling containers in each lodging room by December of 2027."
- (3) Where page limits are set out in the Proposal Package, the Service will not evaluate information on any pages that exceed the page limitations stated, including attachments, appendices, or other additional materials the Offeror submits. The Service would like to see clear and concise answers. A longer answer will not necessarily be considered a better answer.
- (4) Offerors must use letter-size paper unless a subfactor asks for schematics or drawings, in which case Offerors may use legal or ledger-size paper for the schematics or drawings. Offerors must use 11- or 12-point font for all text within the proposal, including all tables, charts, graphs, and provided forms. The Service will accept images of sample material with smaller fonts.
- (5) Page margins must be 1 inch. Page numbers and identifications of trade secrets or confidential commercial or financial information that the Offeror believes to be exempt from disclosure under the Freedom of Information Act may appear within the margins and must be no smaller than 10-point font. The Proposal Instructions (Part II of this Prospectus) include further instructions and notices regarding the Freedom of Information Act and proposals and awarded concession contracts.

NOTICE TO OFFERORS

The Service will consider proposals for non-leasehold-surrender-interest (LSI)-generating improvements or additions to Concession Facilities (as defined in the Draft Contract), and proposals for improvements or additions to, furnishings, employee and visitor amenities, and other Concessioner-owned personal property.

The Service will consider proposals for the installation of new fixtures and the major rehabilitation of existing structures that Offerors include in their responses to Principal Selection Factor 2, part (2) and Secondary Selection Factor 2, part (2). Otherwise, the Service will not consider proposals for new construction or major rehabilitation unless the new construction or major rehabilitation is either a necessary part of the required Concession Facilities Improvement Program (CFIP), or the Offeror voluntarily proposes and agrees to waive its rights to LSI associated with the new construction or major rehabilitation, by explicitly stating as much (e.g., "XXX waives all rights to LSI for this voluntary enhancement project.").

"Major rehabilitation" is defined in 36 C.F.R. § 51.51.

“New construction” means:

- The creation of a new structure (as defined in 36 C.F.R. § 51.51) where none previously existed, or
- The completion of a new addition to an existing structure that expands the footprint or function of the structure, or
- The installation of a new fixture or non-removable equipment (as defined in 36 C.F.R. § 51.51).
Note: the installation of a new fixture or non-removable equipment is different than the replacement of an existing fixture or non-removable equipment with a newer fixture or non-removable equipment.

Examples of “new construction” include:

- Ground-up building: Building new lodging units, bathhouses, employee housing, a marina store, a new concrete pad or fixed platform, new sidewalks, pads for generators, etc.
- Addition/alteration: Adding a new wing or floor to an existing lodge (increasing capacity) or a fixed shade structure (e.g., a non-retractable awning).
- Infrastructure development/expansion: Installing (new) or expanding wastewater treatment systems, water distribution networks, electrical grids, expanding roads/parking, etc.

The Service may consider proposals that describe detailed Offeror commitments that enhance the CFIP as defined in the Draft Contract but will not consider proposed alterations to the scope of the CFIP as defined in the Draft Contract. The Service will consider proposals that assume LSI in proposed fixture replacement(s) (for a current list of LSI fixtures see: [LSI Fixture Table \(nps.gov\)](https://www.nps.gov/lsifixturetable)).

In completing the forms in the Excel workbook provided for part 3 of Principal Selection Factor 4, you need to include the monetary amounts for any investments required to realize the strategies outlined in response to the selection factors.

PRINCIPAL SELECTION FACTOR 1. THE RESPONSIVENESS OF THE PROPOSAL TO THE OBJECTIVES, AS DESCRIBED IN THE PROSPECTUS, OF PROTECTING, CONSERVING, AND PRESERVING RESOURCES OF THE PARK. (0-5 POINTS)

Subfactor 1(a). Experience and Capability in Maintaining Facilities (3 points)

The Service is interested in a Concessioner that has experience maintaining facilities in a challenging climate. Using not more than **three (3) pages**, including all text, pictures, graphs, etc.:

- (1) Provide two (2) examples of your experience maintaining facilities, focusing on challenges faced and solutions implemented. Explain how this experience demonstrates your capability to maintain the facilities assigned under the Draft Contract. The examples should be from an operation like those required under the Draft Contract for the operation of the Kalaloch Lodge (e.g., located in an environment that is hard on assets).
- (2) Describe how your maintenance program will address unique challenges posed by the coastal environment at Kalaloch Lodge.

Note: if the Offeror is not yet in existence, the Offeror was formed recently and has no relevant experience, or the Offeror relies on the experience of a affiliated entity, such as its parent company or a subsidiary of its parent company, explain how such experience will carry over to the Offeror entity directly and how that entity's experience will benefit the Offeror's operations.

Subfactor 1(b). Communicating with and Involving the Service in Maintenance Planning and Projects (2 points)

Using not more than **two (2) pages**, including all text, pictures, graphs, etc.:

- (1) Describe the process, including any specific tools you will use, to involve the Service in maintenance planning and project coordination. Include how you will maintain effective communication and provide oversight during project execution.
- (2) Describe how you will identify and track maintenance and improvement projects, including routine maintenance, Component Renewal Reserve (CRR) projects, and Leasehold Surrender Interest (LSI) eligible capital improvements.

PRINCIPAL SELECTION FACTOR 2. THE RESPONSIVENESS OF THE PROPOSAL TO THE OBJECTIVES, AS DESCRIBED IN THE PROSPECTUS, OF PROVIDING NECESSARY AND APPROPRIATE VISITOR SERVICES AT REASONABLE RATES. (0 - 5 POINTS)

Features and Amenities of Lodging Units

The Service wants to ensure a high-quality visitor experience reflective of the rates paid for lodging. As lodging rates for all units will be subject to Competitive Market Declaration, improvements and upgrades to lodging amenities, furniture, and equipment may be needed to keep pace with the competitive market.

NOTE: the Service does not intend for these upgrades to change any service classifications (e.g., midscale lodging).

Using not more than **three (3) pages**, including all text, pictures, graphs, etc., address the following:

- (1) Describe furniture, soft goods, features, equipment, and amenities you will provide in the following:
 - (a) 10 guest rooms in the main lodge building;
 - (b) 10 guest rooms in the Seacrest House; and
 - (c) 28 cabin units

- (2) As bluff erosion has required the removal of several "front row" cabins, units that were previously in the "second row" now have direct ocean views. Describe how you will improve the cabins and/or the outdoor spaces (e.g., landscaping, furniture, equipment, and amenities) surrounding these cabin units to enhance guests' connection to views and the natural environment. Improvements are limited to Cabins 19-35 (FMSS 82136-82152) and Duplex 41/42 (FMSS 82161).

Note: In response to part 2 of this Principal Selection Factor, Offerors may propose real property improvements that generate Leasehold Surrender Interest (LSI), including new fixtures and major rehabilitation projects, provided these improvements do not include other new construction, as those terms are defined in the Notice to Offerors section of this Proposal Package, or in 36 C.F.R. § 51.51, as applicable. Offerors must clearly identify any proposed LSI-eligible capital improvements and personal property improvements and upgrades and associated costs in their responses to Principal Selection Factor 4 by line-item with related explanatory assumptions. Should the Offeror elect to waive LSI in fixtures, that waiver will also include any fixtures associated with the improvements committed to in response to this selection factor question.

- (3) Submit your proposed schedule to complete your proposed lodging improvements and upgrades, including a timeline indicating your proposed starting and ending dates. Your plan should clearly describe how you will minimize disruption to visitor services during the process.

PRINCIPAL SELECTION FACTOR 3. THE EXPERIENCE AND RELATED BACKGROUND OF THE OFFEROR, INCLUDING THE PAST PERFORMANCE AND EXPERTISE OF THE OFFEROR IN PROVIDING THE SAME OR SIMILAR VISITOR SERVICES AS THOSE TO BE PROVIDED UNDER THE CONCESSION CONTRACT. (0-5 POINTS)

Note to Offeror: To assist the Service in the evaluation of proposals under this and other selection factors, provide the following information regarding the organizational structure of the Offeror. This organizational structure information will not be scored for selection purposes but may be used for assessing responses to various selection factors. Additionally, the Service will use this information and the names of the Offeror, any Offeror-Guarantor(s), and the person(s) who sign the Certificate of Business Entity Offeror and Offeror's Transmittal Letter to check the System for Award Management (SAM.gov) for individuals or entities that may be excluded or disqualified from award of the Draft Contract. Offerors are encouraged to check SAM.gov for this information themselves. Failure to provide this information may result in the Service determining your proposal to be non-responsive.

Offeror's Organizational Structure

Describe the entity with which the National Park Service will contract, specifying whether it is currently in existence or is to be formed. Clearly explain and define the Offeror's relationship to any related entities that will affect how the Offeror will perform under the Draft Contract.

Submit the Offeror's governing documents (e.g., Articles of Incorporation and Bylaws for corporations; Certificate of Formation and Operating Agreement for LLCs; Partnership Agreement for partnerships; or Venture Agreement for joint ventures). If the Offeror is not yet in existence, submit these documents for the Offeror-Guarantor(s).

Submit completed Business Organization Information forms (NPS Form 10-357A or NPS Form 10-357B, as applicable to the individual or entity, available at the end of this Principal Selection Factor 3) for the Offeror; Offeror-Guarantor(s), if any; and any individual or entity with a controlling interest in the Offeror (i.e., an interest that permits the exercise of managerial authority over how the Offeror will perform under the Draft Contract or decisions regarding the rights and liabilities of the Offeror).

Subfactor 3(a). Operational Experience (3 points)

Using no more than **three (3) pages (one example per page)**, including all text, pictures, graphs, etc.:

Describe the Offeror's experience operating and managing services similar to those required by the Draft Contract by providing **one example similar to each of the following services**: (1) Kalaloch Lodge midscale lodging, (2) Kalaloch Lodge restaurant upscale casual food and beverage, and (3) Kalaloch Lodge gift shop (retail). Appendix B to this Prospectus includes a summary of each of these required services. Offerors should review the applicable service standards, including the description of each of the service classifications, on the [Service's website \(Concessioner Tools, Standards and Evaluations\)](#) to ensure they understand the applicable standards and classifications in providing examples.

The Service will accept an example of an operation that provides all three types of services in lieu of three separate examples; however, the Offeror must clearly identify and describe how the example addresses each of the services. If the Offeror operates multiple outlets of the same service type as part of a larger operational area (e.g., a large contract, resort holding, etc.), **the Offeror must select one distinct outlet of that service type** to use as an example, not all the outlets of the same service type within that operational area. If an Offeror provides more than one example of operational experience for any service type, the Service will evaluate only the first example presented for each service type. If the Offeror fails to provide the information below (for items 1-7) for each individual example, this may negatively impact the scoring for this subfactor. The Service prefers examples that demonstrate experience within the last five years.

If the Offeror is not yet in existence, the Offeror was formed recently and has no financial or operating history, or the Offeror relies on the experience of an affiliated entity, such as its parent company or a subsidiary of its parent company, explain how such experience will carry over to the Offeror directly and how that entity's experience will benefit the Offeror's operations. For each example discussed, submit the following information segmented by operating department.

Submit the following information for **each example**. Your response must be in tabular format similar to the format provided in Appendix C Operational Experience Tables:

- (1) Name and location of operation
- (2) Nature of the Offeror's involvement and status of business (e.g., owned and operated by Offeror, sold, open but no longer operated by Offeror, closed, etc.)
- (3) Time frame of experience, with dates
- (4) Operating season and hours
- (5) Number of employees segregated by year-round full-time, year-round part-time, seasonal full-time, and seasonal part-time employees.
- (6) Annual gross receipts, by department, for the most recent year/season of operation in which the Offeror was involved with the business.
- (7) Any operating conditions or challenges similar to the operating conditions or challenges of the services required by the Draft Contract. The Business Opportunity (Part I of this Prospectus) summarizes operating conditions or challenges.

Also submit the following for the **Midscale Lodging** example:

- (1) Number of and classification of rooms in property
- (2) Annual occupancy rate during most recent completed year/season (state the year/season)
- (3) High, shoulder, and low season occupancy rates for the most recent completed year/season, if applicable (state the year/season)
- (4) Describe noteworthy guest amenities (e.g., Wi-Fi, swimming pool, hot tub, fitness center, in-house restaurant, meeting facilities, in-house bar, guest laundry facilities, etc.). Do not describe in-room amenities (e.g., coffee maker, etc.) unless those in-room amenities are over and above the minimum requirements of a midscale lodging operation.

