National Park Service

**CONCESSION CONTRACT No. CC-ROMO004-26**

**PROPOSAL SUBMISSION TERMS & CONDITIONS**

1. The Offeror's Transmittal Letter set forth below indicates your acceptance of the terms and conditions of the concession opportunity as set forth in this Prospectus. It indicates your intention to comply with the terms and conditions of the Contract. **The letter, submitted without alteration, must bear original signatures.** The National Park Service (Service) will review the entire Proposal Package to determine whether your proposal in fact accepts without condition the terms and conditions of this Prospectus. If it does not accept without condition the terms and conditions of this Prospectus, your proposal may be considered non-responsive, even if you submitted an unconditional Offeror's Transmittal Letter.
2. The Proposal Package is drafted upon the assumption that an Offeror is the same legal entity that will execute the new concession Contract as the Concessioner. If the entity that is to be the Concessioner is not in existence as of the time of submission of a proposal, or the Offeror was formed recently and has no financial or operating history, the proposal must demonstrate that the individual(s) or entity(ies) (hereinafter Offeror-Guarantor(s)) that intends to establish the entity that will become the Concessioner has the ability and is legally obliged to cause the entity to be financially and managerially capable of carrying out the terms of the Contract. In addition, the Offeror-Guarantor must unconditionally state and guarantee in its proposal that the Offeror-Guarantor will provide the Concessioner with all funding, management, and other resources that the Draft Contract requires, and the proposal offers.

## SELECTION FACTORS

### Response Format

- 1) Please number each page and section in your completed proposal. Add information to your proposal only to the extent that it is necessary and relevant to respond to the selection factor. Each page should have a heading identifying the selection factor and subfactor to which the information contained on the page responds. It is important that your response stays within the organizational framework in the Proposal Package and provides all relevant information directly in response to each selection factor. The Service may consider relevant information contained elsewhere in a proposal in assessing the proposal's response to each particular selection factor.
- 2) The evaluation panel will only take firm commitments into account when evaluating proposals. Responses that include terms such as "look into," "research," "may," "if feasible," and similar terms are not considered as firm commitments. In addition, the Service considers responses that include a specific time for commitment implementation as a stronger response. For example, "XXX commits to provide recycling containers in each lodging room by December of 2023."
- 3) Where page limits are set out in the Proposal Package, the Service will not review or consider the information on any pages that exceed the page limitations stated, including attachments, appendices, or other additional materials the Offeror submits. The Service would like to see clear and concise answers. A longer answer will not necessarily be considered a better answer.
- 4) The Service considers text on two sides of one sheet of paper as two pages.
- 5) Offerors must use letter-size paper unless a subfactor asks for schematics or drawings, in which case Offerors may use legal or ledger-size paper for the schematics or drawings. Offerors must use 11- or 12-point font for all text within the proposal, including all tables, charts, graphs, and provided forms. The Service will accept images of sample material with smaller fonts.
- 6) Page margins must be 1 inch. Page numbers and identifications of confidential information may appear within the margins.

**PRINCIPAL SELECTION FACTOR 1. THE RESPONSIVENESS OF THE PROPOSAL TO THE OBJECTIVES, AS DESCRIBED IN THE PROSPECTUS, OF PROTECTING, CONSERVING, AND PRESERVING RESOURCES OF THE PARK. (0-5 POINTS)****Service Objectives:**

**Note to Offeror:** To assist the Service in the evaluation of proposals under this and other selection factors, provide the following information regarding the organizational structure of the business entity that will execute the Draft Contract. This organizational structure information will not be scored for selection purposes but may be used for assessing responses to various selection factors. If the Offeror is not yet in existence, the Offeror-Guarantor(s) should describe its own experience and explain how such experience will carry over to the Offeror entity.

**Offeror's Organizational Structure**

**Notes to Offeror and/or Offeror-Guarantor:**

If you cannot obtain a Business Credit Report, submit Personal Credit Reports for each Offeror. For partnerships, submit a personal Credit Report for each general partner. Corporations must submit a Business Credit Report.

