

PASS PROGRAM PARTICIPANTS

National Park Service (NPS) www.nps.gov

The National Park Service preserves and protects national parks, monuments, memorials, lakeshores, seashores, historic sites, battlefields, and recreation areas for current and future generations.

U.S. Forest Service (USDA FS) www.fs.fed.us

The Forest Service manages National Forests and National Grasslands across the United States and Puerto Rico. Its large and ecologically diverse land base makes the Forest Service a leading provider of outdoor recreation.

Fish & Wildlife Service (USFWS) www.fws.gov

The US Fish & Wildlife Service administers national wildlife refuges, wetland management districts with waterfowl production areas, administrative sites, and national fish hatcheries. Many refuges are open to hunting and fishing.

Bureau of Land Management (BLM) www.blm.gov

The Bureau of Land Management oversees the nation's largest Federal land mass, with sites that range from rainforests and deserts to wild and scenic rivers and the Arctic.

Bureau of Reclamation (Reclamation) www.usbr.gov

The Bureau of Reclamation manages and develops water and related resources. More than 300 recreation areas are included in these water projects, many of which are operated by other Federal agencies and state, county and city governments.

Note: The United States Army Corps of Engineers (USACE) is not one of the Federal agencies participating in the Interagency Pass Program. However, the USACE does honor Senior and Access Passes at many of its locations for discounts on camping. For details, please inquire at specific USACE sites or visit <http://corpsslakes.usace.army.mil/visitors/>

FREQUENTLY ASKED QUESTIONS

- Q.** Where can I purchase a Pass?
A. Passes may be purchased at hundreds of locations across the country, including many Federal sites where they are accepted. Annual Passes are also available for purchase by phone (1-888-ASK-USGS, ext. 1) or online: <http://store.usgs.gov/pass>.
- Q.** Is a Pass accepted at all Federal recreation sites and does it cover all fees?
A. Some Federal recreation agencies don't accept the Passes (such as lands managed by the Army Corps of Engineers or the Tennessee Valley Authority), and many Federal recreation sites do not charge entrance fees. Also, some facilities and activities on Federal recreation lands are managed by private concessionaires who may not accept the Pass. Please check directly with a location if you have questions about their fees and passes.
- Q.** Can I use my Pass at state or local parks?
A. No. Your Pass can be used only at Federal recreation sites.
- Q.** Are costs for ferries covered by Interagency Passes?
A. The passes cover entrance and standard amenity fees, ferries generally are not included.
- Q.** If I am a foreign citizen, may I obtain a Senior or Access Pass?
A. No. To obtain a Senior or Access Pass, you must be a permanent resident or citizen of the United States with a U.S. State-issued ID or driver's license, a U.S. Passport or a Permanent Resident Card (Green Card). However, anyone can purchase an Annual Pass.
- Q.** How do I qualify for the Access Pass?
A. To qualify for the Access Pass, permanently disabled citizens must present one of the following forms of documentation:
- A statement by a licensed physician;
 - A document issued by a Federal agency, such as the Veteran's Administration or Social Security that verifies disability.
 - A document issued by a State agency, such as a vocational rehabilitation agency.
- Q.** Can any two people sign an Annual Pass?
A. Yes, the signers don't have to be related or married.
- Q.** I have more than four people in my car. How many Passes do I need?
A. One Pass covers the vehicle at sites that charge "per vehicle."
- Q.** We are a family traveling in two vehicles. Does one Pass cover two vehicles?
A. No. One Pass covers one vehicle; two vehicles require two Passes.
- Q.** What about motorcycle drivers who purchase a Pass?
A. Senior, Access and Volunteer Passes allow one motorcycle. An Annual Pass allows two motorcycles IF the two people who sign the pass arrive at the same time on two motorcycles, regardless of the number of people on each motorcycle.
- Q.** How do I display my Pass at unstaffed Federal recreation sites?
A. A Pass can either be displayed on your rearview mirror using a free hangtag or on your dashboard with the signature side showing. Remember, the hangtag itself is only a way to display your Pass, and is not valid for entry unless it holds a valid Pass.
- If you own an open-topped vehicle (jeep, motorcycle, etc.) you may obtain a decal to attach to your vehicle that will serve as proof of payment at unstaffed sites.
- Q.** Can lost or stolen Passes be replaced?
A. No. Due to privacy and logistical considerations, passes cannot be replaced if lost or stolen; a new Pass must be purchased.
- Q.** If my Pass is tattered and worn, can I get a replacement?
A. Generally, as long as a portion of the Pass is identifiable, it may be exchanged for a new one, with proof of identification (e.g., driver's license).
- Q.** If I forget to bring my Pass to a site and pay the entrance or use fee, can I mail in the receipt with a photocopy of my Pass and get a refund?
A. Refunds are not issued. Pass order confirmation letters, credit card receipts, and hangtags without Passes are not valid for entrance or use.