Also submit the following for the **Upscale Casual Food and Beverage** example:

- (1) Type of food service (grab-and-go, limited service, full service, fine dining, etc.)
- (2) Number of seats
- (3) Annual number of covers by meal period during most recent completed year/season (state the year/season)

Also submit the following for the **Retail** example:

- (1) Type of merchandise (e.g., grocery, souvenir, specialty)
- (2) Average annual number of transactions
- (3) Square feet of retail space

Subfactor 3(b). Violations or Infractions (2 points)

The Service is aware that any business may receive the occasional notice of violation, penalty, fine, less than satisfactory public health rating, or similar regulatory notice from a federal, state, or local agency such as from the U.S. Public Health Service, OSHA, DOL, EPA, state or local department of health, etc. (hereinafter collectively referred to as "Infractions"). The Service is interested in understanding how your business manages these Infractions and your overall strategy to minimize Infractions.

Related Entities. In responding to this subfactor, consider the Offeror and all of its owners, directors, and officers (for corporations, their executive officers, directors, and controlling shareholders; for partnerships, their general partners; for limited liability companies, their managing members and managers, if any; and for joint ventures, each venturer) and all parent entities, subsidiaries and affiliated entities under the same primary organizational entity (e.g., all subsidiaries of the Offeror's parent entity), as well as all of the examples you provided for Subfactors 1(a) and 3(a).

Please note, the Service may consider its own information, including information from Annual Overall Rating reports, and other official, publicly available information, such as local department of health inspections, when reviewing your response.

Using not more than **five (5) pages**, including text, pictures, and graphs, demonstrate your understanding of the Service's concern.

- (1) List and describe all Infractions that have occurred in your and your Related Entities' operations in the past five years related to the services that are the same or similar to required or authorized by the Draft Contract: lodging, food and beverage, retail, campground, firewood sales, recreational equipment rental and visitor shuttle transportation. If you did not receive any such Infractions for a particular service, you must affirmatively state you considered that service and no Infractions occurred. If your response to Principal Selection Factor 3(a) included operations no longer controlled by the Offeror, Offeror-Guarantor, or a Related Entity, you must also describe all Infractions that have occurred in the past five years in those operations when the Offeror, Offeror-Guarantor, or a Related Entity controlled the operation.
- (2) Explain how you or your Related Entity responded to each Infraction, including actions you or your Related Entity took to prevent a recurrence of the Infraction.

Using not more than **three (3) pages**, including text, pictures, and graphs, provide the following information:

- (3) List, by name, the Related Entities (as defined below) you considered in providing the foregoing information.
- (4) Describe your overall strategy to minimize Infractions and how you resolve, or plan to resolve, Infractions when they do occur.

PRINCIPAL SELECTION FACTOR 4. THE FINANCIAL CAPABILITY OF THE OFFEROR TO CARRY OUT ITS PROPOSAL. (0-5 POINTS)

How to respond to Principal Selection Factor 4: *The Offeror should provide the information requested with the goal of clearly demonstrating that it has the financial capability to carry out its proposal. If any of the financial information provided is adverse, the Offeror should explain why and describe how it addressed any issues. If funding will be provided by any individuals or entities, clearly and succinctly explain how the funding will be transferred from those sources to the Offeror, including, if applicable, how it moves from various levels of superior or related entities to the Offeror.*

If the Offeror is not yet in existence, or the Offeror was formed recently and has no financial or operating history, please state this, and provide the information described below for each Offeror-Guarantor as identified in the Offeror's Transmittal Letter. Additionally, if the Offeror (or Offeror-Guarantor) anticipates that any individual or entity will provide financial assistance to the Offeror during the term of the Contract (e.g., for start-up costs or investments), please state this and provide the information described below for each such individual or entity. Failure to provide the required documentation may lead to the National Park Service determining your proposal is non-responsive and ineligible for award of the Draft Contract.

The Offeror must complete and submit all forms provided here and as appendices, including the Excel workbook and other documentation.

A table is provided at the end of Principal Selection Factor 4 that summarizes the forms and documentation you must submit per the following detailed instructions.

The Service will score Principal Selection Factor 4 based upon the entirety of your response to the instructions below. The instructions are numbered for organizational purposes.

(1) Demonstrate a credible, proven track record of meeting financial obligations, by providing the following:

Identify the Offeror, or each Offeror-Guarantor if applicable, and any individual or entity other than an accredited financial institution that will provide funding to the Offeror during the term of the Contract (for start-up costs, investments, etc.).

For each individual or entity identified above, provide:

- The completed **Business History Information form** provided at the end of this section.
- A **complete credit report**, dated within six months of the date of the proposal. The report must include scores and narratives, and you must submit the full report, not a screenshot of a specific score or specific section of the report. The report must be from a major credit reporting company such as Equifax, Experian, TransUnion, or Dun & Bradstreet. If the Offeror is not yet formed, include a credit report for each Offeror-Guarantor. An unavailability of scores from one major credit reporting company does not eliminate your responsibility to provide a complete credit report with scores. If an entity is a partnership or joint venture, a complete credit report must be provided for all general partners in a partnership (or deemed partnership, such as husband and wife), and all venturers in a joint venture.

(2) Demonstrate your business experience and financial capability by providing the following:

For the Offeror, or each Offeror-Guarantor if applicable, and any individual or entity other than an accredited financial institution that will provide funding to the Offeror during the term of the Draft Contract (for start-up costs, investments, etc.) provide audited financial statements (including all notes to the financial statements) for the two most recent fiscal years.

If audited financial statements are not available, explain in detail why they are not available and submit reviewed financial statements.

If neither audited nor reviewed financial statements are available, explain in detail why they are not available and submit compiled financial statements.

If audited, reviewed, or compiled financial statements are not available, explain in detail why they are not available and submit financial statements to which an authorized officer of the entity or the submitting individual, as applicable, attests to the accuracy and completeness of the financial statements.

If none of the financial statements listed above are available, explain why in detail and submit personal financial statements to which the submitting individual attests to their accuracy and completeness. If personal financial statements are provided for an entity, submit these for each of the entity's principals.

Note: Financial statements must be provided for all general partners in a partnership (or deemed partnership, such as husband and wife), and all venturers in a joint venture.

Additionally, if more than three months have elapsed since the end of the most recent fiscal year included in the financial statements, provide interim financial statements (at minimum, a balance sheet and income statement) that are dated within 10 weeks of the proposal due date for each Offeror, each Offeror-Guarantor, and any individual or entity (other than an accredited financial institution) providing funding to the Offeror during the term of the Contract (for startup costs, investments, etc.). The Service understands these interim financial statements are not likely to be audited or reviewed; the above-listed individuals or entities should state that the financial statements are compiled or have an authorized officer of each entity or the submitting individual, as applicable, attest to the accuracy and completeness of the interim financial statements.

If any of the above-listed individuals' or entities' financial position has substantially changed from the most recent fiscal year, provide a narrative to help the Service understand any changes to their financial position.

(3) Demonstrate that your proposal is financially viable and that you understand the financial obligations of the Draft Contract by providing your projections on the following forms in the provided Excel workbook:

Investments and Investments Assumptions forms:

- Fully explain the methodology and the assumptions used to develop the estimates for the line items included in the Total Initial Investment and Start-up Expenses of the business. The information provided (both estimates and assumptions) should include sufficient detail to allow a reviewer to understand how you determined the estimates.
- If you are the Existing Concessioner and do not anticipate any additional initial investment or start-up costs, please provide the value of your existing assets in the appropriate section and state that you

consider the current personal property and assets adequate to operate this concession opportunity successfully.

Income Statement, Income Statement Assumptions, Operating Assumptions, Cash Flow Statement, Cash Flow Statement Assumptions, Recapture of Investment, and Recapture of Investment Assumptions forms:

- Use the forms to provide estimates of prospective revenues, expenses, and cash flows of the concession business for the entire term of the Draft Contract. Use the forms to explain your financial projections and assumptions that support your financial projections.
- Include the recapture amount and assumptions you expect at the end of the Contract in the *Cash Flow Statement, Cash Flow Statement Assumptions, Recapture of Investment, and Recapture of Investment Assumptions* forms and not the *Income Statement* form.

Indicate whether you intend to offer employee housing outside the Park within the Operating Assumptions form and include the related expenses in the appropriate forms.

Below are general notes regarding the provided forms found in the Excel workbook included as an Appendix to the Prospectus.

- The Service has provided forms that request the information in the required format. These forms may differ from the format and requirements set forth in generally accepted accounting principles (GAAP) or generally accepted auditing standards (GAAS). The Service does NOT request that the information provided on these forms be reviewed in accordance with GAAS.
- Do not add or eliminate rows or columns on the Excel forms provided. If you wish to provide additional financial information, do so in additional spreadsheets, outside of the ones provided. If additional financial information is provided, clearly explain how it rolls up or applies to the provided forms.
- Provide a clear and concise narrative explanation of the method(s) used to prepare the estimates and the assumptions on which your projections are based. Provide sufficiently detailed and complete information to fully explain how you determined your estimates. If you make commitments in other sections of your proposal, please clearly account for the related expenses or investments for those commitments in the appropriate form in the Excel workbook; you may include an additional spreadsheet that identifies these specific commitments and where you account for the investment in your proposal. The Service will not evaluate expanded or additional commitments related to a response to another selection factor that exceed the page limits for that response. Include the cost amounts for the Concession Facility Improvement Program (CFIP), deferred maintenance (DM), or other significant investments, in these forms so the Service understands how you intend to fund the investments.

(4) Demonstrate your ability to obtain the funds necessary to operate under the Contract by providing the following:

Explain how you will fund the initial investment, including start-up costs, and additional investments (e.g., CFIP, PPIRs, CRR, DM) required throughout the term of the Contract.

Note: The financial arrangements you propose here should be reflected in your responses on the forms in the provided Excel workbook.

If funding is provided from another level of your organization, such as a parent or related entity, clearly explain how funding transfers from each level and ultimately to the Offeror and obtain clear commitments, as evidenced through the documents requested below, at each level. If the Offeror is obtaining even a portion of the necessary funds from another individual or entity, including accredited financial institutions, the Service must be able to determine from the documents submitted that the Offeror is highly likely to obtain either the stated amount or an amount in excess of the stated amount, from an individual or entity with sufficient financial capability to provide the funds. The documentation requested below is intended to help the Service clearly reach this determination.

The more definite the terms stated in the documentation and the more comprehensive the documentation, the more likely the Service is to find the Offeror's ability to obtain the required funds credible.

- (a) If you will use funds from cash on hand or operating cash flows from the Offeror's current business, document and provide sources and proof of availability of these funds. At a minimum, provide the information requested under each bullet point:
- Provide current (no more than 30 days prior to the proposal due date) financial institution documents (including investment accounts) that verify the accounts and account balances to provide proof of the available funding. Financial institution account statements must include the name of the account holder and a date.
 - Provide a statement from the Offeror stating that funds are available and not committed to other sources.
 - Provide a list of assets to be sold and their anticipated value (if applicable).
 - If information provided in your financial statements or financial institution account statements contradict the appearance of available funds, provide additional narrative to explain how funding will be available from cash on hand or operating cash flows from the existing business by the effective date of the Draft Contract. Include an explanation of how you will meet your financial obligations under the Draft Contract should these assumptions fail to occur.
- (b) If an accredited financial institution will provide funding, provide supporting information including, but not limited to, documents that describe the approximate amount of the loan(s) and whether the loan(s) will result in an encumbrance requiring Service approval under 36 C.F.R. § 51.86.¹ Additionally, provide the following information:

¹ If the loan or financial arrangement will result in an encumbrance requiring Service approval under 36 C.F.R. § 51.86, and the Offeror is selected for award of the Draft Contract, then the Offeror will be required to submit to the Service a separate package seeking approval of the encumbrance.

- Include a commitment letter (addressed to the National Park Service from the financial institution on the financial institution's letterhead and dated no more than 30 days prior to the proposal due date) stating the amount of funds that have been or will be made available to the Offeror. The letter must outline the financial institution's historical relationship with the Offeror. Specifically, the financial institution should provide the following information: number of years of the relationship; description and amount of all credit facilities extended to the Offeror along with the Offeror's average annual outstanding balance and current outstanding balance; current account balance; and statement of whether the Offeror has met all obligations with the financial institution as required and other conditions required for the financial institution to provide the Offeror the funds.

Note: The more definite the terms provided in the documentation of the potential loan or financial arrangement, the more likely the Service will be to find the Offeror's ability to obtain the required funds credible.

