IN CASE OF EMERGENCY DIAL 9-1-1

- Parking lot
- Information kiosk
- Restrooms seasonal
- Food and Drink seasonal
- Picnic area
- Horse trailer parking

Where to hike or bike if you have...

1 hour or less

Hike from the visitor center to Muhlenberg's Brigade on the paved Joseph Plumb Martin trail (JPM), and return via the mown Redoubt trail.
3/4 mile round-trip

Bike from the visitor center to Wayne's Woods picnic area on the JPM trail. Stop at Muhlenberg's Brigade and the National Memorial Arch. Return the way you came.
3 miles out and back

Around 2 hours

Hike from the lower visitor center parking lot and cross Rt 23 using the crosswalk at the intersection of County Line Rd and the JPM trail. Before reaching Sullivan's Bridge, turn left onto the Chapel trail and follow it to the Washington's Headquarters area. Return the same way or make a loop via the JPM trail.
~ 5 miles out and back

Bike on the paved JPM trail from any parking lot south of the Schuylkill River. The main loop is 5 miles, with the options to take additional spur trails to Washington's Headquarters and Knox's Quarters.
5 to 9 miles round-trip

3 hours or more

Hike from the Wilson Road parking lot. Take the paved trail from the parking lot to the steep Mount Misery trail and hike to Route 23. Cross 23 to the Washington's Headquarters area, get on the Chapel trail, then turn right onto the trail up to Varnum's picnic area and return on the JPM to the intersection of 23 and 252. Cross 23 to the Mount Joy trail and follow it to the Knox's Quarters spur of the JPM trail. Take the Knox trail back to Wilson Road parking lot.
6 to 7 miles round-trip

Bike from the Betzwood parking lot and take the Fatlands trail out and back. Then cross the river on Sullivan's Bridge, and turn right onto the Chapel trail. At Washington's Headquarters, cross 23 at the intersection with 252 and follow the Valley Creek trail to the Knox trail. Take the Knox's Quarters spur back to the Joseph Plumb Martin loop and follow it past the visitor center. Cross Sullivan's Bridge to return to Betzwood parking lot.
15 to 20 miles round-trip

Valley Forge National Historical Park

Trail Map

Welcome to Valley Forge National Historical Park!

Park Hours

 Park grounds, including parking lots and some restrooms, are open daily from 7 AM to 30 minutes after sunset. Building hours vary seasonally.

Pets Must Be Leashed

 Pets must be on leash. Dispose of pet waste in provided trash bins and stay on authorized trails.

Ride Bicycles on Authorized Trails

 Check this map to see which trails are authorized for bicycles and e-bikes. The paved Joseph Plumb Martin trail provides a popular 5-mile loop route.

Drones are Prohibited

 Launching, landing, or operating uncrewed or remote piloted aircraft in areas administered by the National Park Service is prohibited.
36 CFR § Closures & Public Use

Metal Detectors are Prohibited

 Use of mineral or metal detectors, magnetometers, side scan sonar, subbottom profilers, and other metal detecting devices is prohibited.
36 CFR § Preservation of Natural, Cultural, and Archeological Resources

Use the NPS Mobile App

 The NPS mobile app is a great tool for visiting the park and it features an interactive map, guided tours, offline mode, and more!