FOR VISITORS WHO WANT TO ENJOY, EXPLORE AND SUPPORT AMERICA'S SPECTACULAR NATURAL TREASURES, THERE'S NO BETTER VALUE THAN AMERICA THE BEAUTIFUL

The National Parks And Federal Recreation Lands Pass

YOUR FEES AT WORK

Vital funds from America the Beautiful—the National Parks and Federal Recreational Lands Pass are helping federal agencies support high-quality experiences for visitors through projects like these:

- Repairs at historic Assateague Island Lighthouse at Chincoteague National Wildlife Refuge, Virginia.
- Environmental education programs at Nisqually National Wildlife Refuge, Olympia, Washington.
- Improved fee stations at New Melones Lake, California.
- New interpretive displays at Red Rock Recreation Area, Coconino National Forest, Arizona.
- Additional park guides at Hawaii Volcanoes National Park, Hawaii.
- Interpretive specialists at Yaquina Head Outstanding Natural Area, Oregon.

CARING FOR OUR RECREATION LANDS

Since public lands were first established, dedicated volunteers across the nation have offered their skills and talents to enhance these resources. We need their help—one-third of all the land in the United States (about 650 million acres) is administered by the federal government, and managing it is a big job. There are lots of ways you can contribute. Make a difference by working with a group that shares your interest, whether it's history, hiking, or horseback riding, or visit www.volunteer.gov to learn how you can lend a hand.

We also invite you to support the Congressionally-chartered foundations whose combined mission is to engage Americans in caring for our lands, conserving wildlife, and enhancing visitor education and outreach programs: the National Forest Foundation (www.natlforests.org), the National Park Foundation (www.nationalparks.org) and the National Fish & Wildlife Foundation (www.nfwf.org).

DEFINITIONS OF TERMS

HERE ARE TERMS YOU MIGHT HEAR IN RELATION TO A PASS OR TO THE FEE PROGRAM IN GENERAL

CONCESSIONAIRE/CONCESSIONER: An individual or a private company that is under permit or contract to operate a business on Federal land (e.g., campground, parking lot, ice cream stand, or boat launch). Not all concessionaires accept passes, based on the terms of their contracts.

ENTRANCE FEE: Fees charged to access lands managed by National Park Service or Fish and Wildlife Service. Passes generally cover these fees.

STANDARD AMENITY FEE: Fees charged for use of Bureau of Land Management, USDA Forest Service, and Bureau of Reclamation sites that have a combination of basic amenities—picnic tables, trash receptacles, toilets, developed parking, interpretive signing and security. Passes generally cover these fees.

EXPANDED AMENITY FEE: Fees charged for "extras" that aren't basic entrance or standard amenity fees and aren't generally covered by the Passes. Examples include campgrounds, boat launches, cabins, and guided tours. Passes generally do not cover these fees; however, Senior and Access Passes may qualify Pass owners for some discounts.

NON-COMMERCIAL VEHICLE: A passenger car, van, pickup truck, converted school bus, recreational vehicle, etc., used to enter a Federal recreation site for non-commercial purposes.
