## THE NAVY CLUB.

The following notice has been received from Mr. Franklin D. Roosevelt, president of the Navy Club, New York City:

"The attention of the enlisted personnell is invited to the arrangements which have been made by the Navy Club of New York to entertain Fleet sailors. A very fine club room is at the disposal of the Fleet and furnished meals, beds, etc, will be at cost. The address of the club is fifteen east forty first street."

## FROM THE FLAGSHIP.

The Commander-in-Chief congratulates the Captain, Officers and Crew of the U.S.S. ARIZONA on winning the following trophies during the athletic year 1921;

AUCKLAND CUP  
ATLANTIC FLEET BASEBALL CHAMPIONSHIP  
CORRESPONDENCE CUP  
SECOND PLACE IN THE GIG RACE.  
THIRD PLACE IN 40' MOTOR LAUNCH RACE.  
FILIPINO BASEBALL CHAMPIONSHIP.  
SECOND PLACE IN THE NAVY RACING CUTTER.

## IN ENGLAND.

A British soldier was walking down the Strand one day. He had one leg and an arm off, and both ears missing, and his head was covered with bandages, and he was making his way on low gear as best he could, when he was accosted by an intensely sympathetic lady, who said;

"Oh dear, dear! I can not tell you how sorry I am for you This is really terrible. Can't I do something? Do tell me, did you receive all these wounds in real action?"

A weary expression came over that part of the soldier's face that was visible, as he replied:

"No, ma'am, I was clearing out the canary bird's cage and the bird bit me!"

## LOOKS GOOD--IS GOOD.

The Commander-in-Chief sent the following message to the ARIZONA:

"ARIZONA presents a very smart appearance."

As the PENNSYLVANIA passed us yesterday morning the divisions were in perfect alignment along the entire length of the ship. This fact, coupled with the sleek and trim appearance the ARIZONA presented impressed the Commander-in-Chief so favorably that he sent over the above signal. And the best of it is this " THE ARIZONA IS AS GOOD AS SHE LOOKS WHEN YOU COME TO FIGHTING SHIPS."

## BLUES.

Just a warning to those who haven't as yet got their blues in shape. No official word has been passed as yet as to the uniform when the President Reviews the Fleet. The uniform however will probably be dress blues. See that watch marks and rating badges are properly secured. Also fix up your working blues, for you will soon be needing them.

## DRY IS RIGHT.

Truman: "Boy, Spot, what is a dry battery?"

Spot: "A dry battery is a pitcher and a catcher that don't drink."

## GOOD NEWS.

The following is quoted from the NEW YORK TIMES:

Secretary Denby has authorized a reduction in all Navy Small Stores of 35 per cent. The reduction is due to the market price reduction of clothing in general. The various articles of clothing will be reduced from 15 to 50 per cent the reductions averaging 35 per cent. This lowering of price will affect both officers and men of the Navy.

## THE CREW.

The ARIZONA'S race boat crews have been gradually improving, and we have every reason to believe that they will finish the Henley race second to none. The ARIZONA expects to send two full crews to Philadelphia. The Henley Regatta, held on the Schuylkill River, Philadelphia is the racing classic of this country. Every college and rowing club of the East is represented at this water tournament and it is very gratifying to see the United States Atlantic Fleet represented here too. The advance of athletics in the Fleet has been a steady one. The Navy has reached a point where people expect to see big things of her - and she is prepared to fill that expectation.

## REMEMBER THAT.

There are men who are kind,  
There are hearts that are pure.  
There are souls that are brave and true.  
So give them the best  
That you can give,  
And the best will return to you.

## HEARD.

A voice: "She was kidnapped."

Another voice: "Who took her?"

First Voice: "She was taken by surprise."
