NO MOOSE, TOO MANY BICYCLISTS.
NOT ABLE TO SEE GRAND PRISMATIC HOT SPRING.
ONLY SAW BISON. NO ELK, NO BEAR, NO WOLF. SLIGHTLY DISAPPOINTED.
PAID TO COME IN AND PAID TO GO THROUGH TETONS.
PARK WAS VERY CROWDED AND WE DID NOT SEE THE VARIETY OF WILDLIFE WE HOPED TO.
PROLIFERANCE OF LARGE TOUR BUSES WAS DISTURBING, NOT AS MUCH WILDLIFE ON PREVIOUS VISITS.
RAINY DAY

Table 26 (continued). Question 27, Expectations not entirely met - verbatim responses

ROADS AND ALL FACILITIES OVERCROWDED. WILDLIFE SCARCE TO NONEXISTENT AS COMPARED WITH OTHER TRIPS AT SIMILAR TIME OF YEAR. THERE IS SO MUCH DEAD AND DYING TIMBER EVERYWHERE THAT ANOTHER FIRE LIKE THE ONE IN 1988 IS EMINENT.
SCENERY FULLFILLED EXPECTATION, LACK OF ANIMALS.
SIMPLY DUE TO TIME; WE PLANNED LATE AND COULD GET LODGING FOR ONLY TWO NIGHTS IN THE PARK.
SOME SUPERIOR TO PRIOR VISITS, SOME NOT AS GOOD, SOME THE SAME.
THE ELK AND SMALL ANIMALS ARE VERY FEW AND HARD TO FIND IS THIS BECAUSE OF WOLF POPULATION.
THE PARK WAS VERY CROWDED, AND THE FOOD WAS DISGUSTING.
THOUGHT RANGERS WOULD BE MORE CONCERNED FOR WELFARE OF ANIMALS.
TOO MANY MOTORCYCLES, EVERYTHING ELSE WAS GREAT.
TOO MANY PEOPLE / NOT QUIET.
TOO MANY PEOPLE AND TRAFFIC.
TOO MANY PEOPLE IN GEYSER BASIN AREA.
TOO MUCH TRAFFIC AND TOO MANY PEOPLE.
TOP CHOICE PLACES TO STOP HAD FULL PARKING - HAD TO KEEP MOVING.
TRAFFIC UNBEARABLE, ROADS INADEQUATE.
TWO DAYS WE SAW 1 BEAR, 1 BISON, 7 ELK, AND ONE DEER.
TYELLOWSTONE NP VERY COMMERCIALIZED - OVER RATED. I ENJOYED YOSEMITE CALIFORNIA MORE. TOO MANY ASIANS VERY RUDE PEOPLE AND DANGEROUS ON ROAD CAN'T DRIVE.
WAITED MANY YEARS TO VISIT - DID NOT DISAPPOINT.
WAS DISAPPOINTED NOT TO SEE MORE IN 4 DAYS, BUT IT RAINED 1 DAY AND ON MOTORCYCLE.
WE CAMPED OUTSIDE THE PARK. DRIVE TIME AND TIME CONSTRAINTS PREVENTED FULL EXPERIENCE.
WE WERE HOPING TO SEE BISON AND BEARS. WE RAN OUT OF TIME.
WE WERE SURPRISED BY THE LACK OF WILDLIFE IN HAYDEN VALLEY.
WE WERE UNABLE TO CAMP IN YELLOWSTONE. NO SPOTS OPEN, STARTED CALLING FOR RESERVATIONS 3 WEEKS IN ADVANCED.
North
BEAUTIFUL GEOTHERMAL FEATURES. GOOD VALUE WITH AMERICA THE BEAUTIFUL CARD.
BECAUSE OF THE RANGER LED HIKES YOU STARTED BACK UP THIS SEASON.
BESIDES WAITING IN TRAFFIC FOR 45 MINUTES, WE ONLY SAW ELK THIS SUMMER. LAST SUMMER WE SAW MANY ANIMALS INCLUDING BEARS.
DID NOT SEE MUCH WILDLIFE.
DIDN'T SEE BEAR.
DIDN'T SEE MANY TYPES OF WILD ANIMAL AS SHOWN IN MAP / CAMPING GROUND. CAMPING GROUND SERVICE IS SLOW. CAMPING SITE IS DUSTY. FIREWOOD TOO EXPENSIVE.
DIDN'T SEE THE ELK.
DIDN'T SEE WILDLIFE LIKE BEARS AND WOLVES.
DURING PEAK PERIODS ADDITIONAL RANGER SHOULD INCREASE PATROLS AND TICKETING.
EXCEEDED EXPECTATIONS
FISHING WAS POOR.
FOOD AND FOOD SERVICE COULD BE MUCH BETTER.
HIKED INTO FISHING HOLES.

Table 26 (continued). Question 27, Expectations not entirely met - verbatim responses

HOPED TO SEE MORE ANIMALS.
MORE INFORMATION ON PLANTS/BUGS/ANIMALS AVAILABLE.
MORE THAN I EXPECTED!
NEED MORE CAMPING SPACE.
NEED MORE TIME FOR LEARN ABOUT SAFETY AND CAN HIKING.
NO BEARS
NOT ENOUGH TIME.
NOT MUCH WILDLIFE SEEN.
ONLY THING WAS BAD LUCK SEEING ANIMALS.
OUR ONLY ISSUE WAS THE PARKING ISSUE AT SIGHTS.
OUT OF YOUR CONTROL IT WAS WARM TEMPERATURE-WISE SO DID NOT SEE HARDLY ANY WILDLIFE. WHAT WE DID SEE WAS BEAUTIFUL AND A FEW GREAT PICTURES TO REMEMBER WITH.
OVERCROWDING, RUDE, IMPOLITE, SELFISH PEOPLE.
PARK AT OLD FAITHFUL WAS A BAD EXPERIENCE IN A RECREATIONAL VEHICLE. WE FOUND NO DESIGNATED PARKING FOR RECREATIONAL VEHICLES AND TRAILERS. THIS MADE FOR A LOT OF WASTED SPACE FOR THE RECREATIONAL VEHICLES AND TRAILERS THAT WERE ABLE TO GET IN THE CAR SPA
PARK TRAFFIC AND PARKING PREVENTED ME FROM SEEING EVERYTHING I PLANNED.
PEAK PERIOD, TRAFFIC. TAILGATING AND SPEEDING OF CARS.
SEEMED LIKE THERE WAS LESS WILDLIFE THAN OUR VISIT 5 YEARS AGO. NO BEARS VISIBLE.
SMOKE FROM MAPLE FIRE CAUSED US TO LEAVE AREA 19 DAYS EARLY.
SO MUCH TO SEE, HARD TO DO EVERYTHING AND FIND AFFORDABLE, OPEN LODGING NEARBY.
THE NUMBER OF PEOPLE WAS OVERWHELMING.
THE PARK WAS MUCH MORE CROWDED THAN I EXPECTED. THE EXTRA TIME GETTING AROUND PREVENTED US FROM DOING ALL THE THINGS WE WANTED TO DO.
THE SKY WAS NOT AS CLEAR AS I THOUGHT IT WOULD BE. THERE WAS A LOT OF HAZE.
THERE ARE TOO MANY BISON IN THE PARK. ROAD BLOCKED FOR AN HOUR DUE TO GAWKERS.
THOROUGHLY ENJOYED OUR DAY.
TOO CROWDED
TOO CROWDED!
TOO MANY PEOPLE COULD NOT FIND PARKING PLACE.
TOO MANY PEOPLE COULD NOT PULL OVER, ALSO NOT ENOUGH TIME ON OUR PART.
TOO MANY PEOPLE EVERY WHERE AND MANY WERE RUDE.
TOO MANY PEOPLE NEAR OLD FAITHFUL AREA, STRESSFUL.
TOO MANY PEOPLE, TOO MANY LOUD MOTORCYCLES.
TOO MANY PEOPLE.
TOO MUCH DRIVE TIME BETWEEN MAIN ATTRACTIONS.
TOO MUCH TRAFFIC, NO PARKING.
TOO MUCH TRAFFIC, NOT ENOUGH PARKING ON PULLOUTS, RUDE VISITORS.
TOO MUCH TRAFFIC.
UNABLE TO SEE MANY ATTRACTIONS DUE TO TRAFFIC AND PARKING.
VERY CROWDED IN SOME PLACES FELT LIKE A BUSY STREET IN NEW YORK CITY.
WANTED TO SEE MORE ELK - SAD TO SEE THE DECLINE.

Table 26 (continued). Question 27, Expectations not entirely met - verbatim responses

WANTED TO SEE SOMETHING OTHER THAN BISON.
WAY TOO BUSY TO HAVE ANY ENJOYMENT.
WE LOVE COMING TO YELLOWSTONE. JUST SEEMED A LOT MORE PEOPLE THIS YEAR. (HIKERS).
WE LOVED THE PARK AND WILDLIFE AND STAYED AT LODGES THROUGHOUT. OLD FAITHFUL SNOW LODGE WAS A LETDOWN. I WAS BITTEN BY BUGS (IN THE ROOM) - YOU DON'T EXPECT THAT WHEN YOU PAY \$300+ PER NIGHT.
WOULD HAVE LIKE TO SEE MORE WILDLIFE ONLY SEEN BISON.
WOULD HAVE LIKED TO SEE MORE WILDLIFE.
Northeast
A LITTLE CONGESTED.
CAMPGROUND WAS NOISY AND CROWDED - TOO PUBLIC.
COULDN'T SEE A FEW THINGS BECAUSE OF LACK OF PARKING.
COULDN'T SEE NORRIS BASIN - STEAMBOAT GEYSER ETC. AS PARKING WAS FULL.
DID NOT SEE ENOUGH ANIMALS, TOO MANY PEOPLE WALKING UP TO BUFFALO AND NO STAFF THERE STOPPING IT.
EVEN THOUGH IT WASN'T A PRIORITY, WE WERE NOT ALWAYS ABLE TO VISIT ALL ATTRACTIONS.
FEEL LIKE WE SAW MORE WILDLIFE IN PAST. EVEN ENTERED PARK VERY EARLY TO INCREASE CHANCE.
GOOD BEANS
HAD HOPED TO SEE A WOLF BUT BISON APPEARED TO BE OVER ABUNDANT IN LAMAR VALLEY.
HARD TO GET REASONABLY PRICED ACCOMMODATION. RESTAURANTS EXPENSIVE; SLOW SERVICE, HEAVY TRAFFIC MADE SIGHT SEEING STRESSFUL.
IT IS HARD TO GET RESERVATIONS FOR 5 DAYS IN A ROW IN PLACES. I KNOW TOURS BOOK HUGE SLOTS OF DAYS FOR THEIR BUSINESS AND HOLD ON TO THEM FOR A LONG TIME MAKING IT HARD FOR NORMAL PEOPLE TO GET IN.
IT WAS NICE BUT I EXPECTED MORE.
IT WAS VERY CROWDED BOTH WITH PEOPLE AT THE SIGHTS AND PARKING. WE SHOULD HAVE ARRIVED EARLIER TO SEE MORE WILDLIFE.
IT'S VERY BEAUTIFUL BUT FOREST IS SO THICK AND GROWN UP CAN NOT SEE MUCH ANIMALS. NOT MANY PAVED ROADS.
LESS WILDLIFE FROM PAST, MAMMOTH HOT SPRING LESS ATTRACTIVE.
LOTS OF TRASH AND HUMAN IMPACTS ON BACKCOUNTRY TRAILS AND ON REMOTE RIVER LOCATIONS OTHER THAN THAT IT WAS GREAT.
MOSTLY MET EXPECTATIONS, BUT WAS NOT PREPARED FOR DIFFICULTY OF AVAILABLE PARKING AT SOME LOCATIONS.
NO DIDN'T GET TO SEE BEARS, MOOSE, WOLVES.
ONLY SAW BISON, 3 ELK.
PARK WAS TOO CROWDED AND NOISY.
PARKING AT OLD FAITHFUL WAS HORRIBLE; MISSED GEYSER BECAUSE OF IT AND DIDN'T HAVE TIME TO WAIT FOR NEXT TIME.
POOR WILDLIFE SEEN.
THERE IS NOTHING THAT YOU CAN DO TO HAVE THE ANIMALS APPEAR MORE. ALTHOUGH MOTOR BIKES GOING THROUGH TO STURGIS WERE KIND OF ANNOYING (TOO LOUD).
THERE WAS LITTLE OPPORTUNITY TO GO HIKING WITH A GUIDE AND WE WERE NOT ABLE TO SIGHT ANY WILDLIFE APART FROM BISON AND ELK.
THOUGH I WOULD BE MORE IMPRESSED WITH OLD FAITHFUL. WANTED TO SEE MORE WILDLIFE.
TOO MANY PEOPLE, BATHROOMS VERY DIRTY, PARKING A JOKE (OLD FAITHFUL), MAINTENANCE POOR.

