**PROPOSAL SUBMISSION TERMS & CONDITIONS**

1. The Offeror's Transmittal Letter set forth below indicates your acceptance of the terms and conditions of the concession opportunity as set forth in this Prospectus. It indicates your intention to comply with the terms and conditions of the Contract. **The letter, submitted without alteration, must bear original signatures.** The National Park Service (Service) will review the entire Proposal Package to determine whether your proposal in fact accepts without condition the terms and conditions of this Prospectus. If it does not accept without condition the terms and conditions of this Prospectus, your proposal may be considered non-responsive, even if you submitted an unconditional Offeror's Transmittal Letter.
2. The Proposal Package is drafted upon the assumption that an Offeror is the same legal entity that will execute the new concession Contract as the Concessioner. If the entity that is to be the Concessioner is not in existence as of the time of submission of a proposal, the proposal must demonstrate that the individual(s) or organization(s) (hereinafter Offeror-Guarantor) that intends to establish the entity that will become the Concessioner has the ability and is legally obliged to cause the entity to be financially and managerially capable of carrying out the terms of the Contract. In addition, the Offeror-Guarantor must unconditionally state and guarantee in its proposal that the Offeror-Guarantor will provide the Concessioner with all funding, management, and other resources that the Draft Contract requires and the proposal offers.

## SELECTION FACTORS

### Response Format

- 1) Please number each page and section in your completed proposal. Add information to your proposal only to the extent that it is necessary and relevant to respond to the selection factor. Each page should have a heading identifying the selection factor and subfactor to which the information contained on the page responds. It is important that your response stays within the organizational framework in the Proposal Package and provides all relevant information directly in response to each selection factor. The Service may consider relevant information contained elsewhere in a proposal in assessing the proposal's response to each particular selection factor.
- 2) The evaluation panel will only take firm commitments into account when evaluating proposals. Responses that include terms such as "look into," "research," "may," "if feasible," and similar terms are not considered as firm commitments. In addition, the Service considers responses that include a specific time for commitment implementation as a stronger response. For example, "XXX commits to provide recycling containers in each lodging room by December of 2017."
- 3) Where page limits are set out in the Proposal Package, the Service will not review or consider the information on any pages that exceed the page limitations stated, including attachments, appendices, or other additional materials the Offeror submits. The Service would like to see clear and concise answers. A longer answer will not necessarily be considered a better answer.
- 4) The Service considers text on two sides of one sheet of paper as two pages.
- 5) Offerors must use letter-size paper unless a subfactor asks for schematics or drawings, in which case Offerors may use legal or ledger-size paper for the schematics or drawings. Offerors must use 11- or 12-point font for all text within the proposal, including all tables, charts, graphs, and provided forms. The Service will accept images of sample material with smaller fonts.
- 6) Page margins must be 1 inch. Page numbers and identifications of confidential information may appear within the margins.

**PRINCIPAL SELECTION FACTOR 1. THE RESPONSIVENESS OF THE PROPOSAL TO THE OBJECTIVES, AS DESCRIBED IN THE PROSPECTUS, OF PROTECTING, CONSERVING, AND PRESERVING RESOURCES OF THE PARK. (0-5 POINTS)****Service Objectives:**

Many of the guided mountain climbing and ski mountaineering activities in Grand Teton National Park occur on lands which have been recommended as additions to the National Wilderness Preservation System. By Service policy, lands proposed or recommended to Congress for designation as Wilderness are managed as wilderness until Congress accepts, modifies, or rejects the recommendation. The Service's objective is for the Concessioner to conduct guided mountain climbing and ski mountaineering in a manner that promotes wilderness stewardship and wilderness characteristics, and ensures, minimum impact techniques are used to achieve use consistent with resource management objectives. In addition, the Service wants the Concessioner to foster visitor appreciation of the resources through interpretation.

The Service wants the Concessioner to create opportunities for visitors to form meaningful connections with Park resources. The Concessioner's activities must include information that interprets Park resources, values, and themes (available in the [Park's Foundation Document online](#)), seeks to instill conservation ethics, and increases environmental awareness in visitors.

**Educating on Park Resources, Values and Themes**

Using no more than **two (2) pages**, including all text, pictures, graphs, etc., describe:

- 1) How you will ensure clients receive accurate and informative information on topics that highlight park resources, values and themes, including but not limited to, wilderness, cultural history, geology, ecology, dark night skies, and natural soundscapes. Include in your response the training will you provide to your guides to ensure your guides provide accurate and informative information to clients.
- 2) How you will employ minimum impact techniques, such as, but not limited to, minimizing the footprint at the high camp, campsite locations, and instruction areas, while conducting your operations to avoid damage to the area, and impact on vegetation, trails, and features. Your response should seek to exceed minimum requirements identified in the Draft Contract.