In the event the Offeror is not yet in existence, submit credit reports for each Offeror-Guarantor. Submit a Business Credit Report if the Offeror-Guarantor is a business entity. Submit a Personal Credit Report if the Offeror-Guarantor(s) is an individual.

- 3) Complete the appropriate **Financial Statements** as described below:

**Business Entities:** The Service requires all existing business entities to submit Business Financial Statements.

Provide, at a minimum, an audited or reviewed (i) Income Statement for the two most recent fiscal years and (ii) Balance Sheets (1) for the most recent fiscal year and (2) as of the end of the most recent month prior to the submission of your proposal. Business Financial Statements should reflect the entity's business as a whole, including all operations both inside and outside of the Area.

If the entity does not have audited or reviewed Financial Statements, complete **Table 1:** Most Recent Fiscal Year Balance Sheet, **Table 2:** the Most Recent Month Balance Sheet, and **Table 3:** the Historical Income Statement provided below. The Tables can be found at the end of this Principal Selection Factor 4 section.

**Sole Proprietors:** The Service requires Sole Proprietors to submit Personal Financial Statements.

Complete **Table 4:** Personal Financial Statements provided below. The Table can be found at the end of this Principal Selection Factor 4 section.

**Notes to Offeror and/or Offeror-Guarantor on Financial Statements:**

The Service needs this information to verify there are enough funds available to be able to pay the required expenses to operate the Draft Contract and satisfy any other existing debt. If the Offeror's total debts exceed current assets, provide a narrative explaining how these debts will be paid.

Financial Statements include both an Income Statement and a Balance Sheet. An Income Statement lists all of your income and expenses as of the last day of your most recent fiscal year. A Balance Sheet lists everything that you own and everything that you owe as of a certain date.

By signing the Offeror's Transmittal Letter, you certify that the information you provide is complete, true, and correct.

If an Offeror is not yet formed, each Offeror-Guarantor should submit the appropriate Financial Statements as set forth above.

In the event the Offeror is not yet in existence, submit financial statements for each Offeror-Guarantor. Submit Business Financial Statements if the Offeror-Guarantor is a business entity. Submit Personal Financial Statements if the Offeror-Guarantor(s) is an individual.

**Subfactor 4(b). Demonstrate your proposal is financially viable and that you understand the financial obligations of the Draft Contract by providing the following:**

**1) Personal Property**

Using **Table 5a**, list all currently owned personal property with monetary value equal to or exceeding \$750 that you will use for **your operations inside of the Park** and provide an estimate of its current value. Unlike Subfactor 4a, do not include any personal property for your operations outside of the Park.

Using **Table 5b**, list all of the personal property with monetary value equal to or exceeding \$750 that you will intend to acquire to use for this operation.

The Tables can be found at the end of this Principal Selection Factor 4 section.

**2) Start-Up Costs**

Estimate the start-up costs needed to begin operating the business (within the Park only) and use those estimates to complete the **Table 6**. **Only provide estimates for those items you need to acquire in order to begin operating. Do not include costs for items you already own.** For working capital (cash), estimate the amount of cash you will need to have available after purchasing the other items (describe) in order to begin operating the business. For example, working capital would include salaries and rent you will pay before you generate income from the operations in the Park.

The total "Value of Personal Property Investment that will be Acquired Prior to Operation" that you listed in the previous table should be equal to the amount you list for Personal Property in this table.

The Table can be found at the end of this Principal Selection Factor 4 section.

**3) Operating Projections**

- a)** Based on the condition of your personal property provided or purchased for the operation, attach a list of items using **Table 7** that you will need to replace during the term of the Draft Contract. Include the anticipated year for the expenditure, the quantity of item(s) to be replaced, the description of the item(s), the approximate total value of the replacement, and how you plan to pay for the personal property replacement. (For example, cash, bank loan etc.).