Table 26 (continued). Question 27, Expectations not entirely met - verbatim responses

TOO MANY PEOPLE, SO FEW ANIMALS.
TOO MANY PEOPLE, TOO CAR ORIENTED.
TOO MANY PEOPLE.
WAS UNABLE TO SEE SOME PLACES BECAUSE COULD NOT PARK.
WE DID NOT SEE A LOT OF WILD ANIMALS.
WE EXPECTED TO SEE MORE WILDLIFE.
WE WERE IN THE PARK FOR FIVE DAYS AND DID NOT SEE A SINGLE BEAR.
WE WERE UNABLE TO SEE SOME THINGS WE WANTED BECAUSE OF NO PARKING.
WE WISHED TO SEE MORE WILDLIFE (BEARS) AND WE MISSED A LOT DUE TO LACK OF PARKING AND SLOW TRAFFIC.
WISH TO SEE MORE ANIMALS.
WONDERFUL TRIP!
WOULD LIKE TO HAVE CAUGHT MORE WILDLIFE BUT UNDERSTANDABLE.
South
A LITTLE BUSY FOR ME.
ALTHOUGH IT'S UNDERSTANDABLE WE WERE NOT EXPECTING THE RESTRICTIONS ON DOGS.
BECAUSE I DIDN'T SEE BEARS AND ELKS.
BICYCLES DID NOT MOVE OFF THE ROAD - NEED LARGER SHOULDER. BICYCLES CAUSED SAFETY ISSUE WHEN THE NEED TO PASS THEM IN A NO PASSING ZONE.
COULD NOT GET CLOSE TO GRAND PRISMATIC DUE TO PARKING AND RAIN.
CRAZY TRAFFIC, FOOT AND CAR.
DID NOT SEE ANY WILDLIFE - SAW MORE OUTSIDE PARK.
DID NOT SEE MUCH WILDLIFE DURING OUR VISIT.
DIDN'T SEE HARDLY ANY ANIMALS.
FOOD OPTIONS WERE LIMITED/UNHEALTHY. 7 DAYS OF PARK FOOD WAS HARD TO TAKE.
I USUALLY COME NEAR THE OPENING WEEKS OF PARK. I WAS SOMEWHAT OVERWHELMED BY ALL THE PEOPLE IN AUGUST AND IT DID DETRACT FROM MY ENJOYMENT.
I WISH WE HAD MORE TIME. WANTED TO SEE MORE WILDLIFE. WOULD HAVE HIKEED IF WE HAD TIME.
I WOULD NOT TRAVEL TO PARK IN JULY OR AUGUST DUE TO EXTREME NUMBER OF VISITORS.
IDEALLY WE NEEDED TO STAY IN YELLOWSTONE OVERNIGHT BUT EVERYTHING WAS FULL.
IT'S HARD TO SEE WILDLIFE ANIMALS.
LACK OF PARKING AND NUMBER OF VISITORS LIMITED ACCESS.
LACK OF WILDLIFE.
MUCH MORE CROWDED THAN EXPECTED. A LOT OF HATS/ETC IN THERMAL FEATURES (WARNING SIGNS MIGHT HELP).
NOT ENOUGH WILDLIFE.
POOR ROADS - FOREVER A PROBLEM.
SIMPLY THE ISSUE OF OVERCROWDED ROADS LIMITING OUR TIME, AND OVERCROWDED TRAILS (MOSTLY GEYSERS) LIMITING THE EXPERIENCE.
SO PACKED WE HARDLY SAY ANYTHING-FRUSTRATING.
SURPRISED HOW RUN-DOWN MAMMOTH LODGE IS, AND FOOD SERVICE SO LIMITED.
THANK YOU FOR ALL YOU DO, THE WHOLE TRIP WAS AMAZING. LOTS OF PEOPLE, CARS BACKED UP GAVE US MORE TIME TO LOOK ALL AROUND US, OUR GOD IS GOOD.

Table 26 (continued). Question 27, Expectations not entirely met - verbatim responses

THE CAMP HOSTS AT INDIAN CREEK WERE EXTREMELY RUDE AND OVERBEARING - WE WERE TOLD TO PUT OUT OUR FIRE IF WE NEEDED TO WALK AWAY FROM IT TO USE THE RESTROOM. WE LEFT EARLY BECAUSE OF HER.
THE NEED FOR SHOWERS IN ALL CAMPGROUNDS IS A MUST.
THE PARK AND SURROUNDINGS EXCEEDED EXPECTATIONS! CAMPING FACILITIES WERE BELOW AVERAGE - NEED MORE SPACE AND DEFINITELY HOT WATER IN RESTROOMS.
THERE WAS A LACK OF WILDLIFE OBSERVATION.
THERE WERE SO MANY PEOPLE THAT I FELT I COULDN'T FULLY ENJOY THE NATURE. NEXT TIME I WILL GO OFF THE BEATEN PATH MORE.
TOO CROWDED
TOO CROWDED TO STAY. NICE DRIVE THOUGH. NICE WALKS.
TOO CROWDED, NO PARKING AT MAJOR ATTRACTIONS. NEED MORE RESTROOMS.
TOO MANY PEOPLE.
TOO MUCH TRAFFIC AND NO PARKING TO SEE ALL ATTRACTIONS.
TRAFFIC
UNABLE TO BACKCOUNTRY CAMP. UNABLE TO SEE DESIRED LOCATIONS. TOO MANY PEOPLE!
VERY CROWDED, WISHED TO SEE MORE "WILDLIFE".
WAY TOO CROWDED. THOUGHTLESSLY INCONSIDERATE TOURIST. NO WILDLIFE
WAY TOO CROWDED. WE LEFT EARLIER THAN INTENDED BECAUSE THE CROWDS WORE US OUT.
WE CAMPED OUTSIDE PARK ENTRANCE.
WE DID DISCOVER OLD FAITHFUL IS NOT NEAR AS STRONG AS 50 YEARS AGO. SHE'S FAILING LIKE US!
WE PLANNED THE TRIP ON SHORT NOTICE AND DID NOT HAVE ENOUGH TIME.
WEREN'T EXPECTING SO MANY PEOPLE AT OLD FAITHFUL.
West
BUT, I WISH WE COULD OF SEEN THE BISON! THE PARK WAS NOT CONGESTED SO WE DID TRAVEL WITH EASE AND ENJOYED THE SITES WE DID STOP AT. WE EASILY FOUND PARKING.
COULD NOT CAMP IN YELLOWSTONE, HAD TO CAMP IN IDAHO. SEVERAL ATTRACTIONS WE CAME BACK AT 7 AND 8 P.M. TO SEE.
CROWDS AND NOISE MAKE IT HARD TO ENJOY NATURE.
DID NOT SEE ANIMALS.
DID NOT SEE ANY BEAR AND WOLF.
DID NOT SEE ANY BEARS.
DID NOT SEE ENOUGH WILDLIFE.
DIDN'T HAVE ENOUGH TIME BUT WANTED TO EXPOSE GRANDDAUGHTER SO SHE CAN RETURN FOR LONGER VISIT. THE LONG LINE FOR RESTROOM AT PAINT POT AREA WAS HARD ON US SENIORS!
DIFFICULT TO ACCESS LODGING AVAILABILITY - SHOULD BE ABLE TO PUT IN DATES AND SEE ALL AVAILABILITY FOR THROUGH DATES AND NUMBER OF PEOPLE INSTEAD OF HAVING TO GO INTO EACH WEEKEND (LODGE/CABINS, ETC).
DISAPPOINTED IN OLD FAITHFUL THOUGHT IT WOULD BE BIGGER.
DISAPPOINTED WITH THE FOREST (BURNED), VERY DIRTY RESTROOM! AND TOO MUCH JUNK FOOD AND NOT ENOUGH QUALITY FOOD AT THE GROCERY SHOP. AND NO SHOWERS IN ALL CAMPGROUNDS.
FIRST DAY SAW NO ANIMALS AT ALL, SECOND SAW FEW BISON, THIRD LOTS OF BISON AND ELK LITTLE FRUSTRATION WITHOUT OF COUNTRY VISITORS.
I DID HOWEVER, HEAR HOW HORRENDOUS THE CROWDS WOULD BE AND NO CAMPING, SO I LEFT.

Table 26 (continued). Question 27, Expectations not entirely met - verbatim responses

I HAVEN'T BEEN IN 15 YEARS. BROUGHT MY KIDS, VERY EXCITED TO SHOW THEM YELLOWSTONE AND WAS BLOWN AWAY BY THE CROWDS AND TRAFFIC. HARD TO FIND RANGERS TO ASK QUESTIONS TO.
I NEED TO STAY LONGER.
I WAS SOMEWHAT DISAPPOINTED IN OLD FAITHFUL GEYSER. I THOUGHT IT WOULD SHOOT UP HIGHER.
I WOULD HAVE PREFER TO SPEND LESS TIME IN MY CAR AND MORE TIME TO TRAIL, SWIM, LEARN ABOUT NATURE.
JUST VISIT OLD FAITHFUL.
LACK OF BIG GAME SIGHTINGS.
LACK OF WILDLIFE TO BE SEEN.
NEVER SAW AN EAGLE.
NOT ALL THE WILDLIFE WE HAD HOPED TO SEE.
NOT ENOUGH WILDLIFE.
NOT SEEING THE WILDLIFE - BUT THAT IS NOT THE PARK'S FAULT. TOO MANY PEOPLE.
ONLY WISHED WE COULD GO TO BOTTOM OF TOWER FALLS OTHERWISE YES, YES, YES!
RESTROOM WERE DIRTY AND VERY FEW.
ROADS SO BAD THAT WE HAD TO PARK MOTORCYCLES AND RENT A CAR.
SAW HARDLY ANY ANIMALS.
SERVICES IN OTHER LANGUAGES SHOULD BE PROVIDED FOR PEOPLE WITH DIFFERENT NATIONALITIES.
SOME VAULT RESTROOMS WERE UNDER MAINTAINED WHILE OTHERS WERE OK.
THE PARKS GREAT! THE NUMBER OF PEOPLE AND VEHICLES IS OVERLOADING EVERYTHING. MAYBE A RESERVATION SYSTEM THAT LIMITS BOTH TO A MAX NUMBER IN THE PARK.
THOUGHT TO SEE MORE ANIMALS LIKE BEARS, COYOTES, MOOSE.
TOO CONGESTED
TOO DRY AND SEEN NO BISON.
TOO MANY PEOPLE AT MAMMOTH HOT SPRINGS. COULD NOT FIND PLACE TO PARK.
TOO MANY PEOPLE, CONGESTION, DRIVING.
TOO MANY TREES ALONG ROAD BLOCKING VISION. DID NOT SEE WILDLIFE!
TOO MUCH TIME SPENT ON TRAVELING FROM ONE ATTRACTION TO ANOTHER.
VIEW OF PRISMATIC SPRING FROM FAIRY FALLS HIKE WAS CLOSED.
WANTED TO STOP AT OLD FAITHFUL, BUT THERE WAS NO PARKING SPOT LEFT FOR A TRAILER.
WAS UNABLE TO LOCATE THE ANIMALS.
WASTED 45 MINUTES ATTEMPTING TO PARK AT OLD FAITHFUL - GAVE UP.
WE CAME TO SEE NATURE, YES, BUT MOSTLY THE WILDLIFE. THIS IS OUR 2ND VISIT AND WE SAW ALL THE ATTRACTIONS LAST SO WE SKIPPED THIS TIME. THIS TIME WE SAW WE DROVE THE WHOLE (PARK BUT SAW) ONLY ONE BISON, ONE DEER, AND VERY FEW ELK. OVER THREE DAYS! LAST YE
WE DID NOT DO ENOUGH PLANNING SO WE DID NOT MAKE AS GOOD USE OF OUR TIME.
WE DIDN'T SEE ANY ANIMALS.
WE SAW SEVERAL BISON AND WATERFOWL, BUT NO BEAR OR WOLVES, BUT IT WAS STILL A GREAT EXPERIENCE.
WE WERE UNABLE TO GET WHEELCHAIRS FOR ELDERLY PARENTS TO MANY "HANDICAP ACCESSIBLE" AREAS.

