April 1891

Wednesday April 1st 1891

4:20 in cove — Sampson's Palace Route - 2 trips

at 9:20 a.m Elmer & I started in the cove to get specimens. Elmer stayed in the Post Office, while I went to the South East Corner of the Amphitheater and got a load of fine box work. When I come out I found Elmer, Father & two visitors in the Post Office. Elmer & I left Father & the two visitors (man & woman) in the Post Office & come out because the house was left. We got out of the cove at 11:20 A.M

At 1:00 P.M. Elmer & I started in the cove after specimens & was intending to go to the Amphitheater but when we got as far as Crystal Spring I stopped & got my load, While Elmer went on When on my way out I met Father in the first room this side of Crystal Spring with two visitors (men) & he told me to hurry out, for Mr & Mrs J. C. West of Beaver Valley were here. Mr. West took a pick & shovel over with him to prospect with. He has good hopes of finding another lode as good as the Last Cabin. I got out of the cove this afternoon at 3:20 o'clock

Thursday April 2nd 1891

3:30 in cove — 7:00 — Sampsons Palace Route 2 trips

3:30 in cove — Monument Hall Route 1 trip

at 8:25 this morning I started in the cove after Specimens while Elmer got up some wood, I got a load of box work in the S E ¼ E corner of the amphitheater on the Sampson Palace Route after getting nearly loaded up I went to the S E end of the room after some calsite crystals & got them in a crevice leading from the S E ¼ S
