

Electric Vehicle Charging

National Park Service
U.S. Department of the Interior

Yellowstone National Park

Public Stations

Public EV charging stations are now available in a number of park locations. The stations are Level 2, and provide 208/240 volt electric service. Charging takes about 4 hours from empty to full.

North Entrance: Yellowstone Forever, 308 E Park St. Gardiner, MT 59030.

Mammoth Hot Springs: In front of the Haynes Photo Shop; and behind the Northwest corner of the Mammoth Hotel.

West Entrance: The Gray Wolf Inn and Suites, 250 S Canyon St.; and the Holiday Inn, 315 W Yellowstone Ave, West Yellowstone, MT 59758*

Old Faithful: At the Old Faithful Lodge Cabins (Lower Loop), outside of Showerhouse 1.

Canyon Village: In front of Rhyolite and Washburn lodges.

Lake Village: In front of Teal employee dorm.

*Tesla stations are also located in West Yellowstone, MT.