If your projected expenditures for personal property investments exceeds \$750, provide an explanation of how you will fund the investment.

If you will not need to replace personal property during the term of the Draft Contract, explain your reasoning.

Add or remove rows for years as needed in **Table 7**. The Table can be found at the end of this Principal Selection Factor 4 section.

- b)** Demonstrate that your proposal is financially feasible and that you will have a reasonable opportunity to make a profit from your business while carrying out the terms and conditions of the Draft Contract by completing **Table 8: Prospective Income Statement**. The Table can be found at the end of this Principal Selection Factor 4 section.

- Estimate the amount of income and expenses for the proposed operation for the first year of operation. We included blank lines on the prospective income statement for your estimates for expense categories we did not list. Describe those categories on the blank lines.
- Include only revenues and expenses related to the services required and authorized by the Draft Contract inside the Park. Do not include other services you may provide outside the Park.

Fully explain the assumptions on which you base your projections and provide sufficient details so we fully understand your assumptions. Provide revenue estimates by department, if applicable. If the projections show significantly increased revenues from the projections provided in the prospectus, provide a full explanation of the changes.

**Note to Offeror:** If you are not familiar with making these types of projections, you should consult an accountant or business advisor.

**Additional Instructions for completing Table 8: Prospective Income Statement:**

- Line 1: You must base the revenue projections on the current NPS approved rate schedule (see Draft Operating Plan for Rate Administration). If applicable, show revenues by departments (separate revenue activities - e.g., float trips, fishing trips, etc.).
- Line 8a: Administrative and General includes the costs of managing the business and may include items such as: credit card commissions; legal and accounting fees; travel; meals and entertainment; postage and printing; professional training; telecommunications expenses; etc.
- Line 10a: Insurance: As required in Exhibit D of the Draft Contract
- Line 13: Earnings before Interest, Taxes, Depreciation and Amortization

Subfactor	Forms and Documentation
<b>4b</b>	Complete <b>all</b> the following: Table 5a, Table 5b, Table 6, Table 7, Table 8. If you do not complete a table, explain why you did not complete it.

**Subfactor 4(c). Demonstrate your ability to obtain the funds necessary to operate under the Contract by providing the following:**

Explain how you will fund the initial investment, including start-up costs and initial operating expenses (working capital, personal property, etc.).

If funding is provided from another level of your organization, such as a parent or related entity, clearly explain how funding transfers from each level and ultimately to the Offeror and obtain clear commitments, as evidenced through the documents requested below, at each level. If the Offeror is obtaining even a portion of the necessary funds from another individual or entity, including accredited financial institutions, the Service must be able to determine from the documents submitted that the Offeror is highly likely to obtain either the stated amount, or an amount in excess of the stated amount, from an individual or entity with sufficient financial capability to provide the funds. The documentation requested below is intended to help the Service clearly reach this determination.

The more definite the terms stated in the documentation and the more comprehensive the documentation, the more likely the Service is to find the Offeror's ability to obtain the required funds credible.

- a) **If you will use funds from cash on hand or operating cash flows from the Offeror's current business,** document and provide sources and proof of the availability of these funds. At a minimum, provide the information requested under each bullet point.
- Provide current (no more than 30 days prior to the proposal due date) financial institution documents (including investment accounts) that verify the accounts and account balances to provide proof of the available funding. Financial institution account statements must include the name of the account holder and a date.
  - Provide a statement from the Offeror stating that funds are available and not committed to other sources.
  - Provide a list of assets to be sold and their anticipated value (if applicable).
  - If information provided in your financial statements or financial institution account statements contradict the appearance of available funds, provide additional narrative to explain how funding

will be available from cash on hand or operating cash flows from the existing business by the effective date of the Draft Contract. Include an explanation of how you will meet your financial obligations under the Draft Contract should these assumptions fail to occur.

