

Investigating a Tabby Slave Cabin Teacher Workshop

Project Archaeology: Investigating Shelter is a supplementary science and social studies curriculum unit for grades 3 - 5. This workshop aims to familiarize educators with archaeology resources for the classroom that can enhance learning opportunities in:

- **Math**
- **Science**
- **Art**
- **Social studies**

Workshop participants will receive archaeology education guides published by Project Archaeology that take students through an archaeological investigation, including accounts from oral history, use of primary documents, and interpreting the archaeological record. Most of the workshop activities will be indoors, but be prepared for outdoor walking tours of some of the ruins.

July 14th & 15th, 2016

Reservations are first come first served, with a maximum of 25.

If you are interested in attending please contact:
