NATIONAL PARK SERVICE

WIND CAVE NATIONAL PARK

HOT SPRINGS, S. DAK. August 24, 1917.

OFFICE OF THE SUPERVISOR

The director.  
National Park Service,  
Washington, D. C..

Dear Sir:-

Your letter of Aug. 21, wherein I am directed to render separate pay roll to cover cost of laborer in filling vacancy of park ranger Esther Brazell, the remainder of the month, does not state from what fund this is desired to be paid.

As stated in my letter of 16 inst., I think it should be paid from 'Administration' Appropriation. Please advise.

Cordially yours,

*M. Brazell*  
Supervisor.

National Park Service,  
Washington.

August 29, 1917

Respectfully returned to Supervisor Brazell with the advice that this Service has no objection to charging Roy Brazell's salary for the remainder of the month to the Appropriation allotment for Administration.

*J. W. Griffin*  
Chief Clerk.