Table 26 (continued). Question 27, Expectations not entirely met - verbatim responses

WITH ONE EXCEPTION, THE GIGANTIC G LOOP POTHOLE WAS SO BAD THEY BROKE THE WATER LINE ON MY TRAVEL TRAILER.
--

Table 27. Question 27, Expectations not at all met - verbatim responses

East
I PAID 50 DOLLARS FOR TWO PARKS AND COULD'VE STAYED IN IDAHO AND SEE 80% OF THE COUNTRY IN FOR FREE AND SEEN MORE WILD ANIMALS.
South
WE STAYED AT FISHING BRIDGE CAMPGROUND - SITE E-202. IT WAS UGLY, DIRTY AND NOT PLEASANT.
NO VEGAN DINING OPTIONS.
THE ONLY ANIMALS WE SAW WERE BISON - VERY DISAPPOINTING.
West
DUE TO TRAFFIC CONGESTION.

Additional comments

Question 33

Is there anything else you would like to tell us about Yellowstone NP's facilities, services, or recreational opportunities? (open ended)

Table 28. Question 33, Comments - verbatim responses

East
\$25 FOR A MOTORCYCLIST WITH 1 PERSON ONLY IS TERRIBLY EXPENSIVE.
A LIFE CHANGING EXPERIENCE WE HOPE TO VISIT IN THE FUTURE. AS A NON-HIKER I STILL ENJOYED SOME CHALLENGING WALKS/HIKES.
BEAUTIFUL PARK! VERY FRIENDLY RANGERS WHO ARE EXCEPTIONAL STORYTELLERS AND KNOWLEGABLE ABOUT GEOGRAPHY, WILDLIFE AND ECOSYSTEMS!
BETTER INTERNET ACCESS (WI-FI) WOULD BE GOOD, OR AT LEAST SOME WI-FI ACCESS POINTS.
BIKE LANES WOULD BE NICE FOR SO MANY AND MUCH SAFER.
CLEANER RESTROOMS! HOW DO WE MAKE PEOPLE UNDERSTAND/RESPECT THE RULES THAT ARE THERE TO KEEP THEM SAFE? THIS ALSO ENSURES THE FUTURE OF THE PARK.
CONGRATULATIONS ON YOUR 100 YEAR BIRTHDAY.
DISCOUNTED ENTRANCE FEES SHOULD BE FOR YOUNG FAMILIES, NOT FOR SENIOR CITIZENS WHO CAN AFFORD IT! CANYON HAS LOST ITS AFFORDABLE LODGING - AGAIN FOR YOUNGER FAMILIES. IT HAS BECOME ALMOST IMPOSSIBLE TO RESERVE LODGING - EVEN YEARS IN ADVANCE. VERY DISCOURAGING!
EDUCATE ASIAN VISITORS ON ROAD RULES AND MANNERS.
ENCOURAGE SLOWER DRIVERS TO PULL OVER TO THE SIDE, AND LET OTHERS GOING SLIGHTLY FASTER AROUND THEM. ESPECIALLY ON THE SIDE OF MOUNTAIN GOING DOWN HILL.
ENCOURAGE VISITORS TO PICK UP TRASH.
ENJOYED MANY TIMES.
EVERYTHING IS VERY WELL ORGANIZED.
FEW FOOD CARTS COULD BE POSSIBLE. MORE SHOPS FOR SOUVENIRS.
FIRES SHOULD BE STIFLED FOR THOSE WHO DO UNSAFE THINGS IN THE PARK.
FISHING BRIDGE RECREATIONAL VEHICLE PARK - ROADS IN BACK LOOPS NEED HELP! MORE SHOWERS, LONG WAIT.
FOR THE PRICE ASKED, THE LODGE COULD BE BETTER. VERY BAD WIFI RATES AND RESTURANTS (QUALITY AND PRICES). APART FOR THESE THINGS, THE NP IS AMAZING.
FOR TRAILS AND HIKES; SIGNS WERE AT THE BEGINNING BUT GOING THROUGH, VERY CONFUSING WITHOUT SIGNS MAKING SURE WE WERE ON THE OUT RIGHT TRAIL.
GORGEOUS! BUT MORE BATHROOMS NEEDED IN MANY LOCATIONS, LONG LINES!
GREAT EXPERIENCE!
GREAT EXPERIENCE! CAN'T WAIT TO RETURN.
GREAT PARK.
HAD A GREAT VISIT. CAN NOW CHECK OFF OUR BUCKET LIST. MORE BEAUTIFUL IN PERSON THAN SEEN ON TELEVISION OR BOOKS.
HAD TO LEAVE CAMPGROUND A DAY EARLY, BECAUSE OF ROAD WORK IN THE LOOP WE WERE CAMPED IN. TOO MUCH WORK TO TEAR EVERYTHING DOWN AND RELOCATE TO ANOTHER SITE. NOT HAPPY!
HEALTHY FOOD AND LOCAL SPECIALTIES ARE MISSING. WHY NOT A THERMAL BATH FACILITY OUTSIDE THE BOUNDARIES? NO GLUTEN, NO SUGAR, ORGANIC, FRESH AND LOCAL, VEGETARIAN. TROUT, BISON, OTHER FISHES, HONEY ETC. PREPARED TO CONSUMPTION OR TO BRING HOME (FOR EXAMPLE, SOAPS MADE WITH LOCAL PLANTS OR THERMAL WATER, COSMETICS, PLATES).

Table 28 (continued). Question 33, Comments - verbatim responses

HOOKS IN FEMALE BATHROOMS IN GENERAL STORE SHOULD BE REINSTALLED. I HAD TO PUT MY PURSE ON THE TOILET FLOOR. ENTRANCE AND EXIT SHOULD BE DIFFERENT TO HELP WITH TRAFFIC AT THE SITES' ATTRACTIONS. BROCHURE IN FRENCH. 1.25 TO EXIT THROUGH THE WEST EXIT IS TOO LONG. APPROXIMATE HOUR OF THE NEXT ERUPTION WOULD BE APPRECIATED. SPECIFIC PARKING FOR RECREATIONAL VEHICLE AND MOTOS, AS YOU DO FOR BUSES. VERY DIFFICULT TO PARK WITH RECREATIONAL VEHICLE.
I HOPE THIS WILL NOT BE MY LAST TRIP. I ENJOYED MY TIME HERE AND WAS TREATED VERY GOOD BY ALL STAFF.
I LIKE THE MIX OF RESERVABLE AND FIRST COME FIRST SERVED CAMPGROUNDS.
I REALLY ENJOYED THE PARK, WILDLIFE AND NATURAL BEAUTY. WOULD LIKE TO SEE A LITTLE MORE PET FRIENDLY TRAILS ETC. HAD DOG WITH ME WHILE TRAVELLING ACROSS COUNTRY. MADE IT DIFFICULT TO VIEW OR HIKE AT ATTRACTIONS ETC. COULDN'T VEER TOO MUCH FROM TRAILS MORE THAN 100 FEET PER PARK RULES. SOME OF THE MORE RURAL RESTROOM FACILITIES WERE YUCK. BUT OVERALL AMAZING TRIP.
I STRONGLY RECOMMEND RANGER STATIONS OR INFORMATION CENTERS ON-SITE AT ALL RESTSTOP AREAS WITH BATHROOMS THAT ARE REGULARLY MONITERED FOR CLEANLINESS. YOUR BATHROOMS WERE AWFUL. ALSO, SHUTTLE SERVICE (ZION PARK DOES) DURING PEAK SEASONS AT LEAST TO POPULAR SIGHTS WOULD BE FANTASTIC ALONG WITH MARKERS FOR VEHICLES (LIKE OURS) THAT ARE DRIVING THROUGH PARK TO PUT IN WINDOW. THANK YOU!
I THINK YELLOWSTONE IS ONE OF THE MOST SCENIC NATIONAL PARKS IN AMERICA, GRAND CANYON IS MY PERSONAL FAVORITE.
I THINK YOU DO A GREAT JOB UNDER DIFFICULT CIRCUMSTANCES. I AM SURE YOUR BUDGET ALLOWANCE IS STRESSED AND WOULD HOPE CONGRESS REALIZES IF WE LOSE YELLOWSTONE WE ALL SUFFER. THANKS VERY MUCH FOR DOING WHAT YOU HAVE DONE TO SAVE THIS JEWEL FOR COMING GENERATIONS. MANY REGARDS.
I THOUGHT RESTROOMS WERE VERY WELL KEPT FOR HOW BUSY PARK WAS.
I WOULD REALLY LIKE TO SEE MORE FACILITIES AND ENCOURAGEMENT FOR BICYCLING WITHIN YELLOWSTONE. INCREASE THE MILES OF BICYCLE LANES AND BIKE PATHS TO MAKE IT SAFTER FOR CYCLISTS. THIS WOULD ENCOURAGE MORE PEOPLE TO RIDE RATHER THAN DRIVING AND WOULD REDUCE CONGESTION ON THE ROADS. SHUTTLE BUSES WOULD ALSO HELP, WITH BIKE RACKS OR BIKE SHARE SYSTEM. RESTROOMS REALLY NEED TO BE KEPT CLEANER! WE REALLY LIKE YOUR HIKER AND BIKER CAMPSITE POLICY!
IT APPEARS THAT THE REINTRODUCTION OF THE WOLVES HAS NEGATIVELY IMPACTED THE ELK POPULATION.
IT WAS A GREAT VISIT, WE WILL RETURN.
IT WAS WONDERFUL! THANK YOU!
IT WOULD BE NICE TO HAVE A LIST OF UNDERUTILIZED TRAILS.
KEEP UP THE FANTASTIC JOB! YELLOWSTONE IS AN AMAZING PLACE.
LIMIT PEOPLE, TAKE OUT XANTERRA. NEED DAIRY-FREE FOOD OPTIONS.
LONG LINES FOR LADIES ROOM AT CANYON VILLAGE. FOOD COULD BE BETTER. APART FROM THAT, WE LOVE THE PARK AND INTEND TO RETURN!
LOVE IT!
LOVE IT.
LOVED IT, HOPE TO COME BACK.
MAKE THE ROADS SAFER.
MORE RANGER TALKS - HARD TO GET TO.
N/A
NEED MORE ARRESTS OF STUPID PEOPLE BOTHERING WILDLIFE. PARK IS GREAT.

