

Timucuan Preserve Student Research Grants

**\$500 research grants to support student stipends,
student travel, and/or project costs**

Open to all degree-seeking students in any academic field for research projects to be conducted in (or about) the Timucuan Preserve

Students must prepare a research proposal and submit a letter of support from a faculty member

Research proposals and the letter of support should be submitted via email to Anne Lewellen, Timucuan Ecological and Historic Preserve, at anne_lewellen@nps.gov

The deadline to apply is **Saturday, March 15, 2014**.
Students will be notified in April regarding their selection.