- (c) If an Offeror-Guarantor, individual, or entity other than an accredited financial institution will provide funding, provide the information requested under each bullet point for each individual or entity providing funding. If funds will be obtained from an Offeror-Guarantor, individual, or entity whose primary fund source is an individual, provide the information requested under each bullet point with respect to such individual. If funds will be obtained from another source (e.g., an entity whose primary fund source is not an individual), provide the information requested under each bullet point for each source:
- Provide current (no more than 30 days prior to the proposal due date) financial institution documents (including investment accounts) that verify the account(s) and account balance(s) to provide proof of the available funding. Financial institution account statements must include the name of the account holder and a date.
 - Provide a statement from the account holder stating that funds are available and not committed to other sources.
 - Include a commitment letter from the funding source stating the approximate amount of the financial assistance, the terms of the financial arrangement (if a loan, provide the information requested under 4.b), and whether the arrangement will result in an encumbrance requiring Service approval under 36 C.F.R. § 51.86.
 - Provide a list of assets to be sold and their anticipated value (if applicable).
 - Provide any other assurances or documents that demonstrate that the funds are available, including documentation from independent sources.
 - If information provided in the financial statements or financial institution account statements contradict the appearance of available funds, provide additional narrative to explain how funding will be available from cash on hand or operating cash flows from the existing business by the effective date of the Draft Contract. Include an explanation of how you will meet your financial obligations under the Draft Contract should these assumptions fail to occur.

PRIVACY ACT STATEMENT

Authority: The authority to collect information on the attached form is derived from 54 U.S.C. 1019, Concessions and Commercial Use Authorizations.

Purpose: The purposes of the system are to assist NPS employees in managing the National Park Service Commercial Services program allowing commercial uses within a unit of the National Park System to ensure that business activities are conducted in a manner that complies with Federal laws and regulations and to evaluate offerors who desire to conduct or are conducting business within units of the National Park System.

Routine Uses: In addition to those disclosures generally permitted under 5 U.S.C. 552a(b) of the Privacy Act, records or information contained in this system may be disclosed outside the National Park Service as a routine use pursuant to 5 U.S.C. 552a(b)(3) to other Federal, State, territorial, local, tribal, or foreign agencies and other authorized organizations and individuals based on an authorized routine use when the disclosure is compatible with the purpose for which the records were compiled as described under the system of records notice INTERIOR/NPS-15, Concessions Management Files 48 FR 51696 (November 10, 1983); Modification published 73 FR 63992 (October 28, 2008) and 86 FR 50156 (September 7, 2021). This notice can be found at <https://www.doi.gov/privacy/sorn>.

Disclosure: Providing your information is voluntary, however, failure to provide the requested information may impede the evaluation of your proposal in response to available concession opportunities.

PAPERWORK REDUCTION ACT STATEMENT

We collect this information under the authority of Title IV of the National Parks Omnibus Management Act of 1998 (Pub. L. 105-391). We use this information to evaluate a concession proposal. Your response is required to obtain or retain a benefit. We may not collect, or sponsor and you are not required to respond to a collection of information unless it displays a currently valid OMB control number. OMB has approved this collection of information and assigned Control No. 1024-0029.

ESTIMATED BURDEN STATEMENT

We estimate that it will take you 1 hour to complete this form, including time to review instructions, gather and maintain data, and complete and review the form. You may send comments on the burden estimate or any aspect of this form to the Information Collection Clearance Officer, National Park Service, 1201 Oakridge Drive, Fort Collins, CO 80525. Please do not send your completed form to this address.

PRINCIPAL SELECTION FACTOR 5. THE AMOUNT OF THE PROPOSED MINIMUM FRANCHISE FEE AND OTHER FORMS OF FINANCIAL CONSIDERATION TO THE DIRECTOR. (0-4 POINTS)

The minimum franchise fee acceptable to the Service is as follows:

Minimum % Required	Tiered Gross Receipts
9.0%	of gross receipts for annual gross receipts from \$0 to \$5,000,000; plus
13.0%	of gross receipts for annual gross receipts from \$5,000,001 to \$9,000,000; plus
16.0%	of gross receipts for annual gross receipts greater than \$9,000,000

The offer of a higher franchise fee than this minimum is generally beneficial to the Service and accordingly will generally result in a higher score under this selection factor; however, consideration of revenue to the United States is subordinate to the objectives of protecting, conserving, and preserving resources of the park area and of providing necessary and appropriate visitor services to the public at reasonable rates.