Table 28 (continued). Question 33, Comments - verbatim responses

NEED MORE PLACES TO STAY. WE REALLY WANTED TO STAY WITHIN YELLOWSTONE.OVER 6 MONTHS IN ADVANCE WE TRIED TO GET ROOMS. TOO FOR OF A DRIVE TO GET THESE FROM CODY TO YELLOWSTONE. WE WOULD HAVE STAYED LONGER HAD WE SLAYED WITHIN YELLOWSTONE.
NEED MORE RESTROOMS.
NEW LOCATIONS/LODGES AT CANYON NEEDS BETTER TRANSPORTATION TO AND FROM CANYON VILLAGE.
NO
NO
NO
NO
NO
NO
NO
NO
NO PETS
NO, TRULY ENJOYED OUR EXPERIENCE.
NOT APPLICABLE, GREAT PARK. EXPECTED IT TO BE MORE GREEN AND HAVE MORE VISIBLE WILDLIFE, BUT THAT IS NO FAULT OF THE NATIONAL PARK SERVICE. THANK YOU FOR ALL THAT YOU DO FOR YOUR VISITORS.
NOT SO MANY PEOPLE IN AT A TIME AND .5 WHITE MAN AND .5 CHINESE AND .5 WHAT EVERY ELSE KIND. TOO MANY CHINESE PEOPLE AND THEY ARE MEAN PEOPLE AND TRASH ON THE GROUND. PEOPLE I DON'T WANT IN THE UNITED STATES OF AMERICA.
OF 11 PARKS VISITED, YELLOWSTONE WAS THE MOST AFFORDABLE TO LODGE IN. ALLOWED FOR AN EXTRA NIGHT'S STAY AND BETTER EXPERIENCE.
OLD FAITHFUL WAS HORRIBLE. IT IS A TOURIST TRAP, THE PARKING A ABYSMAL, AND THE PARKING LOT WAS WAY TOO HOT. THE LANDSCAPE AROUND OLD FAITHFUL SHOULD BE RESTORED, AND VISITORS SHOULD BE REQUIRED TO BIKE, WALK, OR RIDE A BUS TO THE GEYSER UNLESS THEY ARE STAYING AT THE LODGE.
ON ONE TRIP THIS SUMMER WE VISITED 5 NATIONAL PARKS BETWEEN SOUTH DAKOTA AND CALIFORNIA, THE ORGANIZATION AND EASE OF ACCESS AT YELLOWSTONE WHEN IT CAME TO CAMPING AND FINDING OUR WAY THROUGH THE PARK WAS SIGNIFICANTLY CLEARER AND EASIER.
PARKING AND VISITORS CENTER AT OLD FAITHFUL WAS BAD DURING PEAK TIMES. OTHERWISE LOVE YELLOWSTONE! WE WILL RETURN IN THE FUTURE.
PARKING AT NORRIS GEYSER BASIN HAS BEEN BAD FOR LAST 4 YEARS SAME FOR FOUNTAIN PAINT POTS AND AREAS AROUND THE CANYON OVERLOOKS.
PARKING LOT CLOSED AT NORRIS FOR A TIME CARS WENT AROUND SIGN - WOULD HAVE HELPED TO HAVE A PERSON THERE AND MORE IMMEDIATE RELAY OF AVAILABLE SPACES VIA WALKIE TALKIE FOR INSTANCE. GROUP BUS SEEMED TO BE EMITTING A LARGE AMOUNT OF DIESEL FUMES AS WE WERE FOLLOWING IT - DOESN'T SEEM THE GREATEST FOR THE ENVIRONMENT AND WE DIDN'T APPRECIATE SMELLING IT EITHER.
PARKING LOT NEAR OLD FAITHFUL HAD MANY SPOTS CORDED OFF BY RANGERS EVEN AS MANY PEOPLE WERE WITHOUT PLACES.
PARKING WAS CONGESTED AT THE GRAND PRISMATIC HOT SPRING SO WE WALKED FROM THE TURN OUT BECAUSE IT WAS EASIER. WOULD BE NICE TO HAVE SHUTTLES/BUSES AT ENTRANCES THAT CAN BE TAKEN AND MAYBE BUS STOPS/BUS ROUTES THROUGHOUT PARK FOR LESS CONGESTION AND LESS ACCIDENTS. WE HAD TO WAIT BECAUSE OF AN ACCIDENT FOR LONG TIME SO THIS HINDERED SOME OF OUR SIGHTS WE WANTED TO SEE. THIS WAS NOT ANY OF THE PARK'S PROBLEM THOUGH (NOT THE PARK'S FAULT BY ANY MEANS). IT WAS THE FAULT OF IMPATIENT VISITORS TO THE PARK. ENJOYED YELLOWSTONE NP VERY MUCH!
PLEASE DO NOT ALLOW EFFORTS TO INCREASE # OF VISITORS TO AFFECT WILDLIFE ON VISTOR EXPERIENCE. SEEING A "NATURAL" SYSTEM IS AN IMPORTANT PART OF VISITING YELLOWSTONE.

Table 28 (continued). Question 33, Comments - verbatim responses

PLEASE KEEP THINGS THE WAY THEY ARE. IT MIGHT BE BUSY AT TIMES BUT PEOPLE NEED TO BE MORE PATIENT. AND JUST BECAUSE THERE ARE SOME PEOPLE WHO BREAK THE RULES I DON'T FEEL THE REST OF US SHOULD LOSE PRIVILEGES BEACUSE OF THEM.
PRISMATIC SPRINGS DRIVE BACKED UP AND UNSAFE TO SIT IN LINE NOT MOVING ON MOTORCYCLE. WOULD IT HELP TO HAVE LOT ATTENDEES TO HELP DIRECT AND MOVE VEHICLES THROUGH? WHEN WE GOT STUCK IN RAINSTORM ONE DAY COULD NOT FIND OUT ABOUT WEATHER TO MAKE INFORMED DECISION TO STAY PUT OR DRIVE OUT AS WEATHER APP, NO SERVICE.
PUT IN BIKE PATHS, SO BIKE RIDERS ARE NOT ON THE MAIN ROADS. I SAW SEVERAL POTENTIAL WRECKS CAUSED FROM BIKE RIDERS IN THE MIDDLE OF THE LANE OF TRAFFIC, AND CARS TRYING TO PASS WITH ON COMING TRAFFIC.
SCENERY FANTASTIC AND FULFILLING, BUT NEED TO DO SOMETHING WITH LACK OF ANIMALS: MAYBE SHADED FOOD PLOTS, OR SOME LAND PLOTS FENCED IN TO BETTER PROVIDE VIEWING CHANCES OR OPPROTUNITIES. ALSO STOP FINANCIALLY [EXPLETIVE] CUSTOMERS. I WAS MADE TO PAY \$40.00 BECAUSE I TOLD RANGER AT TICKET BOOTH, I WAS ONLY STAYING ONE DAY, ENTERING EAST ENTRANCE AND LEAVING SOUTH. EXPLAINED I'M NOT INTERESTED IN GOING THROUGH GRAND TETOR NP, JUST WANT TO HEAD EAST TO DUBOIS FOR LODGING. AFTER I WAS FORCED TO PAY \$40.00 FOR BOTH PARKS, THERE WAS NO ONE IN THE TICKET BOOTH WHEN I LEFT. PAID EXTRA \$15.00 FOR NOTHING. EXPLAINED EVERYTHING TO THE PERSON AT EAST ENTRANCE. SHE KNEW AHEAD OF TIME. THERE WOULD BE NO ONE AT SOUTH ENTRANCE BOOTH AT THAT TIME OF NIGHT SO SHE MADE SURE SHE GOT THE \$15.00 EARLY IN THE DAY. VERY UNHAPPY ABOUT THAT. IT SEEMS LIKE FOUL AND DIRTY WAY TO GET \$15.00 MORE. WILL NOT VISIT AGAIN AND HAVE TOLD MANY PEOPLE IN THE LAST 2 WEEKS ABOUT THE LACK OF ANIMALS, AND THE DIRTY, FOUL WAY OF GETTING EXTRA \$15.00. THANK YOU.
SHUTTLES WOULD BE PREFERRED LIKE ACADIA.
SO MUCH DEVELOPMENT HAS MADE SOME PLACES TOO EASY TO GET TO SO MORE PEOPLE COME BUT THAT DID NOT SPOIL OUR ENJOYMENT OF THE PARK. JUST FEEL SAD THAT IT HAS BECOME SO OVERDEVELOPED IN SOME SPOTS.
SORRY IT RAINED BUT WAS GOOD FOR GROUND AND TOURISTS WITH COATS!
SORRY IT TOOK SO LONG.
THANK YOU FOR CONSERVING SOMETHING VERY IMPORTANT TO US ALL!
THANK YOU! WE HAD A FANTASTIC VACATION!
THE BEAR SIGNS HEIGHTENED LEVELS OF ANXIETY WHEN WE DID NOT ENCOUNTER A BEAR. GRAND TETONS CAMPAIGNS TO "SAVE THE BEARS" BY KEEPING THE CAMPGROUNDS CLEAN WHICH SEEMS LESS THREATENING.
THE MAIN PROBLEM I HAD WAS POOR RADIO SIGNAL FOR THE YELLOWSTONE AM STATION, OTHER THAN THAT I ABSOLUTELY LOVED YELLOWSTONE PARK AND CAN'T WAIT TO GO BACK!
THE RESERVATION SYSTEM IS NOT UP WITH THE TIMES. YOU SHOULD BE ABLE TO PUT A DATE, PICK A PARK AND ANYTHING AVAILABLE SHOULD POP UP (THINK EXPEDIA). IT MAKES PLANNING A CAMPING TRIP VERY DIFFICULT AND HARD TO NOT KNOW WHERE YOU ARE STAYING.
THE SIGNS IN THE BATHROOMS ON HOW TO SIT ON A TOILET, SHOULD BE IN THE LANGUAGE OF THE PEOPLE WHO ARE DOING IT WRONG, NOT IN ENGLISH. OTHER SIGNS IN THE FACILITIES ARE DISPLAYED IN DIFFERENT LANGUAGUES, WHY ARE THESE ONLY IN ENGLISH?
THERE ARE SO MANY COMMERCIAL AND SERVICE FACILITIES, ETC. I FIND IT HARD TO BELIEVE A MORE RIGOROUS LAND MANAGEMENT ETHIC WOULD "INTERFERE WITH THE NATURAL ECOSYSTEM" A RATIONALE OFTEN PROVIDED FOR NOT REMOVING DEAD/DYING TIMBER, FORAGING PERMITS, ETC. THANKS FOR THE OPPORTUNITY TO PARTICIPATE WITH FEEDBACK.
THIS WAS MY FIRST TIME AT YELLOWSTONE. I LOVED IT! I WILL BE COMING AGAIN SOON! THANKS!
TOO MANY BISON ON ROADS CAUSING BISON JAMS - LIKE BEAR JAMS IN BISON JAMS (1961) REMEMBER.
TRAFFIC BAD, ROADS TOO SMALL, CONGESTION [EXPLETIVE] HOUSES, INADEQUATE ROADS, TOO NARROW, CONGESTION, CONGESTION!

