ORGANIZATION OF EXECUTIVE AGENCIES

WHEREAS section 16 of the act of March 3, 1933 (Public, No. 428, 47 Stat. 1517), provides for reorganizations within the executive branch of the

Government; requires the President to investigate and determine what reorganizations are necessary to effectuate the purposes of the statute; and authorizes the President to make such reorganizations by Executive order; and

WHEREAS I have investigated the organization of all executive and administrative agencies of the Government and have determined that certain regroupings, consolidations, transfers, and abolitions of executive agencies and functions thereof are necessary to accomplish the purposes of section 16;

NOW, THEREFORE, by virtue of the aforesaid authority, I do hereby order that:

* * * * *

SECTION 2.—*National Parks, Buildings, and Reservations*

All functions of administration of public buildings,¹ reservations, national parks, national monuments, and national cemeteries are consolidated in an Office of National Parks, Buildings, and Reservations² in the Department of the Interior, at the head of which shall be a Director of National Parks, Buildings, and Reservations; except that where deemed desirable there may be excluded from this provision any public building or reservation which is chiefly employed as a facility in the work of a particular agency. This transfer and consolidation of functions shall include, among others, those of the National Park Service of the Department of the Interior and the National Cemeteries and Parks of the War Department which are located within the continental limits of the United States. National cemeteries located in foreign countries shall be transferred to the Department of State, and those located in insular possessions under the jurisdiction of the War Department shall be administered by the Bureau of Insular Affairs of the War Department.

The functions of the following agencies are transferred to the Office of National Parks, Buildings, and Reservations of the Department of the Interior, and the agencies are abolished:

Arlington Memorial Bridge Commission
 Public Buildings Commission
 Public Buildings and Public Parks of the National Capital
 National Memorial Commission
 Rock Creek and Potomac Parkway Commission

Expenditures by the Federal Government for the purposes of the Commission of Fine Arts, the George Rogers Clark Sesquicentennial Commission, and the Rushmore National Commission shall be administered by the Department of the Interior.

SECTION 19.—*General Provisions*

Each agency, all the functions of which are transferred to or consolidated with another agency, is abolished.

The records pertaining to an abolished agency or a function disposed of, disposition of which is not elsewhere herein provided for, shall be transferred to the successor. If there be no successor agency, and such abolished agency be within a department, said records shall be disposed of as the head of such department may direct.

¹ The Branch of Buildings Management of the National Park Service was transferred to the Federal Works Agency, effective July 1, 1939 (5 U.S.C. sec. 133s.) by Reorganization Plan No. 1 (53 Stat. 1426; 5 U.S.C. sec. 133t.)

² "National Park Service" was substituted for "Office of National Parks, Buildings, and Reservations" by act of March 2, 1934 (48 Stat. 389), see VOL. II, p. 13.

The property, facilities, equipment, and supplies employed in the work of an abolished agency or the exercise of a function disposed of, disposition of which is not elsewhere herein provided for, shall, to the extent required, be transferred to the successor agency. Other such property, facilities, equipment, and supplies shall be transferred to the Procurement Division.

All personnel employed in connection with the work of an abolished agency or function disposed of shall be separated from the service of the United States, except that the head of any successor agency, subject to my approval, may, within a period of four months after transfer or consolidation, reappoint any of such personnel required for the work of the successor agency without reexamination or loss of civil-service status.

SECTION 20.—*Appropriations*

Such portions of the unexpended balances of appropriations for any abolished agency or function disposed of shall be transferred to the successor agency as the Director of the Budget shall deem necessary.

Unexpended balances of appropriations for an abolished agency or function disposed of, not so transferred by the Director of the Budget, shall, in accordance with law, be impounded and returned to the Treasury.

SECTION 21.—*Definitions*

As used in this order—

“Agency” means any commission, independent establishment, board, bureau, division, service, or office in the executive branch of the Government.

“Abolished agency” means any agency which is abolished, transferred or consolidated.

“Function disposed of” means any function eliminated or transferred.

SECTION 22.—*Effective Date*

In accordance with law, this order shall become effective 61 days from its date; *Provided*, That in case it shall appear to the President that the interests of economy require that any transfer, consolidation, or elimination be delayed beyond the date this order becomes effective, he may, in his discretion, fix a later date therefor, and he may for like cause further defer such date from time to time.
