

Amendment No. 1

Solicitation #: SEKI001-27

To: All Recipients of the Prospectus, SEKI001-27, to operate pack station, guided trail rides, and other services within Sequoia and Kings Canyon National Parks

This amendment serves as notice of extension of due dates for the solicitation of Concession Contract No. CC-SEKI001-27. The Service is extending the solicitation period because the previous concession contract, CC-SEKI001-19, has now expired and the Service wishes to allow for more time for interested parties to view the prospectus and submit a proposal. The Service provided the Previous Concessioner with a one-year extension of the Expired Contract to continue visitor services for the 2026 operating season. However, the Previous Concessioner elected in December 2025 to not sign that extension, and as such, there is no concession contract in place for the 2026 operating season. Although the projected effective date of the Draft Contract is January 1, 2027, the Service is interested in providing visitor services during the 2026 operating season if feasible and mutually acceptable to the selected entity for this solicitation.

Questions regarding this solicitation must be submitted in writing no later than 12:00 p.m. Pacific Time on February 5, 2026 via email to mark.juretschke@nps.gov. Any proposal must be received by the Commercial Services Office by 12:00 p.m. Pacific Time on April 9, 2026 in order to be evaluated and considered for award of the concession contract. Statements of intent to propose are due by 12:00 p.m. Pacific Time on March 27, 2026.

Included with this amendment is the amended Business Opportunity document, which reflects changes necessitated by the expiration of the previous concession contract.