Table 28 (continued). Question 33, Comments - verbatim responses

USING DAY TOILETS (WITH WOOD CHIPS) WOULD SEVERLY REDUCE ODORS AND REMAIN ECO-FRIENDLY.
VERY BEAUTIFUL PLACES, LOVED IT!
VERY NICE PLACE.
VERY SATISFIED WITH MY TRIP.
WAS VERY UNHAPPY WITH THE COMPETENCY AND UNFRIENDLINESS OF PARK RANGERS. OLD FAITHFUL WAS A ZOO. WE ARE EXPERIENCED HIKERS AND A PARK RANGER TOLD US TO USE BOARDWALK HIKES BECAUSE THE OTHER HIKES WERE "REAL HIKES" AND FAILED TO PROVIDE ANY ADDITIONAL INFORMATION (THAT WAS ACTUALLY HELPFUL). WE WERE TOLD TO NOT BOTHER GOING TO THE GRAND PRISMATIC SPRING BECAUSE OF CROWDS AND WERE BERATED FOR WAITING TO GO DURING PEAK TIME. WE FOUND OURSELVES ASKING MULTIPLE RANGERS FOR HIKE SUGGESTIONS BECAUSE NONE OF THE RESPONSES WERE GIVEN IN A THOROUGH WAY. SEEMED LIKE ALL THEY DID WAS JUNIOR RANGER OATHS AND CROWD CONTROL. CLEAN BATHROOMS! THEY ARE A MESS.
WE ENJOY COMING TWICE A YEAR!
WE LOOK FORWARD TO VISITING NEXT SUMMER. THE PARK EXPERIENCE WAS SPECTACULAR, A HIGHLIGHT OF OUR SUMMER, AND WE CAN'T WAIT FOR OUR RETURN TRIP. THANK YOU FOR THE EXPERIENCE!
WE THINK RECREATIONAL VEHICLES SHOULD PARK AND TAKE SHUTTLES.
WE USED TO TRAVEL THROUGH YELLOWSTONE AND THE TETONS EVERY COUPLE YEARS. BECAUSE OF THE OUTRAGEOUS FEES WE WILL NOT RETURN!
WOULD HAVE LIKED TO EXPERIENCE MORE OF THE PARK. CAMPING OUTSIDE THE PARK AND TIME CONSTRAINTS PREVENTED EXPERIENCING THE PARK FULLY.
YELLOWSTONE WAS EXTREMELY CROWDED, BUT WE KNEW IT WOULD BE. THE STAFF AND RANGERS WERE ALL VERY KIND AND KNOWLEDGEABLE. WE HAD A GREAT EXPERIENCE.
YELLOWSTONE'S NATURAL SCENERY IS SO BEAUTIFUL.
YES PLEASE MAKE ROADS SAFER FOR BICYCLISTS.
YES, ASIANS NEED TRAINING ON RESTROOM USAGE/ETIQUETTE. ASIANS NEED TRAINING ON GETTING OFF ROADWAY WHEN OBSERVING FEATURES/ANIMALS. NEED MORE RESTROOMS IN LAMAR VALLEY. TOILET PAPER TOO THIN! CHEAP!
North
ALWAYS A REWARDING EXPERIENCE. OUR GRANDDAUGHTER WAS IMPRESSED.
ALWAYS A WONDERFUL EXPERIENCE! WE ALWAYS BRING FAMILY/FRIENDS WHEN THEY VISIT. WE NEVER GET TIRED OF THE BEAUTIFUL SIGHTS.
AN ANNUAL PASS LANE FOR PEOPLE TO GET IN QUICKLY TO THE PARK.
AN OVERLOOK AT THE GRAND PRISMATIC HOT SPRING WOULD MAKE FOR A BETTER VIEW. RECYCLING WITH EACH TRASH CAN WOULD REDUCE WASTE AND HELP OUR EARTH! THIS INCLUDES AT PICNIC AREAS AND TRASH CANS AROUND CAMP AREAS. AN EASY WAY TO REPORT VANDALISM/PEOPLE WALKING OFF BOARDWALKS AROUND THERMAL FEATURES WOULD BE HELPFUL.
ASIAN FOOD IS VERY RARE. GIVEN THE BIG NUMBER OF ASIAN VISITORS. WOULD BE GOOD TO OFFER SOME ASIAN FOOD. NO WI-FI ANYWHERE. WOULD BE GOOD TO PROVIDE WI-FI AT LODGES AT LEAST.
AWESOME PARK - VERY BEAUTIFUL, CAN'T WAIT TO COME BACK.
BELOW - 8/11/16 PRISMATIC SPRING, 6:15 P.M. A LOT OF VISITORS I KNOW BUT, 1. TOILETS NEED A QUICK GOING OVER. ALL THE RAMP PLASTIC OR WOOD NEED NAILS AND EVEN SOME SCREW NAILS PUT BACK. EVEN HAND RAILS HAVE A FEW SCREW NAILS COMING UP. TRAVELERS FROM THE FAR EAST SHOULD COMPLAIN. NEVER LIKE THIS. THIS MORNING I SAW A LARGE GROUP OF YOUR PEOPLE WORKING ON A WOOD FENCE THAT COULD HAVE BEEN COMPLETELY SKIPPED. KEEP UP WHAT YOU HAVE WHERE THE MASSES ARE!
BEST HIKING TRAILS IN THE WORLD!

CELL SERVICE AND WIFI OPTIONS NEEDED TO PLAN DAY.
CHARGE \$125.00 ENTRY FEE. REFUND \$100.00 ON EXIT RECEIPT FOR US CITIZENS AND FULL AMOUNT FOR SENIOR PASS HOLDERS IF APPLIED FOR WHEN TAXES FILED. THE RESULTS WILL AMAZE YOU!
CHARGE CHINESE MORE TO ENTER.
DIFFICULT TO FIND ON INTERNET WHAT IS COVERED IN AMERICA THE BEAUTIFUL CARD ENTRY. EMPLOYEES AND FACILITIES COULD NOT BE BETTER! WE LOVED THE YELLOWSTONE EXPERIENCE AND WILL TRY TO CONVINCE OUR GROWN CHILDREN TO BRING THEIR FAMILIES. THEY REALLY ENJOY THE PHOTOS WE OCCASIONALLY WERE ABLE TO EMAIL.
EVERYTHING EXCEEDED EXPECTATIONS - WE HAD AN EXTRAORDINARY VISIT - ENDURINGLY MEMORABLE.
EVERYTHING GREAT. DO NOT BUILD MORE. MAYBE HAVE SHUTTLE BUSES FROM OUTSIDE TO LOCATIONS. STAY OUT-BUS 40 PEOPLE/REDUCE 20 CARS.
EVERYTHING WAS WONDERFUL EXCEPT FOR FOREIGN DRIVING CARS.
FANTASTIC PLACE, WELL RUN, GREAT VALUE AND AMAZING PLACE FOR THINGS TO SEE AND DO. TRULY AMAZING!
FANTASTIC! EVEN ON THE BUSIEST DAYS. MANY FOREIGN VISITORS AND IT MADE ME PROUD TO SHARE THEIR AWE AT WHAT WE ARE BLESSED WITH IN THIS COUNTRY. KEEP UP THE GREAT WORK, ALL YOU NP SERVICE WORKERS. YOU DO AMAZING WORK IN SPIKE OF A TOO-STINGY BUDGET. THANK YOU!
FINDING LODGING WITHIN THE PARK COULD BE MADE EASIER AND MORE INTERGRATED. WE ULTIMATELY FOUND LODGING ON USPARKLODGING.COM BY CALLING MULTIPLE TIMES. WHEN WE TRIED XANTERA'S WEBSITE OR PHONE (AT ABOUT THE SAME TIME) WE WERE TOLD NO ROOMS WERE AVAILABLE.
FOR A FAMILY REUNION OF TWELVE FOR A WEEKS STAY ALL WAS A+.
FROM MY LAST VISIT 25 YEARS AGO WOLVES HAVE CLEARLY HAD A BAD IMPACT ON SOME WILDLIFE.
GUARDRAILS SHOULD BE ADDED TO ALL HIGHER ELEVATION ROADS. THANK YOU FOR PRESERVING THESE LANDS!
HAD A GREAT TIME ON THE BUCKET LIST AGAIN!
HAD A NICE TIME DESPITE GETTING SICK. I LIKE THAT THERE IS RECYCLING.
HEALTHIER FOOD (WHOLE GRAIN, FRUITS, VEGGIES). MORE PLACES IN RESTAURANT (OLD FAITHFUL).
I DIDN'T DO JUSTICE TO THIS SURVEY IN THAT I WAS JUST DRIVING THROUGH THE PARK. PLAN TO VISIT THE PARK AGAIN AND SPEND MORE TIME SEEING ALL THE NATURE THAT SURROUNDS US AS WE TOUR THE PARK.
I HIGHLY RECOMMEND SHUTTLE SERVICE LIKE GRAND CANYON.
I REALIZE SOME RV MAY DRIVE THROUGH PARK, BUT PERHAPS LARGE RV'S SHOULD BE REQUIRED TO HAVE CAMPING RESERVATION OR PURCHASE MORE EXPENSIVE DAY PASS FOR DRIVE THROUGHS. PARKING FOR SHUTTLERS SHOULD BE FREE OR VERY LOW COST TO ENCOURAGE USE.
I STRONGLY OPPOSE ANY EFFORT TO RESTRICT ACCESS, USE BUSES TO MOVE PEOPLE AROUND BY GROUP. OPPOSE ANY EFFORT TO RESTRICT PARK.
I THINK THAT A SHUTTLE SERVICE THROUGHOUT THE PARK COULD HELP WITH THE SEVERE CONGESTION AND LACK OF PARKING SPACES, AS WELL AS NOISE AND FOSSIL FUEL POLLUTION.
I THINK THE POLICY OF ALLOWING FIRES TO BURN NATURALLY IS A BAD IDEA. MANY AREAS OF THE PARK ARE NOT VERY ATTRACTIVE DUE TO PREVIOUS FIRES. GIVEN THE LENGTH OF TIME IT TAKES FOR TREES TO GROW, I THINK FIRES SHOULD BE PUT OUT IF POSSIBLE.
I WAS LOOKING FORWARD TO SEEING BUFFALO AND DIDN'T SEE ANY I DROVE FROM ONE END OF THE PARK TO THE OTHER.
I WOULD LOVE TO SEE THE CROWDS MANAGED BETTER TO IMPORVE THE PARK EXPERIENCE.

Table 28 (continued). Question 33, Comments - verbatim responses

IF YOU WOULD LIKE TO REACH ME PLEASE CALL 336-918-1742. I CAN PROVIDE YOU A PICTURE OF THE BISON BLOCKING THE ROAD SHOWING THE ONCOMING MOTORCYCLE MENTIONED EARLIER. I SAW SIGNS ALL OVER THE PARK SAYING "DO NOT APPROACH WILDLIFE." SEEMS ODD FOR A RANGER TO TELL ME DRIVE RIGHT UP TO A BISON HONKING MY HORN. ALSO, A DANGEROUS SITUATION FOR THE PEOPLE ON THE MOTORCYCLE.
IMPOSE FINES ON THOSE WHO VIOLATE SAFETY RULES AND FOR GOING INTO PROHIBITED AREAS. WE SAW A LOT OF PEOPLE VIOLATING SIGNS. A COUPLE OF STUPID PEOPLE COULD SHUT DOWN AN AREA OF THE PARK FOR THE REST OF US.
IMPRESSIVE!
IN THE PARK THERE WERE MANY ITALIANS BUT NO GUIDE IN ITALIAN AND NO GUIDE IN THE PARK SPEAKS ITALIAN. WE LOVE THE YELLOWSTONE.
IT HAS BEEN 13 YEARS SINCE LAST VISIT. VISITOR CENTER AND FACILITIES WERE SAME AND/ OR BETTER! SERVICE (FRONT DESK AND RESTROOM) AT ROOSEVELT LODGE NEEDS IMPROVEMENT. RECYCLING BINS ARE TOO LARGE AND STAND OUT TOO MUCH. NEED TO ARTFULLY DISGUISE RECYCLING CONTAINERS TO KEEP THE NATURAL FEEL OF PARK. APPRECIATED WHEN CONGESTION AT CERTAIN AREAS/ PARKING LOTS THAT SIGNS AND STAFF DISCOURAGED TRAFFIC TO ENTER. WHY WASTE TIME BEING STUCK IN CONGESTION.
IT WAS A GREAT TIME.
IT WAS A PLEASURE TO RENT BOATS TO ENJOY THE LAKE AND WE ENJOYED OUR TIME WE SPENT THERE. ALL THE EMPLOYEES WE MET WERE VEY NICE TO US.
IT WAS A PLEASURE TO VISIT YELLOWSTONE NP IN THE CENTENNIAL OF THE NATIONAL PARK SERVICE. YOU ARE DOING A GREAT JOB TO PRESERVE NATURE AND WILDLIFE FOR FUTURE GENERATIONS. WE ARE THANKFUL FOR THE GREAT EXPERIENCES WE HAD DURING OUR STAY.
IT WAS AN AMAZING EXPERIENCE. I HAVE VISITED YELLOWSTONE 50 YEARS AGO, 30 YEARS AGO, AND THIS YEAR. WE TOOK THE RV TO EXPERIENCE OUTDOORS. MY THREE GRANDSONS WERE SPELLBOUND EVERY TIME WE SAW A WILD ANIMAL. THEY ALL ARE FROM LOS ANGELES AND HAVE ONLY SEEN MOST OF THESE WILD CREATURES IN A ZOO. THE YELLOWSTONE LANDSCAPE IS CHANGING DUE TO CLIMATE CHANGE AND NOT FOR THE BETTER. THERE WASN'T A GREAT DIFFERENCE BETWEEN 50 AND 30 YEARS, BUT THIS TIME 2016 - THERE WAS. IT MAY NOT BE ABLE TO BE STOPPED, BUT I HOPE SO. I HAVE MORE GRANDCHILDREN AND GREAT GRANDCHILDREN TO TAKE TO YELLOWSTONE.
IT WAS NICE TO SEE BEAUTIFUL, UNTOUCHED WILDERNESS. IT WAS VERY BUSY THOUGH.
IT WAS WONDERFUL! MY FAMILY AND I LOVE COMING TO SEE THE WIDE OPEN SPACES!
IT WOULD BE USEFUL TO HAVE RANGER ASSISTANCE IN HELPING THE FLOW OF CARS DUE TO BISON HERDS.
IT'S A TRUE AMERICAN TREASURE! IF IT WAS PHYSICALLY CLOSER, WE'D VISIT MORE OFTEN.
IT'S A WONDERFUL PLACE BUT JUST SO CROWDED.
IT'S WONDERFUL EXPERIENCE FOR ME AND MY FAMILY. EXCEPT THE PARKING, REST IS GOOD.
KEEP IT, PRESERVE IT, CHERISH IT.
KEEP THE RIVERS INTACT.
KEEP UP THE GOOD WORK! EVEN THOUGH WE WENT DURING PEAK SEASON, THINGS WERE VERY MUCH UNDER CONTROL, CLEAN, SAFE.
KEEP UP THE GREAT WORK! YOU GUYS ARE AWESOME! THANK YOU FOR ALL THAT YOU DO!
KILLING THE BROWN AND RAINBOW TROUT IS NOT RIGHT TROUT SAME AS THE CUTTHROAT.
LACK OF PARKING MADE ME SKIP TWO ATTRACTIONS.
LOVE THE PARK!
MORE CAMPING PLACES OVERNIGHT WOULD BE NICE.
MORE MARKED AREAS WHERE SWIMMING IS ALLOWED AND MORE BATHROOMS FOR CHANGING CLOTHES. BOILING SPRINGS HAS ONLY 1 RESTROOM AND THE LINES WAITING CAN BE LONG. WHEN IT'S HOT AND YOU'VE HIKEED A LOT, SWIMMING CAN BE A REFRESHMENT BEFORE THE DRIVE

