

# Weir Farm Artist-in-Residence Reception

## Meet Laura Krause

Monday, February 11 • 6 - 7:30 pm

Wilton Library

February brings Laura Krause to the Weir Farm artist in residency program. Laura's plan is to use her large format cameras along with her DSLR to photograph the winter environment at Weir Farm. Her goal is for her nature photos to reflect her respect and awe, to showcase the spaces and natural areas themselves as well as create a sense of peace within the viewer.

Weir Farm's Artist in Residence program (AIR) selects twelve artists to live and work at Weir Farm each year. To date, more than 160 artists from throughout the U.S., as well as Tunisia, Germany, Australia, India and the Netherlands have participated in the AIR program. Visual artists apply for one month residencies in all media and diverse artistic points of view from traditional to experimental.

The program is co-sponsored by Weir Farm Art Center and Weir Farm National Historic Site and the reception/exhibition is presented by Wilton Library. There is no charge. Registration is suggested.
