

### Record of Decision: Museum Electronic Security System Risk Acceptance

The Superintendent completes this Record if the park cannot comply with NPS Museum Security Standard (2a) or (2b) electronic security system installation, in accordance with NPS Museum Security Standard (2c) (*MHI.14.B.1.2c*). A signed copy is provided to the park Physical Security Coordinator, regional Physical Security Coordinator or Program Manager, park and regional facility managers, Regional Director, regional curator, and park central and museum files. Review annually and update together with the Physical Security Assessment of park structures every three to five years.

Park/Unit Name: \_\_\_\_\_

Building/Structure Name	FMSS Number
Facility Security Level (FSL)	Date of Most Recent NPS Physical Security Assessment