**PRINCIPAL SELECTION FACTOR 2. THE RESPONSIVENESS OF THE PROPOSAL TO THE OBJECTIVES, AS DESCRIBED IN THE PROSPECTUS, OF PROVIDING NECESSARY AND APPROPRIATE VISITOR SERVICES AT REASONABLE RATES. (0 - 5 POINTS)**

**Scoring: The Service will score Subfactor2(a) up to 2 points and Subfactor 2(b) up to 3 points.**

**Service Objectives:**

The Service's objective is for the Concessioner to provide visitors with a consistent, high-quality experience within the Area in as safe a manner as possible, and at reasonable rates. The Park recognizes there is an element of risk in mountaineering and is interested in how the Concessioner will keep visitors safe.

**Subfactor 2(a). Quality of the Overall Visitor Experience (0-2 points)**

Using no more than **two (2) pages**, including all text, pictures, graphs, etc., describe:

- 1) The actions you will take to avoid trail congestion and negative encounters with other route users through operational procedures, including, but not limited to, trip logistics, route selection and group size.
- 2) The actions you will take to market services to a range of visitor demographics, including individuals with different cultural backgrounds, skill levels and abilities, genders, and ages.

**Subfactor 2(b) Visitor Safety (0-3 points)**

Using no more than **two (2) pages**, including all text, pictures, graphs, etc., describe:

- 1) The actions you will take to inspect equipment and ensure timely and proper equipment replacement.
- 2) The actions you will take to educate clients on the risks of mountain descents, and how you will maximize client understanding and safety of descents, through training, techniques, and actions.

**PRINCIPAL SELECTION FACTOR 3. THE EXPERIENCE AND RELATED BACKGROUND OF THE OFFEROR, INCLUDING THE PAST PERFORMANCE AND EXPERTISE OF THE OFFEROR IN PROVIDING THE SAME OR SIMILAR VISITOR SERVICES AS THOSE TO BE PROVIDED UNDER THE CONCESSION CONTRACT. (0-5 POINTS)**

**Note to Offeror:** To assist the Service in the evaluation of proposals under this and other selection factors, provide the following information regarding the organizational structure of the business entity that will execute the Draft Contract. This organizational structure information will not be scored for selection purposes but may be used for assessing responses to various selection factors. If the Offeror is not yet in existence, the Offeror-Guarantor(s) should describe its own experience and explain how such experience will carry over to the Offeror entity.

**Offeror's Organizational Structure**

Identify the entity, if other than the Offeror, that has the authority to allocate funds, and hire and fire management employees, of the Offeror. Identify any individual or business entity that holds or will hold a controlling interest in the Offeror. If the Offeror is an unincorporated sole proprietorship, identify and provide information about the individual who owns and operates the business. If the Offeror is a limited liability company, a partnership, or a joint venture, identify and provide information about each managing member or manager, general partner or venturer, respectively.

Submit your organizational documents (e.g., partnership agreement, articles of incorporation, operating agreement).

Using the appropriate Business Organization Information form (as applicable) at the end of this Principal Selection Factor 3, identify the Offeror and each business entity and/or individual to be involved in the management of the proposed concession operation. If the Offeror is not yet formed, submit a Business Organization Information form for each Offeror-Guarantor.

**Subfactor 3(a). Operational Experience**

Using no more than **three (3)** pages, including all text, pictures, graphs, etc.:

If the Offeror is not yet in existence, demonstrate the Offeror-Guarantor(s) experience and explain how such experience will carry over to the Offeror entity directly. If the Offeror relies on the experience of a related entity, such as Offeror-Guarantor(s), explain how that entity's experience will benefit the Offeror's operations. For each example discussed, provide the following information segmented by operating department. If an Offeror provides more than one example of operational experience, the Service will evaluate only the first example.

Recapture amounts should also be included in the cash flow proforma, not the proforma income statement.
- Below are some general notes regarding the provided forms found in the Appendices attached to the Prospectus.
  - The Service has provided forms that request the information in the format it desires. These forms may differ from the format and requirements set forth in generally accepted auditing standards (GAAS) with regard to prospective financial statements. The Service does NOT request that the prospective financial statements be reviewed in accordance with GAAS.
  - Do not add or eliminate rows on the Excel spreadsheets provided in the appendix. Columns should not be deleted; however, columns may be added to reflect the number of years in the Draft Contract term, if necessary. If you wish to provide additional information, do so in additional spreadsheets, outside of the ones provided. If additional information is provided, clearly identify how it fits into the income statement, cash flow, and/or assumption tables. For the purpose of the pro forma statements, use the calendar year as the fiscal year.
  - Provide a clear and concise narrative explanation of the method(s) used to prepare the estimates and the assumptions on which your projections are based. Information must be sufficiently detailed to provide a full understanding of how the estimates were determined.
  - Complete **all of the forms provided** and submit both a hard copy and an electronic Excel workbook file.

