To: All Requesters of the Prospectus for a Concession Business Opportunity to provide Instruction and Guide Services for Technical Rock Climbing or Ice Climbing within Rocky Mountain National Park

Subject: Amendment 2 to Solicitation No. CC-ROMO0XX-26

Amendment 2 to the Prospectus:

Prospectus Inside Cover

The following due dates are changed:

NOTICE OF INTENT TO PROPOSE DUE: August 6, 2025

ELECTRONIC PROPOSALS DUE: August 8, 2025

HARDCOPY OF OFFEROR'S TRANSMITTAL LETTER DUE: August 15, 2025

Notice of intent and proposals must be **received** by the National Park Service no later than 4:00 P.M. Mountain Time on the revised due dates listed above.

The Service recognizes the requirement for the Notice of Intent to Propose was listed only on this Prospectus Inside Cover and not clearly stated in the Sam.gov notice or on the Commercial Services Business Opportunities website. As a result, the deadline for the **Notice of Intent to Propose is extended to August 6, 2025. Please send this to Erica.Harris@nps.gov.** If you have already submitted a Notice of Intent to Propose and received confirmation from the Service, you do not need to resubmit.

Additionally, the Service recognizes interested entities are encountering technical difficulties when registering in the Microsoft Teams site to submit proposals. The **Electronic Proposal Due Date is extended to August 8, 2025**, and the Service encourages all entities to leave sufficient time in registering the site and submitting proposals.

As a result, the Service extends the deadline to **receive a hard copy of the offeror's transmittal letter to August 15, 2025**. The mailing addresses are unchanged.

If you encounter technical difficulties, please email IMR_Concessions@nps.gov for assistance.

If you would like confirmation the Service has received your proposal, please email IMR_Concessions@nps.gov or erica_harris@nps.gov.
