

Pearl Harbor Express

Grade level: all levels

Program Capacity: 150

Total Program Time Commitment: 2.5 hours

What is the Pearl Harbor Express?

The Pearl Harbor Express Education Program here at World War II Valor in the Pacific National Monument is an option for school groups that are on a tight schedule and short on time. These requests still require that the Education group arrive on site at least one hour before their documentary film time is set to begin or tickets may be released to the general public.

Please make sure you read our [Field Trip FAQ](#) before you submit your request and a ParkEDU team member will get back to you as soon as they can.
