- (2) The Director may terminate this Contract if the Director determines that the Concessioner has materially breached any requirement of this Contract.

(3) In the event of a breach of the Contract, the Director will provide the Concessioner an opportunity to cure by providing written notice to the Concessioner of the breach. In the event of a monetary breach, the Director will give the Concessioner a fifteen (15) day period to cure the breach. If the breach is not cured within that period, then the Director may terminate the Contract for default. In the event of a nonmonetary breach, if the Director considers that the nature of the breach so permits, the Director will give the Concessioner thirty (30) days to cure the breach, or to provide a plan, to the satisfaction of the Director, to cure the breach over a specified period of time. If the breach is not cured within this specified period of time, the Director may terminate the Contract for default. Notwithstanding this provision, repeated breaches (two or more) of the same nature will be grounds for termination for default without a cure period. In the event of a breach of any nature, the Director may suspend the Concessioner's operations as appropriate in accordance with Section 8(a).

(b) Requirements in the Event of Suspension, Termination or Expiration

(1) In the event of suspension or termination of this Contract for any reason or expiration of this Contract, no compensation of any nature will be due the Concessioner, including, but not limited to, compensation for personal property, or for losses based on lost income, profit, or the necessity to make expenditures as a result of the termination.

(2) Upon termination of this Contract for any reason, or upon its expiration, and except as otherwise provided in this section, the Concessioner must, at the Concessioner's expense, promptly vacate the Area, remove all of the Concessioner's personal property, and repair any injury caused by removal of the property. This removal must occur within thirty (30) days (unless the Director in particular circumstances otherwise determines). Personal property not removed from the Area will be considered abandoned property subject to disposition by the Director, at full cost and expense of the Concessioner.

(3) Prior to and upon the expiration or termination of this Contract for any reason, and, in the event that the Concessioner is not to continue the operations authorized under this Contract after its expiration or termination, the Concessioner shall comply with all applicable requirements of Exhibit E to this Contract, "Transition to a New Concessioner." This section and Exhibit E shall survive the expiration or termination of this Contract.

SEC. 9. ASSIGNMENT, SALE OR ENCUMBRANCE OF INTERESTS

However, only revenues actually received by the Concessioner from coin-operated telephones must be included in gross receipts. All revenues received from charges for in-room telephone or computer access must be included in gross receipts.

(g) "Superintendent" means the manager of the respective National Park System unit within the Area.

(h) "Visitor Services" means the accommodations, facilities and services that the Concessioner is required and/or authorized to provide by this Contract.

(i) "Gross receipts of subconcessioners" means the total amount received or realized by, or accruing to, subconcessioners from all sources, as a result of the exercise of the rights conferred by a subconcession contract. (j) "Oversnow vehicle" means a snowmobile, snowcoach, or other motorized vehicle that is intended for travel primarily on snow and has been authorized by the Superintendent to operate in the Area. 2. LEGAL AND REGULATORY COMPLIANCE

The Concessioner must give the Director immediate written notice of any violation of Applicable Laws by the Concessioner, including its employees, agents or Contractors, and must promptly correct any violation.

3. SERVICES AND OPERATIONS

(a) All promotional material, regardless of media format (i.e., printed, electronic, broadcast media), provided to the public by the Concessioner in connection with the services provided under this Contract must be approved in writing by the Director prior to use. All such material will identify the Concessioner as an authorized Concessioner of the National Park Service, Department of the Interior.

