

COMMERCIAL USE AUTHORIZATION FOR WATER ACCESS
OPERATING PLAN – EXHIBIT B

Overview

The CUA for Water Access allows the CUA holder to access Yellowstone River by traveling through National Park Service property for the purpose of providing guide tours and trips.

General Provisions

1. Guides must unload equipment and clients in an expedient manner and vacate the access area as soon as possible (15 minutes). The unloading area for all river access will be the cul-de-sac of Park Street in Gardiner, Montana.
2. Guides and employees are not allowed to park company vehicles on park property. This includes parking areas located along Front Street in Gardiner, Montana. Parking is only allowed for active loading and unloading (approximately 15 minutes). Vehicles may not block traffic in the process.
3. Traffic into and around the Gardiner Service Center and the Xanterra bunkhouse is restricted to authorized vehicles and personnel only.
4. Guides must not create a disturbance in the residential and administrative area.
5. The CUA holder shall be liable for any damages to any property of the United States resulting from the use authorized hereunder.
6. The authorization does not permit taking photographs of raft groups along the Yellowstone River within the boundaries of Yellowstone National Park. A CUA for Wedding and Portrait Photography will be needed if utilizing any park area along the Yellowstone River.

I have read and agree to the Water Access conditions. I hereby confirm that the above conditions will be reiterated to all guides associated with this business.
