

Weir Farm Artist-in-Residence Reception

Meet Karl Staven

Thursday, November 14 • 6 - 7:30 pm

Wilton Library

November brings Karl Staven to the Weir Farm Artist-in-Residence program. As an animator who has made more than 25 films over the past 25 years using a variety of techniques, Karl finds him-

self interested in photographically exploring natural space. By stitching together multiple views over time, finding patterns in close and distant objects, and moving through space in non-traditional paths, a different experience can be created with reality as the brush. Karl is on sabbatical from his full-time animation teaching position at The University of the Arts in Philadelphia, PA.

Weir Farm's Artist-in-Residence program (AIR) selects twelve artists to live and work at Weir Farm each year. To date, 170 artists from throughout the U.S., as well as Tunisia, Germany, Australia, India and the Netherlands have participated in the AIR program. Visual artists apply for one month residencies in all media and diverse artistic points of view from traditional to experimental.

Co-sponsored by Weir Farm Art Center and Weir Farm National Historic Site and presented by Wilton Library. No charge. Registration is suggested.
