

## Photography Before or After Hours FAQ

**M**any National Park Service areas may be entered any time, day or night, at sunrise or sunset to view wildlife. At White Sands National Monument we share our boundaries with the U.S. military at Holloman Air Force Base and White Sands Missile Range. Due to security issues, the monument has specific posted hours of operation. These FAQs will assist you in planning your early morning or after hours photography trip.

### How do I Arrange for an Early Entry or Stay Late?

There are two ways to enter the monument before or after public hours.

Option one: You may camp overnight at one of ten backcountry sites. Backcountry camping is primitive tent camping following “Leave No Trace” principles. The sites are located in the heart of the dunes with a one-mile walk to the sites. There is no water or any facilities at these sites. Camping fees and monument entrance fees apply.

Please stop by the visitor center to obtain a permit. Sites are on a first-come, first-served basis. For inquiries about the cut-off time, restrictions due to missile testing, and site availability. Call (575)479-6124, ext. 236.

Option two: Complete a request for early entry/stay late located on our website ([www.nps.gov/whsa](http://www.nps.gov/whsa)) and submit it to the coordinator via email at [whsa\\_film\\_photography@nps.gov](mailto:whsa_film_photography@nps.gov) at least five days in advance.

### Required Paperwork for Early Entry or Stay Late

- 5) A ranger will email the approval or denial of the request within three business days of receipt.
- 6) Final paperwork may be done by appointment or via regular mail.
- 7) Fees must be paid prior to the date, either by appointment or via mail. To make an appointment, send an email to [whsa\\_film\\_photography@nps.gov](mailto:whsa_film_photography@nps.gov) with “Appointment” in the subject line.
- 8) Questions will be answered by the filming coordinator via email.

### What are the Fees Associated with Early Entry or Stay Late?

If your request for early entry/stay late is approved, there is a fee of \$50 per hour or any part of an hour. For example, if you want to enter 30 minutes prior to opening, the fee is \$50 even though you are only entering the monument 30 minutes early. This fee is per hour not per person. Payment

must be done in cash, traveler’s cheques, a cashier’s check, or money order for the exact amount. No personal or company checks will be accepted. Make traveler’s cheques, cashier’s check, or money orders payable to the National Park Service.
