

Weir Farm Artist-in-Residence Reception

Meet Julie Anne Mann

Monday, October 20 • 6 - 7:30 pm

Wilton Library

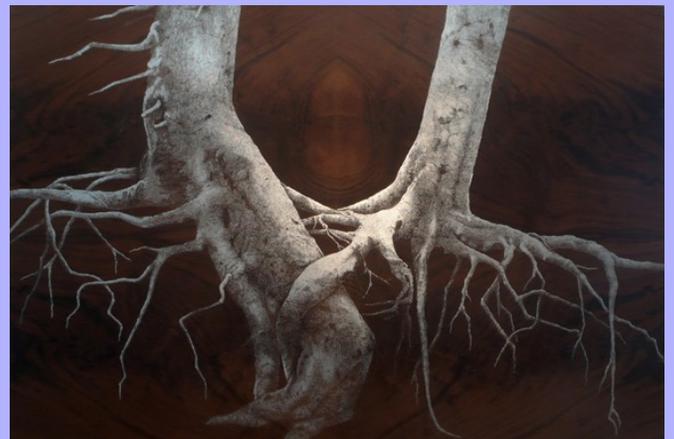

October brings *Julie Anne Mann* to the Weir Farm Artist-in-Residence program. The majority of Ms. Mann's work is composed from natural materials and/or settings, using their inherent qualities to exemplify or allude to parallels found in human nature. Julie Anne plans to continue this practice at Weir Farm using the landscape and elements at hand to explore the

ground's relationship with flora.

Weir Farm's Artist-in-Residence program (AIR) selects twelve artists to live and work at Weir Farm each year. To date, 183 artists from throughout the U.S., as well as Tunisia, Germany, Australia, India and the Netherlands have participated in the AIR program. Visual artists apply for one month residencies in all media and diverse artistic points of view from traditional to experimental.

The program is co-sponsored by Weir Farm Art Center and Weir Farm National Historic Site and presented by Wilton Library. There is no charge. Registration is suggested.
