note.

(b) AMENDMENTS TO ALASKA NATIONAL INTEREST LANDS CONSERVATION ACT.—

(1) AMENDMENT OF ANILCA.—Except as otherwise expressly provided, whenever in this subsection an amendment or repeal is expressed in terms of an amendment to, or repeal of, a section or other provision, the reference shall be considered to be made to a section or other provision of the Alaska National Interest Lands Conservation Act (16 U.S.C. 3101 et seq.).

(2) DEFINITIONS.—Section 102(2) (16 U.S.C. 3102(2)) is amended to read as follows:

“(2) The term ‘Federal land’ means lands the title to which is in the United States after December 2, 1980. ‘Federal land’ does not include lands the title to which is in the State, an Alaska Native corporation, or other private ownership.”.

(3) FINDINGS.—Section 801 (16 U.S.C. 3111) is amended—

(A) by inserting “(a)” immediately before “The Congress finds and declares”; and

(B) by inserting at the end the following new subsection:

“(b) The Congress finds and declares further that—

“(1) subsequent to the enactment of this Act in 1980, the subsistence law of the State of Alaska (AS 16.05) accomplished the goals of Congress and requirements of this Act in providing subsistence use opportunities for rural residents of Alaska, both Alaska Native and non-Alaska Native;

“(2) the Alaska subsistence law was challenged in Alaska courts, and the rural preference requirement in the law was found in 1989 by the Alaska Supreme Court in *McDowell v. State of Alaska* (785 P.2d 1, 1989) to violate the Alaska Constitution;

“(3) since that time, repeated attempts to restore the validity of the State law through an amendment to the Alaska Constitution have failed, and the people of Alaska have not been given the opportunity to vote on such an amendment;

111 STAT. 50

PUBLIC LAW 105-83—NOV. 14, 1997

“(4) in accordance with title VIII of this Act, the Secretary of the Interior is required to manage fish and wildlife for subsistence uses on all public lands in Alaska because of the failure of State law to provide a rural preference;

“(5) the Ninth Circuit Court of Appeals determined in 1995 in *State of Alaska v. Babbitt* (73 F.3d 698) that the subsistence priority required on public lands under section 804 of this Act applies to navigable waters in which the United States has reserved water rights as identified by the Secretary of the Interior;

“(6) management of fish and wildlife resources by State governments has proven successful in all 50 States, including Alaska, and the State of Alaska should have the opportunity to continue to manage such resources on all lands, including public lands, in Alaska in accordance with this Act, as amended; and

“(7) it is necessary to amend portions of this Act to restore the original intent of Congress to protect and provide for the continued opportunity for subsistence uses on public lands for Alaska Native and non-Alaska Native rural residents through the management of the State of Alaska.”.

(4) TITLE VIII DEFINITIONS.—Section 803 (16 U.S.C. 3113) is amended—

(A) by striking “and” at the end of paragraph (1);

(B) by striking the period and inserting a semicolon at the end of paragraph (2); and

(C) by inserting at the end the following new paragraphs:

“(3) ‘customary and traditional uses’ means the noncommercial, long-term, and consistent taking of, use of, or reliance upon fish and wildlife in a specific area and the patterns and practices of taking or use of that fish and wildlife that have been established over a reasonable period of time, taking into consideration the availability of the fish and wildlife;

“(4) ‘customary trade’ means, except for money sales of furs and furbearers, the limited noncommercial exchange for money of fish and wildlife or their parts in minimal quantities; and

“(5) ‘rural Alaska resident’ means a resident of a rural community or area. A ‘rural community or area’ means a community or area substantially dependent on fish and wildlife for nutritional and other subsistence uses.”.

(5) PREFERENCE FOR SUBSISTENCE USES.—Section 804 (16 U.S.C. 3114) is amended—

(A) by inserting “(a)” immediately before the first sentence; and

(B) by inserting at the end the following new subsection:

“(b) The priority granted by this section is for a reasonable opportunity to take fish and wildlife. For the purposes of this subsection, the term ‘reasonable opportunity’ means an opportunity, consistent with customary and traditional uses (as defined in section 803(3)), to participate in a subsistence hunt or fishery with a reasonable expectation of success, and does not mean a guarantee that fish and wildlife will be taken.”.