Table 28 (continued). Question 33, Comments - verbatim responses

HOME. JUST NEED A PLACE TO CHANGE INTO BATHING SUIT. SOUTHEAST YELLOWSTONE LAKE HAD WARMER WATER AND NICE BEACH PEBBLE SHORE BUT NO RESTROOMS FOR CHANGING CLOTHES.
MORE PARKING, MORE CAMPSITES.
MORE RANGER HIKES AND LONGER HIKES.
MORE RV PARK, NEED CELL PHONE SIGNAL COVERAGE, PERFECT TRIP.
NATIONAL PARK SERVICE = THE UNITED STATES OF AMERICA'S BEST IDEA.
NATIONAL PARK SERVICE ROCKS!
NATIONAL PARK SERVICE SYSTEM CONTINUES TO BE PROTECTORS OF OUR NATURAL HERITAGE AND ARE AN INVALUABLE RESOURCE FOR OUR COUNTRY. THANK YOU FOR YOUR WORK.
NATIONAL PARKS ARE NOT THEME PARKS IF "FAST" OR "EXPRESS" PASSES ARE ISSUED FOR ADMITTANCE, THE NPS ARE NO LONGER "FOR THE BENEFIT AND ENJOYMENT OF THE PEOPLE".
NEED MORE ACCOMADATIONS AND EATING ESTABLISHMENTS. I QUESTION HOW MUCH TRAINING THE YOUNGER STAFF RECEIVE.
NEED MORE CAMPING SITES LIKE MAMMOTH SLOUGH CREEK, PEBBLE CREEK. MORE SHOULD ROOM ON ROADS FOR MORE PULL OUT ACCESS.
NEED MORE CAMPING, HOTELS COST A FORTUNE.
NEED MORE HEALTHY FOOD OPTIONS.

NORRIS WAS VERY CONGESTED - DURING THOSE HIGH VOLUME TRAVEL HAVE EMPLOYEE DIRECTING TRAFFIC.
NOT ENOUGH GUIDES AVAILABLE TO TELL ABOUT GEOLOGY ETC. THEY SEEM ALWAYS BUSY ON OTHER ASSIGNMENTS.
OFFER BUSES INTO PARK AND A REDUCED RATE OF ENTRY IF A BUS IS USED. IT IS NICE TO HAVE THE SENIOR LIFETIME PASS, BUT UNITED STATES OF AMERICA CITIZENS SHOULD NOT HAVE TO PAY HIGH COSTS TO ENTER PARKS, OUR TAXES ALREADY HELP PAY. OFFER A REDUCED RATE TO THEM. STILL ALLOW VEHICLES INTO PARK BUT ENCOURAGE PEOPLE TO USE A BUS (IF YOU PROVIDE THE BUSES).
ON MY VISIT LAST YEAR I SAT 40 MINUTES WAITING IN THE FRONT ROW OF SEATING OF OLD FAITHFUL TO BEAT THE CROWDS. AT THE LAST 10 MINUTES PEOPLE STARTED SITTING ON THE EDGE OF THE SEATING FLOOR IN FRONT OF ME AND ALSO STOOD IN THE DIRT IN FRONT OF MY VIEWING AREA. NO PARK RANGERS TOLD THEM TO MOVE. THEREFORE MY 40 MINUTE WAIT WAS FOR NOTHING. IT WAS VERY RUDE AND DISRESPECTFUL TO ME AND MY FRIEND.
ONLY REAL PROBLEM THAT I SEE IS THE HIGH NUMBER OF VISITORS AND THE EFFECT IT HAS ON TRAFFIC AT SITES.
OVERALL WE WERE IN AWE!
OVERALL, GOOD JOB AT MAINTENANCE AND MEETING DIVERSE NEEDS/INTERESTS. ON WEBSITE IT SHOULD BE STATED THAT THE ENTRANCES/EXITS NEVER CLOSE (EXCEPT FOR INCLEMENT WEATHER).
PARK FEES ARE TOO HIGH. THEY ARE BEGINNING TO PRICE SOME PEOPLE OUT OF USING THE PARK. IT SHOULD NOT BE AN ISSUE OF HAVE AND HAVE NOT PEOPLE - MAKE IT MORE ACCESSIBLE TO ALL BY SUPPORTING THE PARK AND ACTIVITIES WITH TAXES INSTEAD OF THIS INCREASING

Table 28 (continued). Question 33, Comments - verbatim responses

RELiance ON "USER FEES." IN MANAGEMENT OF THE PARK RESOURCES AVOID GOING OVERBOARD IN TRYING TO MAKE THE PARK AS IT WAS BEFORE PEOPLE BECAME SUCH A FACTOR IN THE PARK. WE CANNOT MAKE THE PARK INTO A PRECONCEIVED THE WAY IT USED TO BE BEFORE PEOPLE. THAT SAID THE MANAGEMENT OF THE PARK AS AN ENTIRE ECOSYSTEM SHOULD BE A STRONG PRIORITY. I AGREE WITH REDUCING LAKE TROUT POPULATIONS IN YELLOWSTONE LAKE, BUT DO NOT SUPPORT POISONING BROWN TROUT IN THE GIBBON TO TRY AND RE-ESTABLISH CUTTHROATS. I SUSPECT THE WATER WILL PROVE TOO WARM FOR CUTTHROATS. I SUPPORT THE SUCCESS OF THE RE-INTRODUCTION OF WOLVES AS PREDATORS.
PLEASE BE GENTLE WITH YELLOWSTONE NP!
PLEASE CONTINUE TO HAVE AS MANY RANGERS ON THE GROUND AND AT SITES. THEY WERE THE BEST, FULL OF INFORMATION VERY PERSONABLE AND PROFFESIONAL. PROPS TO THEM! MORE TRASH CANS ON MAJOR TRAILS. THE TETONS WERE MY FAVORITE BECASUE, THE CROWDS WERE MUCH SMALLER! I LOVED YELLOWSTONE THOUGH AND PLAN TO BRING MY FAMILY BACK.
PLEASE DO NOT EXPECT PEOPLE TO BE WEARING SUITS IN THE PARK. WE WENT TO RESTAURANT AND THEY DID NOT SERVE US BECAUSE WE WERE NOT WELL DRESSED. PEOPLE ARE IN PARK HIKING THEY CANNOT BE WEARING SUITS. IF THEY ARE HUNGRY THEY WANT TO EAT. ALSO, TIMINGS OF THE RESTAURANT ONE DAY WE DROVE SEVERAL MILES AWAY, ALMOST AN HOUR. GO TO THE PIZZA RESTAURANT THEY TOLD US THEY ARE CLOSED WILL BE OPEN AFTER 5PM OR SO. AGAIN PEOPLE ARE HERE TO ENJOY NOT DEAL WITH DRESSING UP OR TIMING ISSUES.
PLEASE MAKE LANE AT ENTRANCES FOR PERSONS THAT HAVE A PASS FROM PREVIOUS DAY.
PLEASE PROVIDE MORE CLEARLY MARKED DIRECTIONS/ SIGNAGE TO PARK EXITS/ ENTRANCE FROM HIGHWAY 89/191 FOR VISITORS TRYING TO DRIVE THROUGH WHILE ON HIGHWAY 89/191.
PRESERVE NATURE. LIMIT ACCESSIBILITY.
PROVIDE LESS EXPENSIVE HOTELS AND LESS CROWDED CAMPGROUNDS.
PROVIDE MORE WARNING FOR TURN-OUT AREAS, ESPECIALLY FOR RECREATIONAL VEHICLES.
RANGER HIKES ARE EXCELLENT (SOMETIMES LESS PEOPLE THAN EXPECTED - ADVERTISE MORE). EVENING PROGRAMS COULD GO MORE IN DETAILS ABOUT NATURE - THE "NUTCRACKER" ON AUGUST 4 AT CANYON WAS EXCELLENT. ADD MORE, MORE PULL-OUTS OR BASES (AS ZION). ADD CELL PHONE SPOTS IN SOME LOCATIONS (CAMPGROUNDS).
REDUCE TRAFFIC AND NOISE, SO WE CAN SEE MORE WILDLIFE. THANKS FOR ALL THE WORK! IT'S A GREAT PLACE!
SOME OF THE BATHROOM FACILITIES AT GRAND CANYON FALLS WERE IN NEED OF CLEANING.
SUPERCALIFRAGILISTICEXPEALIDOCIOUS!
THANK YOU
THANK YOU FOR ALL YOU DO!
THANKS
THANKS FOR RESTARTING THE BACKCOUNTRY RANGER LED DAY HIKES OF 5-7 MILES THAT ENABLES US TO ENJOY THE BACKCOUNTRY AND BE SAFE. I DID NOT GO TO ANY CROWDED AREAS OF THE PARK ON MY 10 DAY TRIP BECAUSE I WAS IN THE BACKCOUNTRY AND OFF THE ROADS!
THE PRICES OF THE LODGING ARE QUITE HIGH FOR US AND WOULD MAKE IT IMPOSSIBLE TO VISIT MORE OFTEN.
THE RESTROOMS WERE SO STINKY, WE HAD TO COVER OUR NOSES.
THE SIGNAGE IN THE PARK NEEDS TO BE UPDATED. MADE MANY WRONG TURNS BECAUSE SIGNS DID NOT ALLOW ENOUGH TIME TO TURN, ETC.
THE WHOLE PARK WAS GREAT, JUST TOO MANY PEOPLE.
THIS PARK IS GETTING TOO CROWDED IN SUMMER. BICYCLES SHOULD BE RESTRICTED. ROADS ARE TOO NARROW FOR RECREATIONAL VEHICLES AND BIG VEHICLES TO AVOID BIKERS ON SOME SECTIONS.
THIS WAS MY 6TH VISIT TO THE PARK SINCE 1966. EACH PREVIOUS VISIT WAS VERY ENJOYABLE. I WAS APALLED AT THE CONDUCT OF MANY VISITORS. LEAVING TRASH IN MANY LOCATIONS. PUSHING AND SHOVING PEOPLE IN LINE OR IN SEATING AREAS. PEOPLE GOING OFF WALKWAYS

