

# Schedule of Events

**Don't Miss** Friday May 13th Bat Chat! 7:30-9:45 at WES Camp

Meet scientists that are studying these creatures of the night! Be prepared for a half hour evening discussion with scientists, followed by a trapping session starting at sunset to meet the bats in your neighborhood! Bring water and a flashlight or headlamp, and a camp chair if desired. For the best chance of seeing wild bats, expect 1.5-2.5 hours.

Time	Activities at WES Camp	Naturalist Walks		Demonstrations	Presentations
9:00 AM		California Native Plant Society Hike up Brandy Creek! Join the McConnell Foundation's Sarah Brady! Bring water and hiking boots. 9 am - 11am. Meet at the lower Brandy Creek Trailhead.	Wintu Chapter of the Audubon Society Bird Walk around Lower Clear Creek and WES Camp! Bring hiking boots and water. Meet at the Guardian Rock Trailhead near the Lower Clear Creek Bridge.