- 4) **Demonstrate your ability to obtain the required funds for the initial investment, as listed in the Business Opportunity, and other investing activities under the Draft Contract by providing credible, compelling documentation, particularly evidence from independent sources, such as bank statements, audited or reviewed financial statements, and signed loan commitment letters. Fully explain the financial arrangements you propose, using the following guidelines.**

The more definite the terms stated in the documentation, the more credible the Service is likely to find the Offeror's ability to obtain the required funds.

- If funds are to be obtained from cash on hand or operating cash flows from the Offeror's current business, document each source and the availability of these funds by providing your previous and current audited financial statements for the two most recent fiscal years, with all notes to the financial statements (see 4(b) above if audited financial statements are not available). Depending on the Offeror's form of entity, provide audited financial statements for any individual Offerors, general partners in a partnership, and all venturers in a joint venture.
- If the Offeror is not formed and the Offeror-Guarantor is funding the required start-up costs, provide for each Offer-Guarantor the documentation for the appropriate type of Offer-Guarantor (individual, business entity) as described below.
- If funds are to be obtained from lending institutions (banks, savings and loans, etc.), provide supporting documents including but not limited to documents that describe the approximate amount of the loan, the term of the loan and any proposed encumbrances on the Draft Contract. Include a letter (addressed to the National Park Service from the lender on the lending institution's letterhead) stating the amount of funds available to the Offeror at the date of the letter. In addition, the letter must outline the Financial Institution's historical relationship with the Offeror. Specifically, the Financial Institution should provide the following information: number of years of the relationship; description and amount of all credit facilities extended along with their average annual outstanding balance and current outstanding balance; current account balance; and statement of whether the Offeror has met all obligations with the Financial Institution as required.
- If funds are to be obtained from an individual, or a business entity whose primary fund source is an individual, provide the following as appropriate with respect to such individual:
  - Signed funding commitment from the individual (stating the approximate amount of the loan, the term, and any proposed encumbrances on the Draft Contract)
  - Current personal financial statement certified as to accuracy and completeness by the individual submitting it
  - Current bank/financial institution documents that verify the account(s) and account balance(s) for the primary fund source
  - Documentation of any assets to be sold
  - Any other assurances or documents that demonstrate that the funds are available
- 1) If funds are to be obtained from working capital liabilities (such as advance deposits), please provide estimates and a rationale for each estimate. The information provided should be of sufficient detail to allow a reviewer to fully understand how the estimates were determined.
- 2) If funds are to be obtained from another source (e.g., a business entity whose primary fund source is not an individual), provide the following as appropriate:

- Signed funding commitment from the fund source stating the approximate amount of the loan, the term, and any proposed encumbrances on the Draft Contract
- Current audited financial statements for the most recent year (see 4(b) above if audited financial statements are not available)
- If the current audited financial statements do not evidence that the source has the necessary funds to make the funding commitment, provide additional documentation.

**NOTE:** *If the Offeror is obtaining even a part of the necessary funds from another, the Service must be able to determine from the documents submitted that the Offeror is highly likely to obtain either a stated amount or an unlimited amount of funding from an entity with sufficient financial capability to provide the funds.*

**PRINCIPAL SELECTION FACTOR 5. THE AMOUNT OF THE PROPOSED MINIMUM FRANCHISE FEE AND OTHER FORMS OF FINANCIAL CONSIDERATION TO THE DIRECTOR. (0-4 POINTS)**

The minimum franchise fee acceptable to the Service is as follows:

- 4% of Gross Receipts for Gross Receipts from \$0 to \$500,000; plus
- 8% of Gross Receipts for Gross Receipts from \$500,001 to \$1,000,000; plus
- 10.5% of Gross Receipts for Gross Receipts from \$1,000,001 to \$1,500,000; plus
- 11% of Gross Receipts for Gross Receipts greater than \$1,500,000.

The offer of a higher franchise fee than this minimum is generally beneficial to the Service and accordingly will generally result in a higher score under this selection factor; however, consideration of revenue to the United States is subordinate to the objectives of protecting, conserving, and preserving resources of the park area and of providing necessary and appropriate visitor services to the public at reasonable rates.

State the amount of franchise fee you propose for providing services for each tier below. Such fee must be at least equal to the minimum franchise fee (see above) for that tier and expressed as a percentage of annual Gross Receipts.

**Do not propose additional tiers and do not change the Gross Receipt thresholds of each tier.**

- \_\_\_ % of Gross Receipts for Gross Receipts from \$0 to \$500,000; plus
- \_\_\_ % of Gross Receipts for Gross Receipts from \$500,001 to \$1,000,000; plus
- \_\_\_ % of Gross Receipts for Gross Receipts from \$1,000,001 to \$1,500,000; plus
- \_\_\_ % of Gross Receipts for Gross Receipts greater than \$1,500,000.