- b) If an accredited financial institution will provide funding, provide supporting information including, but not limited to, documents that describe the approximate amount of the loan(s) and whether the loan(s) will result in an encumbrance requiring Service approval under 36 C.F.R. § 51.86.<sup>1</sup> Additionally, provide the following information:
- Include a commitment letter (addressed to the National Park Service from the financial institution on the financial institution's letterhead and dated no more than 30 days prior to the proposal due date) stating the amount of funds that have been or will be made available to the Offeror. The letter must outline the financial institution's historical relationship with the Offeror. Specifically, the financial institution should provide the following information: number of years of the relationship; description and amount of all credit facilities extended to the Offeror along with the Offeror's average annual outstanding balance and current outstanding balance; current account balance; and statement of whether the Offeror has met all obligations with the financial institution as required and other conditions required for the financial institution to provide the Offeror the funds.

Note: The more definite the terms provided in the documentation of the potential loan or financial arrangement, the more likely the Service will be to find the Offeror's ability to obtain the required funds credible.

- c) If an Offeror-Guarantor, individual, or entity other than an accredited financial institution will provide funding, provide the information requested under each bullet point for each individual or entity providing funding. If funds will be obtained from an Offeror-Guarantor, individual, or entity whose primary fund source is an individual, provide the information requested under each bullet point with respect to such individual. If funds will be obtained from another source (e.g., an entity whose primary fund source is not an individual), provide the information requested under each bullet point for each source:
- Provide current (no more than 30 days prior to the proposal due date) financial institution documents (including investment accounts) that verify the account(s) and account balance(s) to provide proof of the available funding. Financial institution account statements must include the name of the account holder and a date.
  - Provide a statement from the account holder stating that funds are available and not committed to other sources.
  - Include a commitment letter from the funding source stating the approximate amount of the financial assistance, the terms of the financial arrangement (if a loan, provide the information requested under 4.b), and whether the arrangement will result in an encumbrance requiring Service approval under 36 C.F.R. § 51.86.
  - Provide a list of assets to be sold and their anticipated value (if applicable).

---

<sup>1</sup> If the loan or financial arrangement will result in an encumbrance requiring Service approval under 36 C.F.R. § 51.86, and the Offeror is selected for award of the Draft Contract, then the Offeror will be required to submit to the Service a separate package seeking approval of the encumbrance.

- Provide any other assurances or documents that demonstrate that the funds are available, including documentation from independent sources.
- If information provided in the financial statements or financial institution account statements contradict the appearance of available funds, provide additional narrative to explain how funding will be available from cash on hand or operating cash flows from the existing business by the effective date of the Draft Contract. Include an explanation of how you will meet your financial obligations under the Draft Contract should these assumptions fail to occur.

<b>Subfactor</b>	<b>Forms and Documentation</b>
<b>4c</b>	Provide credible, compelling documentation of your ability to obtain the required funds for start-up costs identified in Table 6.

**PRINCIPAL SELECTION FACTOR 5. THE AMOUNT OF THE PROPOSED MINIMUM FRANCHISE FEE AND OTHER FORMS OF FINANCIAL CONSIDERATION TO THE DIRECTOR. (0-4 POINTS)**

The minimum franchise fee acceptable to the Service is **3%** of gross receipts.

The offer of a higher franchise fee than this minimum is generally beneficial to the Service and accordingly will generally result in a higher score under this selection factor; however, consideration of revenue to the United States is subordinate to the objectives of protecting, conserving, and preserving resources of the park area and of providing necessary and appropriate visitor services to the public at reasonable rates.

State the amount of franchise fee you propose. Such fee must be at least equal to the minimum franchise fee set forth above. Express this fee as a percentage of annual gross receipts. Do not propose a tiered franchise fee, e.g., 3.0% on the first \$10,000 of gross receipts, 4.0% on gross receipts between \$10,001 and \$25,000, 5.0% on gross receipts from \$25,001 and above.
