

**PREPARING STUDENTS FOR A FIELD TRIP IN VIRGIN ISLANDS
NATIONAL PARK**

Before teachers bring students for a program or a field trip in Virgin Islands National Park, please review the following information with your students.

1. No hand-held games such as Nintendo Gameboys are allowed during the activity.
2. No portable radios or CD players are allowed at any program or field trip.
3. Cell phones must be turned off and are for use only in emergency situations.
4. The National Park is a Drug Free Zone!
5. The Park supports the Leave No Trace Principles. All trash carried in must be carried out.
6. It is illegal to remove artifacts and certain natural resources such as coral and shells from the Park.
7. Please respect the wildlife that lives in the Park. Do not feed or harass any animals.
