PHYSICIAN'S CONSENT FORM

IN REPLY REFER TO

Dr. _____

_____ is a candidate for employment with the United States Park Police. Prior to and offer of employment, all applicants must successfully complete a physician's fitness assessment.

Physical fitness is assessed by using the Physical Efficiency Battery (PEB). The PEB consists of four measures of physical fitness including: flexibility, determined by sit and reach; agility, measured by negotiating a time obstacle course; muscular strength, determined with one maximal chest press; and cardiovascular endurance, measured by a timed 1.5 mile walk/run.

Please understand that any physical/medical examination that you determine is necessary to complete this form will be at the expense of your patient and not the United States Park Police.

I have examined the individual named above and determined that he/she:

_____ Is cleared to participate in all aspects of the Physical Efficiency Battery.

_____ Is not cleared to participate in all aspects of the Physical Efficiency Battery.