(6) LOCAL AND REGIONAL PARTICIPATION.—Section 805 (16 U.S.C. 3115) is amended—

111 STAT. 51

PUBLIC LAW 105-83—NOV. 14, 1997

111 STAT. 51

(A) in subsection (a) by striking “one year after the date of enactment of this Act,”; and

(B) by amending subsection (d) to read as follows:

“(d)(1) Upon certification by the Secretary that the State has enacted and implemented laws of general applicability which are consistent with, and which provide for the definition, preference, and participation specified in sections 803, 804, and 805, the Secretary shall not implement subsections (a), (b), and (c) of this section, and the State may immediately assume management for the taking of fish and wildlife on the public lands for subsistence uses pursuant to this title. Upon assumption of such management by the State, the Secretary shall not implement subsections (a), (b), and (c) of this section unless a court of competent jurisdiction determines that such laws have been repealed, modified, or implemented in a way that is inconsistent with, or does not provide for, the definition, preference, and participation specified in sections 803, 804, and 805, or that the State has failed to cure any such inconsistency after such determination. The State laws shall otherwise supercede such sections insofar as such sections govern State responsibility pursuant to this title for the taking of fish and wildlife on the public lands for subsistence uses. The Secretary may bring a judicial action to enforce this subsection.

111 STAT. 52

“(2)(A) Laws establishing a system of local advisory committees and regional advisory councils consistent with section 805 shall provide that the State rulemaking authority shall consider the advice and recommendations of the regional councils concerning the taking of fish and wildlife populations on public lands within their respective regions for subsistence uses. The regional councils may present recommendations, and the evidence upon which such recommendations are based, to the State rulemaking authority during the course of the administrative proceedings of such authority. The State rulemaking authority may choose not to follow any recommendation which it determines is not supported by substantial evidence presented during the course of its administrative proceedings, violates recognized principles of fish and wildlife conservation or would be detrimental to the satisfaction of rural subsistence needs. If a recommendation is not adopted by the State rulemaking authority, such authority shall set forth the factual basis and the reasons for its decision.

“(B) The members of each regional advisory council established under this subsection shall be appointed by the Governor of Alaska. Each council shall have ten members, four of whom shall be selected from nominees who reside in the region submitted by tribal councils in the region, and six of whom shall be selected from nominees submitted by local governments and local advisory committees. Three of these six shall be subsistence users who reside in the subsistence resource region and three shall be sport or commercial users who may be residents of any subsistence resource region. Regional council members shall have staggered terms of three years in length, with no limit on the number of terms a member may serve. A quorum shall be a majority of the members of the council.”

(7) JUDICIAL ENFORCEMENT.—Section 807 (16 U.S.C. 3117)

is amended by inserting the following as subsection (b):

“(b) State agency actions may be declared invalid by the court only if they are arbitrary, capricious, or an abuse of discretion, or otherwise not in accordance with law. When reviewing any action within the specialized knowledge of a State agency, the

court shall give the decision of the State agency the same deference it would give the same decision of a comparable Federal agency.”.

(8) REGULATIONS.—Section 814 (16 U.S.C. 3124) is amended—

(A) by inserting “, and the State at any time the State has complied with section 805(d)” after “Secretary”; and

(B) by adding at the end the following new sentence: “During any time that the State has complied with section 805(d), the Secretary shall not make or enforce regulations implementing section 805(a), (b), or (c).”.

(9) LIMITATIONS, SAVINGS CLAUSES.—Section 815 (16 U.S.C. 3125) is amended—

111 STAT. 53

(A) by striking “or” at the end of paragraph (3);

(C) by inserting at the end the following new paragraph:

“(5) prohibiting the Secretary or the State from entering into co-management agreements with Alaska Native organizations or other local or regional entities when such organization or entity is managing fish and wildlife on public lands in Alaska for subsistence uses.”.

16 USC 3102 note.

(c) SAVINGS CLAUSE.—No provision of this section, amendment made by this section, or exercise of authority pursuant to this section may be construed to validate, invalidate, or in any way affect—

GENERAL PROVISIONS—THIS CHAPTER

* * * * *

SEC. 3005. PETROGLYPH NATIONAL MONUMENT. (a) SHORT TITLE.—This section may be cited as the “Petroglyph National Monument Boundary Adjustment Act”.