(d) Subconcession contracts. The Concessioner may enter into a subconcession contract with respect to the exercise by others of the privileges granted by this Contract. A subconcessioner may provide the services required or authorized in Section 2 of this Contract by either snowcoach or snowmobile, but not by both, and will be solely responsible for all required or authorized services using that type of oversnow vehicle. If the Director approves such a subconcession contract, the Concessioner remains solely responsible for all required or authorized services using the other type of oversnow vehicle. Any such subconcession contract will be effective only if and when approved by the Director pursuant to 36 C.F.R. § 51.87, including that the subconcessioner is a qualified person as defined in 36 C.F.R. § 51.3. Any such subconcession contract must contain at least the minimum terms required by the Service as set forth in Appendix 1 to this Contract. If the Director approves a proposed subconcession contract, the Concessioner must pay to the Director within 45 days after December 31st each year or portion of year a sum equal to fifty percent (50%) of any and all fees, commissions, or compensation payable to the Concessioner thereunder, other than the subconcessioner's payment of franchise fees to the Concessioner. This payment is in addition to the franchise fee payable to the Director on the gross receipts of the subconcessioner as provided for in Section 5 of this Contract. The Concessioner may not enter into management agreements with third parties concerning the provision of visitor services required or authorized under this Contract.

(e) The Concessioner will ensure that any protected sites and archeological resources within the Area are not disturbed or damaged by the Concessioner's activities. Discoveries of any archeological resources by the Concessioner will be promptly reported to the Director.

(a) Inventory of Hazardous Substances and Inventory of Waste Streams

The Concessioner must submit to the Director, upon request, an inventory of hazardous chemicals used and stored in the Area by the Concessioner. The Concessioner must obtain the Director's approval prior to using any extremely hazardous substance, as defined in the Emergency Planning and Community Right to Know Act of 1986, in operations under this Contract. The Concessioner must also submit to the Director, upon request, an inventory of all waste streams generated by the Concessioner under this Contract.

(b) Reports

The Concessioner must also submit to the Director any environmental plans for which coordination with Area operations are necessary and appropriate, as determined by the Director in accordance with Applicable Laws.

(c) Notification of Releases

The Concessioner must give the Director immediate written notice of any discharge, release or threatened release (as these terms are defined by Applicable Laws) within or at the vicinity of the Area (whether solid, semi-solid, liquid or gaseous in nature) of any hazardous or toxic substance, material, or waste of any kind, including, without limitation, building materials such as asbestos, or any contaminant, pollutant, petroleum, petroleum product or petroleum by-product.

(d) Notice of Violation

The Concessioner must give the Director in writing immediate notice of any written threatened or actual notice of violation from other regulatory agencies of any Applicable Law arising out of the activities of the Concessioner, its agents or employees.

(e) Communication with Regulatory Agencies

The Concessioner must provide timely written advance notice to the Director of communications, including without limitation, meetings, audits, inspections, hearings and other proceedings, between regulatory agencies and the Concessioner related to compliance with Applicable Laws concerning operations under this Contract. The Concessioner must also provide to the Director any written materials prepared or received by the Concessioner in advance of or subsequent to any such communications. The Concessioner must allow the Director to participate in any such communications. The Concessioner must also provide timely notice to the Director following any unplanned communications between regulatory agencies and the Concessioner.

(f) Cost Recovery for Concessioner Environmental Activities

If the Concessioner does not promptly contain and remediate an unauthorized discharge or release arising out of the activities of the Concessioner, its employees, agents and Contractors, as set forth in this section, or correct any environmental self-assessment finding of non-compliance, in full compliance with Applicable Laws, the Director may, in its sole discretion and after notice to the Concessioner, take any such action consistent with Applicable Laws as the Director deems necessary to abate, mitigate, remediate, or otherwise respond to such release or discharge, or take corrective action on the environmental self-assessment finding. The Concessioner will be liable for and must pay to the Director any costs of the Director associated with such action upon demand. Nothing in this section precludes the Concessioner from seeking to recover costs from a responsible third party.

5. FEES

(a) Adjustment of Franchise Fee

(1) The Concessioner or the Director may request, in the event that either considers that extraordinary, unanticipated changes have occurred after the effective date of this Contract, a reconsideration and possible subsequent adjustment of the franchise fee established in this section. For the purposes of this section, the phrase "extraordinary, unanticipated changes" will mean extraordinary, unanticipated changes from the conditions existing or reasonably anticipated before the effective date of this Contract which have or will significantly affect the probable value of the privileges granted to the Concessioner by this Contract. For the purposes of this section, the phrase "probable value" means a reasonable opportunity for net profit in relation to capital invested and the obligations of this Contract.