Table 28 (continued). Question 33, Comments - verbatim responses

ONTO BARE GROUNDS. WHILE THESE THINGS ARE OUT OF PARK EMPLOYEE'S CONTROL, IT WAS DISHEARTENING TO TAKE MY GRANDSON ON HIS FIRST VISIT, AND HAVING ALL THIS GO ON. OUR FAMILY DOES APPRECIATE ALL THE WORK AND ENERGY THAT PARK EMPLOYEES DISPLAY. THANK YOU.
TO REDUCE TRAFFIC INSIDE THE PARK AND NOT IMPACT THE ECOLOGY - A NETWORK OF ROADS SURROUNDING THE PARK SHOULD BE CONSIDERED.
TOUR BUSES MAY NOT ADD TO TRAFFIC CONGESTION BUT THEY ADD A CONGESTION PROBLEM ON THE BOARDWALKS. THE LARGE NUMBER OF PEOPLE THEY BRING IN SEEM TO BE A STRESSOR FOR THE PARK. I HOPE THEIR FEES REFLECT THIS AND CAN BE USED TOWARD IMPROVEMENTS.
UPON PARK ENTERANCE PLEASE ISSUE RULES FOR DRIVING, STOPPING, PARKING, TRASH DISPOSAL IN MULTIPLE LANGUAGES ESPECIALLY INCLUDING CHINESE; PROVIDE BETTER SIGNAGE TO MATCH DRIVING MAP GIVEN AT ENTERANCE; INCREASED TRAFFIC CONTROL, PATROLLING, AND ISSUANCE OF CITATIONS IN THE PARK.
VERY LITTLE SERVICE IN NPS; RANGERS ARE NOT VISIBLE ENOUGH, DO NOT WRITE ENOUGH CITATIONS, PLAY FAVORITES WITH CERTAIN USE GROUPS SUCH AS WOLFERS; NOT ENOUGH CLEAR ANSWERS CONCERNING PARK POLICIES; NO CARPOOLING OF EMPLOYEES NO ENGINE IDLING RULE FOR EMPLOYEES SPECIFICALLY NPS; NO QUESTIONS IN THIS STUDY CONCERNING EXPANDING THE SUMMER SEASON, I.E. 7 IF THE ROADS ARE PLOWED IN THE SPRING FOR USE BY EMPLOYEES ONLY, SHOULD THEY ALSO BE OPEN FOR USE BY THE TAX PAYING, ENTRANCE FEE PAYING PUBLIC? YES.
VOTE TRUMP
WE ARE HOPING TO RETURN NEXT YEAR!
WE CAME THROUGH YELLOWSTONE TO GET TO "BEARTOOTH HIGHWAY". WOULD HAVE LIKE TO SPEND MORE TIME IN YELLOWSTONE, BUT LOVED BEARTOOTH.
WE GO EVERY YEAR FOR 2 TO 4 DAYS AND ALWAYS AMAZED.
WE LIKED THERE WAS VEGETARIAN (VEGAN, TO BE SPECIFIC) FOOD AT MOST PLACES WE VISITED.
WE LOVE IT!
WE LOVED IT AND AGREED IT WAS UNLIKE ANY OTHER LANDSCAPE WE HAD EVER SEEN. VISUALLY AWE-INSPIRING AND WELL-MANGED/CARED FOR BY PARK STAFF. WE CAN'T WAIT TO COME VISIT AGAIN.
WE LOVED OUR TRIP TO YELLOWSTONE.
WE LOVED OUR VISIT. RANGER ADVICE WAS VERY VALUABLE AND EACH ONE FRIENDLY AND HELPFUL EVERY TIME. WE WERE ABLE TO KEEP OUT OF BUSY AREAS, TRAFFIC, ETC. DUE TO THEIR ADVICE. WE SAW A LOT AND VALUED PLACES THE RANGERS ADVISED TO SEE THAT WE MIGHT HAVE MISSED OTHERWISE.
WE PARTICIPATED IN YELLOWSTONE FOR FAMILIES BY YELLOWSTONE ASSOCIATION AND IT WAS SUPERB.
WE WERE ON A HIKING TOUR WITH YELLOWSTONE ASSOCIATION AND HAD A GREAT TIME.
WE WOULD HAVE ENJOYED CAMPING IN THE PARK BUT THE CAMPGROUNDS WERE ALREADY FULL EARLY IN THE DAY, THE FIRST TIME WE ENETERED THE PARK ON THIS TRIP.
WEBSITE SHOULD BETTER EXPLAIN CAMPING AND HOW TO GET A CAMPSITE (TIMES OF OPEN AND CLOSE, ETC.).
WORK NEEDS TO BE DONE FOR PEOPLE USING BICYCLES.
WOULD LIKE A "WILDLIFE NOW" APP WHERE TOURISTS AND PARK OFFICIALS COULD GIVE REAL TIME UPDATES ABOUT WILDLIFE SIGHTINGS.
WOULD LIKE MORE NPS CAMPGROUNDS INSIDE THE PARK TO ACCEPT LARGE RIGS. CAMPGROUND HAVE TREES TAHT PROHIBIT LARGE RIGS.
WOULD LIKE TO SEE PARK RANGERS ON THE BOARD WALKS IN KEY AREAS. DID NOT SEE A SINGLE PARK RANGER AT ANY OF THE SIGHTS VISITED. PARKING ATTENDANT OR SOMEONE HELPING TO CONTROL FLOW OF CARS INTO/OUT OF FULL LOTS. CONSTANT PROCEDURE TO SECURE WALK-IN CAMPSITES. WE STAYED AT 2 DIFFERENT YELLOWSTONE CAMPGROUNDS (+GRAND TETON) AND EACH SITE HAD A DIFFERENT PROCEDURE TO SECURE A SITE. HAD TROUBLE FINDING A

YELLOWSTONE NP NEWSPAPER AS WE ENTERED THE PARK BEFORE THE ENTRANCE WAS MANNED (5AM).
XANTERRA NEEDS TO LEARN HOW TO SERVE PROPERLY IN DINING ROOMS, THEY LEAVE EMPTY TABLES FOR 4, WITH AN UNWILLINGNESS TO SET UP TABLES FOR 5. HIGHER QUALITY FOOD, ESPECIALLY FOR CHILDREN, WOULD BE APPRECIATED. DISCIPLINE/ARREST TOURISTS WHO DISREGARD WILDLIFE SAFETY AND SAFETY NEAR THERMAL SITES. MAKE IT KNOWN YOU WON'T TOLERATE MISBEHAVIOR AND STUPIDITY. SET UP A BETTER SYSTEM FOR EDUCATING YOUR SEASONAL RANGERS. WE LOVE THE RANGER PROGRAMS, BUT WERE LEFT UNDERWHELMED BY SOME WHO CLEARLY DIDN'T UNDERSTAND WHAT THEY WERE PRESENTING OR THEIR ROLE WITH THE NATIONAL PARK SERVICE.
YELLOWSTONE NP IS THE BEST PARK I'VE SEEN EVER AND BELIEVE ME I SAW A LOT.
YELLOWSTONE NP IS THE GREATEST OF ALL PARKS AND THE FRIENDLIEST.
YES - THANKS AND KEEP UP THE GOOD WORK. ONLY COMPLIMENT. HALF HOUR AND 40 MINUTES CONSTRUCTION (ONE WAY). ROAD STOPPAGE IS A LITTLE TOO LONG - WHILE ON VACATION IN PARK.
Northeast
THE RESTROOMS IN THE PARK (OUT HOUSES) WERE SO DISGUSTING (STINKY) DIRTY. THEY COULD NOT BE USED. WE FOUND VISITOR CENTERS TO USE. ALSO THE COST AT LODGES, STORES, AND TOWNS IN THE PARK WERE SO UNAFFORDABLE THAT MANY FAMILIES WOULD NOT BE ABLE TO TAKE THIS TRIP IN THEIR LIFETIME.
A NATIONAL TREASURE MORE SUPPORT AND FUNDING!
A NATIONAL TREASURE.
ADD MILE MARKERS TO HELP LOCATE ATTRACTIONS.
ADD MORE ROAD SIGNS. ADD MORE RESTROOMS ON SITE (PORTABLE TOILETS ARE TOO DIRTY).
AMAZING PARK, GREAT EMPLOYEES, LEARNED A LOT FROM PLACARDS AND RANGER TALKS. VOLUNTEER WORKERS ARE AMAZING AND EAGER TO SHARE INFORMATION ABOUT PARK SITES.
APPLICATIONS, WHERE ARE THE APPLICATIONS TO DRIVE EVENTS AND DEVELOPMENT.
AS UNITED STATES POPULATION SOARS TOWARDS 1 BILLION THE PARK WILL CONTINUE TO BE OVERCROWDED. OPEN MORE BACKCOUNTRY ROADS TO ACCOMODATE EXPLOSIVE UNITED STATES POPULATION. ALSO SECURE THE BOUDERS AND STABILIZE UNITED STATES POPULATION. IN SEVERAL GENERATIONS WITH A POPULATION OF BETWEEN 1-2 BILLION ENTRY WILL HAVE TO BE BY LOTTERY.
BATHROOMS ARE A BIG PROBLEM!
BATHROOMS AT UPPER FALLS WERE HORRIBLE 8-3-16. WISH THERE WAS MORE COMPOSTING (LIKE AT MAMMOTH).
BEAUTIFUL TRIP. WE HAVE NEVER BEEN OUT WEST AND ENJOYED EVERY MINUTE!
BEST VACATION EVER!
CONSIDER HOW TO CARE FOR EMPLOYEES, HELP THEM CARE FOR THEMSELVES SO THEY ARE SERVICE ORIENTED AND PLEASANT VERSUS RUDE, SARCASTIC, AND/OR IMPATIENT, WORN OUT BY PEOPLE.
CRACK DOWN HARD ON PEOPLE STOPPING IN THE ROAD! \$1000 FINE OR MORE.
DURING MY STAY AT YELLOWSTONE NP, I OBSERVED MANY HATS PEOPLE LOST IN INTEREST WAYS. YOU SHOULD CONCERN THEM ABOUT THAT POSSIBILITY BECAUSE OF HARD WINDS AND TRY TO TAKE THEM OFF WHEN IT HAPPENS. MY TOTOGRAPHY HAVE MANY HATS! YOU SHOULD OBSERVE PEOPLE CARRYING DRONES! I FELT SORRY LOOKING PEOPLE SCARING ANIMALS WITH THEM. MANY ROADS (SMALL ONES) ARE CLOSE TO VISITORS. THEY ARE GREAT TO WATCH WILDLIFE. I MISSED THIS POSSIBILITY IN THIS PARK.
ENTRANCE FEES ARE TOO LOW AND ESPECIALLY SHOULD BE INCREASED FOR NON-UNITED STATES CITIZENS. WE HAVE ALREADY PAID IN PART FOR THE PARKS AND SHOULD NOT HAVE TO BURDEN THE REPAIRS AND MAINTENACE CAUSED BY FOREIGN TOURISTS OVER RUNNING OUR