Petroglyph National Monument Boundary Adjustment Act. New Mexico. 16 USC 431 note.

(b) FINDINGS.—Congress finds that—

(1) the purposes for which Petroglyph National Monument (referred to in this section as “the monument”) was established continue to be valid;

(2) it is of mutual benefit to the trustee institutions of the New Mexico State Trust lands and the National Park Service for land exchange negotiations to be completed with all due diligence, resulting in the transfer of all State Trust lands within the boundaries of the monument to the United States in accordance with State and Federal law;

(3) because the city of Albuquerque, New Mexico, has acquired substantial acreage within the monument boundaries, purchased with State and municipal funds, the consolidation of land ownership and jurisdiction under the National Park Service will require the consent of the city of Albuquerque, and options for National Park Service acquisition that are not currently available;

(4) corridors for the development of Paseo del Norte and Unser Boulevard are depicted on the map referred to in section 102(a) of the Petroglyph National Monument Establishment Act of 1990 (Public Law 101-313; 16 U.S.C. 431 note), and the alignment of the roadways was anticipated by Congress before the date of enactment of the Act;

112 STAT. 83

(5) it was the expectation of the principal proponents of the monument, including the cities of Albuquerque and Rio Rancho, New Mexico, and the National Park Service, that passage of the Petroglyph National Monument Establishment Act of 1990 (Public Law 101-313; 16 U.S.C. 431 note) would allow the city of Albuquerque—

(A) to utilize the Paseo del Norte and Unser Boulevard corridors through the monument; and

(B) to design and construct infrastructure within the corridors with the cultural and natural resources of the monument in mind;

(6) the city of Albuquerque has not provided for the establishment of rights-of-way for the Paseo del Norte and Unser Boulevard corridors under the Joint Powers Agreement (JPANO 78-521.81-277A), which expanded the boundary of the monument to include the Piedras Marcadas and Boca Negra units, pursuant to section 104 of the Petroglyph National Monument Establishment Act of 1990 (Public Law 101-313; 16 U.S.C. 431 note);

(7) the National Park Service has identified the realignment of Unser Boulevard, depicted on the map referred to in section 102(a) of the Petroglyph National Monument Establishment Act of 1990 (Public Law 101-313; 16 U.S.C. 431 note), as serving a park purpose in the General Management Plan/Development Concept Plan for Petroglyph National Monument;

(8) the establishment of a citizens’ advisory committee prior to construction of the Unser Boulevard South project, which

runs along the eastern boundary of the Atrisco Unit of the monument, allowed the citizens of Albuquerque and the National Park Service to provide significant and meaningful input into the parkway design of the road, and that similar proceedings should occur prior to construction within the Paseo del Norte corridor;

(9) parkway standards approved by the city of Albuquerque for the construction of Unser Boulevard South along the eastern boundary of the Atrisco Unit of the monument would be appropriate for a road passing through the Paseo del Norte corridor;

(10) adequate planning and cooperation between the city of Albuquerque and the National Park Service is essential to avoid resource degradation within the monument resulting from storm water runoff, and drainage conveyances through the monument should be designed and located to provide sufficient capacity for effective runoff management; and

(11) the monument will best be managed for the benefit and enjoyment of present and future generations with cooperation between the city of Albuquerque, the State of New Mexico, and the National Park Service.

(c) PLANNING AUTHORITY.—

(1) STORM WATER DRAINAGE.—Not later than 180 days after the date of enactment of this Act, the Secretary of the Interior, acting through the Director of the National Park Service (referred to in this section as the “Secretary”), and the city of Albuquerque, New Mexico, shall enter into negotiations to provide for the management of storm water runoff and drainage within the monument, including the design and construction of any storm water corridors, conveyances, and easements within the monument boundaries.

(2) ROAD DESIGN.—

(A) If the city of Albuquerque decides to proceed with the construction of a roadway within the area excluded from the monument by the amendment made by subsection (d), the design criteria shall be similar to those provided for the Unser Boulevard South project along the eastern boundary of the Atrisco Unit, taking into account topographic differences and the lane, speed and noise requirements of the heavier traffic load that is anticipated for Paseo del Norte, as referenced in section A-2 of the Unser Middle Transportation Corridor Record of Decision prepared by the city of Albuquerque dated December 1993.