(2) The Concessioner or the Director must make a request for a reconsideration by mailing, within sixty (60) days from the date that the party becomes aware, or should have become aware, of the possible extraordinary, unanticipated changes, a written notice to the other party that includes a description of the possible extraordinary, unanticipated changes and why the party believes they have affected or will significantly affect the probable value of the privileges granted by this Contract.

(3) If the Concessioner and the Director agree that extraordinary, unanticipated changes have occurred, the Concessioner and the Director will undertake good faith negotiations as to an appropriate adjustment of the franchise fee.

(4) The negotiation will last for a period of sixty (60) days from the date the Concessioner and the Director agree that extraordinary, unanticipated changes occurred. If the negotiation results in agreement as to an adjustment (up or down) of the franchise fee within this period, the franchise fee will be adjusted accordingly, prospectively as of the date of agreement.

(5) If the negotiation does not result in agreement as to the adjustment of the franchise fee within this sixty (60) day period, then either the Concessioner or the Director may request binding arbitration to determine the adjustment to franchise fee in accordance with this section. Such a request for arbitration must be made by mailing written notice to the other party within fifteen (15) days of the expiration of the sixty (60) day period.

(6) Within thirty (30) days of receipt of such a written notice, the Concessioner and the Director will each select an arbiter. These two arbiters, within thirty (30) days of selection, must agree to the selection of a third arbiter to complete the arbitration panel. Unless otherwise agreed by the parties, the arbitration panel will establish the procedures of the arbitration. Such procedures must provide each party a fair and equal opportunity to present its position on the matter to the arbitration panel.

(7) The arbitration panel will consider the written submissions and any oral presentations made by the Concessioner and the Director and provide its decision on an adjusted franchise fee (up, down or unchanged) that is consistent with the probable value of the privileges granted by this Contract within sixty (60) days of the presentations.

(8) Any adjustment to the franchise fee resulting from this section will be prospective only.

(9) Any adjustment to the franchise fee will be embodied in an amendment to this Contract.

(10) During the pendency of the process described in this section, the Concessioner will continue to make the established franchise fee payments required by this Contract.

6. INDEMNIFICATION

The Concessioner agrees to assume liability for and does hereby agree to save, hold harmless, protect, defend and indemnify the United States of America, its agents and employees from and against any and all liabilities, obligations, losses, damages or judgments (including without limitation penalties and fines), claims, actions, suits, costs and expenses (including without limitation attorneys fees and experts' fees) of any kind and nature whatsoever on account of fire or other peril, bodily injury, death or property damage, or claims for bodily injury, death or property damage of any nature whatsoever, and by whomsoever made, in any way connected with or arising out of the activities of the Concessioner, its employees, agents or Contractors under this Contract. This indemnification will survive the termination or expiration of this Contract.

7. NOTICE OF BANKRUPTCY OR INSOLVENCY

The Concessioner must give the Director immediate notice (within five (5) days) after the filing of any petition in bankruptcy, filing any petition seeking relief of the same or different kind under any provision of the Bankruptcy Act or its successor, or making any assignment for the benefit of creditors. The Concessioner must also give the Director immediate notice of any petition or other proceeding against the Concessioner for the appointment of a trustee, receiver, or liquidator, or, the taking by any person or entity of the rights granted by this Contract or any part thereof upon execution, attachment or other process of law or equity. For purposes of the bankruptcy statutes, NPS considers that this Contract is not a lease but an executory Contract exempt from inclusion in assets of Concessioner pursuant to 11 U.S.C. 365. The Director may terminate this Contract if the Director determines that the Concessioner is unable to perform the terms of Contract due to such bankruptcy or insolvency action.

8. ADDITIONAL PROVISIONS
