The National Park Service is monitoring the COVID-19 situation closely and making adjustments on a program-by-program basis. As recipients of this list know, we notified our partners via email and updated our website at <https://www.nps.gov/subjects/nationalregister/index.htm> to reflect our current operating status. As circumstances change, we will use those same means for spreading the word and keeping you all updated. In the interim, National Register staff send best wishes for the continued health and well-being of our preservation partners and remain available to collaborate via email and telephone at our telework locations.