(B) At least 180 days before the initiation of any road construction within the area excluded from the monument by the amendment made by subsection (d), the city of Albuquerque shall notify the Director of the National Park Service (hereinafter “the Director”), who may submit suggested modifications to the design specifications of the road construction project within the area excluded from the monument by the amendment made by subsection (d).

(C) If after 180 days, an agreement on the design specifications is not reached by the city of Albuquerque and the Director, the city may contract with the head of the Department of Civil Engineering at the University of New Mexico, to design a road to meet the design criteria referred to in subparagraph (A). The design specifications developed by the Department of Civil Engineering shall

PUBLIC LAW 105-174—MAY 1, 1998

112 STAT. 84

be deemed to have met the requirements of this paragraph, and the city may proceed with the construction project, in accordance with those design specifications.

(d) ACQUISITION AUTHORITY; BOUNDARY ADJUSTMENT; ADMINISTRATION AND MANAGEMENT OF THE MONUMENT.—

(1) ACQUISITION AUTHORITY.—Section 103(a) of the Petroglyph National Monument Establishment Act of 1990 (Public Law 101-313; 16 U.S.C. 431 note) is amended—

(A) by striking “(a) The Secretary” and inserting the following:

“(a) AUTHORITY.—

“(1) IN GENERAL.—Subject to paragraph (2), the Secretary”;

(B) by striking “, except that lands or interests therein owned by the State or a political subdivision thereof may be acquired only by donation or exchange”; and

(C) by adding at the end the following:

“(2) LAND OWNED BY THE STATE OR A POLITICAL SUBDIVISION.—No land or interest in land owned by the State or a political subdivision of the State may be acquired by purchase before—

“(A) the State or political subdivision holding title to the land or interest in land identifies the land or interest in land for disposal; and

“(B)(i) all private land within the monument boundary for which there is a willing seller is acquired; or

“(ii) 2 years have elapsed after the date on which the Secretary has made a final offer (for which funds are available) to acquire all remaining private land at fair market value.”.

112 STAT. 85

(2) BOUNDARY ADJUSTMENT.—Section 104(a) of the Petroglyph National Monument Establishment Act of 1990 (Public Law 101-313; 16 U.S.C. 431 note) is amended—

(A) by redesignating paragraphs (1) and (2) as subparagraphs (A) and (B), respectively, and indenting appropriately;

(B) by inserting “(1)” after “(a)”; and

(C) by adding at the end the following:

“(2)(A) Notwithstanding paragraph (1), effective as of the date of enactment of this subparagraph—

“(i) the boundary of the monument is adjusted to exclude the Paseo Del Norte corridor in the Piedras Marcadas Unit described in Exhibit B of the document described in subparagraph (B); and

“(ii) the inclusion of the Paseo Del Norte corridor within the boundary of the monument before the date of enactment of this paragraph shall have no effect on any future ownership, use, or management of the corridor.

“(B) The document described in this subparagraph is the document entitled ‘Petroglyph National Monument Roadway/Utility Corridors’, dated October 30, 1997, on file with the Secretary of the Interior and the mayor of the city of Albuquerque, New Mexico.”.

(e) ADMINISTRATION AND MANAGEMENT OF THE MONUMENT.—Section 105 of the Petroglyph National Monument Establishment Act of 1990 (Public Law 101-313; 16 U.S.C. 431 note) is amended by adding at the end the following:

“(f) BOCA NEGRA AND PIEDRAS MARCADAS UNITS.—If the binding agreement providing for the expansion of the monument pursuant

112 STAT. 85

PUBLIC LAW 105-174—MAY 1, 1998

to section 104 is amended, in accordance with the terms of the agreement, to transfer to the National Park Service responsibility for operation, maintenance, and repair of any or all property within the Boca Negra or Piedras Marcadas Unit of the monument, the Secretary may employ, at a comparable grade and salary within the National Park Service, any willing employees of the city assigned to the Unit.”.

(f) DOUBLE EAGLE II AIRPORT ACCESS ROAD.—The Administrator of the Federal Aviation Administration shall allow the use of the access road to the Double Eagle II Airport in existence on the date of enactment of this Act for visitor access to the monument.