State the amount of franchise fee you propose for each tier in the chart below. Such fee must be at least equal to the minimum franchise fee (see above) for that tier and expressed as a percentage of annual gross receipts. Do not propose additional tiers and do not change the gross receipts thresholds of each tier.

Gross Receipts Tier	Proposed Franchise Fee (% of Annual Gross Receipts)
\$0 to \$5,000,000	
from \$5,000,001 to \$9,000,000	
greater than \$9,000,000	

SECONDARY SELECTION FACTOR 1. THE QUALITY OF THE OFFEROR'S PROPOSAL TO CONDUCT ITS OPERATIONS IN A MANNER THAT FURTHERS THE PROTECTION, CONSERVATION, AND PRESERVATION OF THE PARK AND OTHER RESOURCES THROUGH ENVIRONMENTAL MANAGEMENT PROGRAMS AND ACTIVITIES, INCLUDING, WITHOUT LIMITATION, ENERGY CONSERVATION, WASTE REDUCTION, AND RECYCLING. (0-3 POINTS)

Note to Offeror: *This question focuses on environmental management programs and activities that promote general environmental objectives. Avoid overlap between your response here and your response to other selection factors. Do not repeat the minimum requirements as specified in the Operating and Maintenance Plans.*

Minimizing the Environmental Footprint of Waste

The Service is interested in strategies related to reducing waste and environmental impacts throughout the operations required by the Draft Contract. Offerors should reference minimum requirements for solid waste reduction, storage, collection, and disposal in the Draft Contract, Exhibit H (Maintenance Plan), Section 4(F) in providing responses that exceed these minimums.

Using not more than **two (2) pages**, including all text, pictures, graphs, etc.:

- (1) Describe strategies to minimize the environmental footprint of waste produced by your overall operations under the Draft Contract. Provide a description of all waste reducing initiatives including sustainable and reduced packaging material, reusable tableware, and reusable drinkware. This may include source reduction efforts for wastes such as food waste, paper, metal and other materials, as well as waste disposal options such as innovative reuse and recycling programs for plastic, food, and other waste types.

Offerors should not propose strategies that would commit to the elimination of single use plastics, the use of paper straws, or any other action that conflicts with [Secretarial Order 3430 \(Rescission of Secretary's Order \(SO\) 3407, "Department-Wide Approach to Reducing Plastic Pollution"\)](#) or [Executive Order 14208 \(Ending Procurement and Forced Use of Paper Straws\)](#).

- (2) Describe the commitments you will make to locally sourced supplies, materials, and products used in your operation.

Note: Concessioners may implement programs to reduce plastic waste in their operations voluntarily; however, any such action proposed by an Offeror will not be evaluated or included in the awarded contract as a requirement.

SECONDARY SELECTION FACTOR 2. THE QUALITY OF THE OFFEROR'S PROPOSAL TO PROVIDE QUALITY EMPLOYEE HOUSING AND LIVING CONDITIONS (0-3 POINTS)**Employee Retention, Well-being, and Living Conditions**

A high quality, motivated staff is a critical component of meeting visitor needs at Olympic National Park. The Service recognizes that the remoteness of the concession operation and challenges related to housing supply can contribute to staffing struggles, turnover, and worker shortages.

Using no more than **two (2) pages**, including all text, pictures, graphs, etc., demonstrate your commitment to providing quality employee housing and living conditions by addressing the following:

- (1) Describe how you will enhance your employees' well-being, including how you will incorporate emotional, mental, and psychological safety in your operations.
- (2) Describe how you will enhance and improve the in-Park employee housing experience, beyond the required employee housing RV site CFIP project, such as through personal property upgrades or other programs.

Note: In response to part 2 of this Secondary Selection Factor, Offerors may propose real property improvements that generate Leasehold Surrender Interest (LSI), including new fixtures and major rehabilitation projects, provided these improvements do not include other new construction, as those terms are defined in the Notice to Offerors section of this Proposal Package, or in 36 C.F.R. § 51.51, as applicable. Offerors must clearly identify any proposed LSI-eligible capital improvements and personal property improvements and upgrades and associated costs in their responses to Principal Selection Factor 4 by line-item with related explanatory assumptions. Should the Offeror elect to waive LSI in fixtures, that waiver will also include any fixtures associated with the improvements committed to in response to this selection factor question.

- (3) Describe actions you will take to incentivize the retention of high-performing, quality employees.