PARKS. MOST RETIRED PEOPLE HAVE MORE DISPOSOL INCOME THAN 20 YEAR OLDS. THE FEE STRUCTURE IS UPSIDE DOWN.
EXCELLENT OPPORTUNITY.
EXCEPT FOR A FEW YEARS WHEN WE LIVED OUTSIDE THE UNITED STATES WE HAVE COME TO YELLOWSTONE EVERY YEAR TO FISH SINCE 1964.
EXTREMELY LOUD MOTORCYCLES ARE AN EXTREME ANNOYANCE, ESPECIALLY IN WEEK BEFORE BIKE WEEK IN STURGIS, SOUTH DAKOTA.
FIND A WAY TO ELIMINATE "HARLEY" MOTORCYCLES WITHIN PARK - NOISE POLLUTION IS INCONSISTENT WITH NPS MISSION!
FIRST COME, FIRST SERVE CAMPGROUNDS NEED IMPROVEMENTS.
FISHING SHOULD BE BANNED TO PROTECT WILDLIFE. LODGING IN THE PARK WAS NOT VALUE FOR MONEY.
FOOD SERVICE AT THE CANYON LODGE WAS POOR - PARKING PROBLEMS AT OLD FAITHFUL AREA, NORRIS GEYSER AND MAMMOTH SPRINGS - WANTED TO STAY AT OTHER LODGING FACILITIES BUT YOU HAD NO AVAILABILITY. BUT STAYING OFF PREMISE AT WEST YELLOWSTONE AND GARDINER DID ADD TO OUR TRIP.
GET RID OF THE [EXPLETIVE] WOLVES!
GREAT FLY FISHING, SOLITUDE ON STREAMS, AND GREAT STAFF. WE REALLY ENJOYED OURSELVES! THANK YOU.
GREAT PLACE TO VISIT, THANKS.
GREAT TRIP! FRIENDLY RANGERS!
GREAT TRIP. SOME AREAS WERE VERY CROWDED.
GREAT VISIT. MY HUSBAND AND I ARE TRAVELING THE UNITED STATED, TRYING TO VISIT ALL 50 STATES. "10 BEST THINGS TO SEE IN." WYOMING WAS #10. MONTANA WILL BE #11.
I AM A MARINE CORPS VETERAN AND SERVED AS A MARINE ONE CREW CHEIF FOR PRESIDENT BUSH IN 2005. IN MY SERVICE I SPENT ALOT OF TIME AT CAMP DAVID WHERE ROOSEVELT (FRANKLIN) CHOSE A PARK THAT HAD BEEN CREATED BY THE WORKS PROGRESS ADMINISTRATION IN 1935 AS THE FUTURE SITE OF USS SHANGRI-LA, (CAMP DAVID). THIS PLACE IS KEPT UP BY THE GOVERNMENT AND IS WONDERFUL. THE YELLOWSTONE NP IS A FAR CRY FROM WHAT IT COULD BE! THE AMOUNT OF MONEY PAYED TO ENTER THE PARK IS ENOUGH THAT THE PARK SHOULD BE PAVED IN GOLD. AS AN AMERICAN, VETERAN, AND PATRIOT, I CAN SAY THAT THEODORE ROOSEVELT WOULD BE SAD TO SEE YELLOWSTONE NP TODAY. YET HE WOULD GREATLY PRAISE THE CITY OF MEDORA, NORTH DAKOTA FOR THEIR INVOLVEMENT AND TRUE CARE OF THE AREA SURROUNDING AND THAT MAKES UP THE THEODORE ROOSEVELT NATIONAL PARK! I WOULD GO TO THE THEODORE ROOSEVELT NATIONAL PARK AGAIN OVER THE YELLOWSTONE NATIONAL PARK ANY DAY OF THE WEEK. THANKS FOR YOUR CONCERN! [NAME]
I BELIEVE THAT THE PARK BUILDINGS ARE EITHER VERY NEW AND BEAUTIFUL AND THE OLD STRUCTURES HAVE BEEN BEAUTIFULLY MAINTAINED AND PRESERVED. THIS WAS OUR 3RD VISIT IN THE LAST 14 MONTHS AND THE WORK YOU HAVE DONE AT LAKE VILLAGE ON THE HOTEL AND THE OLD LOG STRUCTURES ARE SO WONDERFUL. I VISITED THE PARK 20 YEARS AGO AND THE CONDITIONS WERE SOMEWHAT DIRE. CONGRATULATIONS ON WHAT YOU HAVE ACCOMPLISHED AND FOR 100 YEARS! SUGGESTION: MORE VISIBILITY FOR KNOWING WHAT KIND OF ORGANIZED TOURS AND TALKS ARE AVAILABLE.
I HAVE VISITED THE PARK FOR 45 YEARS NOW AND WORKED SEASONALLY FOR 6 SUMMERS. I THINK THE NPS IS DOING THE BEST THEY CAN. HOWEVER, THE CRUSH OF VISITORS IS PUTTING THE PARK BEYOND CAPACITY. LIMITED PRIVATE AUTOS IS GOING TO BE NECESSARY. AN EXTENSIVE SHUTTLE BUS SYSTEM WOULD HELP.
I LIVE NEARBY IN CODY. WOULD LOVE TO VISIT MORE OFTEN BUT THE HORDES OF VISITORS KEEP ME AWAY. I RIDE TO OTHER NEARBY BEAUTIFUL PLACES. BEARTOOTH HIGHWAY, CHIEF JOSEPH HIGHWAY. NORTH AND SOUTH FORK OF SOLITONI, BIGHORN MOUNTAINS.
I THINK IT IS VERY IMPORTANT TO INCREASE LODGING AND CAMPING CAPACITY. THIS WOULD DECREASE TRAFFICE, AIR POLLUTION CARBON EMISSIONS, PARKING PROBLEMS AND CONGESTION AT ENTRY POINTS. GET MOST CAPACITY WITH LEAST IMPACT ON LAND AND

Table 28 (continued). Question 33, Comments - verbatim responses

SIGHTLINES, NO OLD FAITHFULL INN TYPE STRUCTURES. CUBICLE TYPE INSTEAD. MOST LODGING ETC. AT ATTACTIONS. SIMPLEST AND BEST SOLUTION TO MUTIPLE PROBLEMS. ENDS 100 MILE ROUND TRIP FOR THOUSANDS DAILY. USE "PEOPLE MOVERS" (TRANS) FROM HOUSING AND CAMPGROUNDS TO ATTRACTIONS WHEN SHORT DISTANCE.
I VISIT YELLOWSTONE EVERY YEAR AND IT IS PERHAPS THE THING I LOOK FORWARD TO THE MOST. THANK YOU FOR PROTECTING AND PRESERVING THIS TREASURE.
I WISG THERE HAD BEEN A PLACE TO PARK OUR DOGS, AS WE WERE ON A 2 WEEK CAMPING TRIP AND HAD TO BRING THEM, BUT I DON'T THINK IT'S YOUR RESPONSIBILITY TO PROVIDE THAT. WE HAD A WONDERFUL TIME! THANK YOU!
I WOULD LIKE TO SEE SINGLETRACK OPENED UP TO MOUNTAIN BIKES, SKETCHY RIDING ON SERVICE ROADS. MOST WERE LAZY AND DID NOT MAKE IT TO ALL THE DISANT TRAILHEADS FOR HIKING THAT I COULD HAVE EASILY RIDDEN. NEXT TIME I'LL TAKE A MOTORCYCLE OVER A BICYCLE. BUT EVERYTHING ELSE WAS SWEET!
IT WAS A GOOD EXPERIENCE, THANK YOU FOR YOUR FRIENDLY, WE'LL COME BACK!
IT WAS A GREAT TRIP AND A BIG EXPERIENCE!
IT WAS AMAZING!
IT WAS NICE TO SEE A BRIGHT PAGE WITH WARNINGS, IN DIFFERENT LANGUAGES, ABOUT SAFETY AROUND ANIMALS. MORE LIVE CAMERAS WOULD BE NEAT TO SEE WINTER IN YELLOWSTONE FROM ALL ANGLES.
IT WAS ONE OF THE HIGHLIGHTS OF OUR TRIP. SEE AMERICA!
IT WAS SURPRISING HOW FEW NPS EMPLOYEES WE SAW WORKING INSIDE THE PARK CONSIDERING THE NUMBER OF VISITORS.
IT WAS WONDERFUL, ROAD CONSTRUCTION DELAYS WERE TOO LONG.
IT WOULD BE NICE TO SEE SLOWER POSTED SPEED LIMITS ON THE MAIN ROADS. IT MIGHT HELP PEOPLE SLOW DOWN AND ENJOY THE SCENERY WITHOUT BEING "PUSHED" BY SOMEONE WANTING TO TRAVEL AT SPEEDS MAKING IT DIFFICULT TO RELAX AND ENJOY THE PARK.
IT'S PERFECT!
I'VE BEEN COMING TO THE PARK ALMOST EVERY YEAR OF MY LIFE, ABSOLUTELY LOVE YELLOWSTONE NP!
JUST BEING HONEST, THE COST/PER NIGHT FOR THE HOTELS/MOTELS WAS TOO EXPENSIVE!
KEEP ACCESS OPEN TO PEOPLE AND ANIMALS!
LOVE IT! ALL OF IT! I USUALLY VISIT THE PARK 4-5 TIMES A YEAR.
LOVED IT - COMING BACK BEEN LAST 4 YEARS.
LOVED IT AND CAN'T WAIT TO RETURN!
LOVED OUR TRIP! THANK YOU!
MAKE SURE HANDICAP AREAS ARE UP TO CODE AND CLEAN.
MORE ANIMALS TO SEE MORE INFORMATION ABOUT DRINKS, SUN PROTECTION, ESPECIALLY OUTDOOR CLOTHES. JOKE! NO ASIANS IN RENTAL CARS! BECAUSE POOR DRIVERS.
MORE PARK GUIDES! IT WAS AN AMAZING EXPERIENCE - YOU HAVE A GREAT PARK! WE SAW ALL OF THE ANIMALS EXCEPT FOR A BEAR! HAWK, BALD EAGLES, BEAVER, MOUSE, WOLF (MALE AND FEMALE), ELK, BIGHORN SHEEP, BISON, BABY FOX, PRONGHORN ANTELOPE. THANK YOU! WEST YELLOWSTONE IS TOO TOURISTY. GARDINER WAS NICE.
MORE RANGERS OUT IN FIELD WOULD BE GOOD, STRICTER ENFORCEMENT OF PARKING RULES MIGHT BE CONSIDERED.
MY FAVORITE NATIONAL PARK.

N/A (MAYBE MORE LAKE OPTION ADVENTURES, ISLANDS).
NEED MORE PAVED ROADS, AND ENFORCE THE "NO STOPPING ON ROADWAY". WOULD LIKE TO SEE MORE ANIMALS. WE WERE AT YELLOWSTONE 14 DAYS AND ENJOYED IT VERY MUCH.

OVERALL, YELLOWSTONE NATURAL ENVIRONMENT SHOULD BE MAINTAINED, SINCE THAT IS WHAT MAKES THE PARK UNIQUE. HOWEVER, THE NUMBER OF VEHICLES IN THE PARK AT PEAK TIMES IS EXCESSIVE. IT TRULY TAKES AWAY FROM THE ENJOYMENT. ALSO, DURING LATE IN THE AFTERNOON DRIVERS NOT STAYING IN PARK DRIVE AGGRESSIVELY TO REACH THE EXITS TO THE PARK. IF POSSIBLE CAMERAS SHOULD BE PLACED TO ENFORCE THE SPEED LIMIT.
PLEASE DO NOT ADD ANYMORE FACILITIES. ENCOURAGE PEOPLE TO GET INTO THE BACKCOUNTRY.
PLEASE SLOW TRAFFIC DOWN - SPEED BUMPS, SPEED TRAPS. I FINALLY SAW WOLVES ON THIS TRIP - AFTER TRYING FOR 6 YEARS!
PLEASE VOTE FOR AMERICA. VOTE TRUMP.
PULL OUT AREAS ARE IMPORTANT WHERE BISON CONGREGATE. I AM SURE YOU WOULD HAVE THE DATA.
QUESTION #22 IS LEADING TOWARDS POTENTIAL LIMITING OF ACCESS TO THE PARK BY USE OF SHUTTLES OR CLOSURES. I HIGHLY OPPOSE ANY RULES TO FURTHER LIMIT ACCESS TO VEHICLES OR ROADS.
RECYCLING SERVICES WERE BETTER A COUPLE OF YEARS AGO.
ROOSEVELT LODGE SHOULD PROVIDE MORE AREAS TO PREPARE FOOD AND CLEANER RESTROOMS.
SECURING A CAMPPSITE SPUR-OF-THE MOMENT WAS DIFFICULT. THOUGH I'M THANKFUL FOR PERSERVERING AND WINNING AND SITE FOR ONE NIGHT. NICE NEIGHBORS ON ONE SIDE, NATURE ON THE OTHER, BUT LOUD TRUCKS, LOUD VOICES, AND HOARDS ALL AROUND.
SERVICES GET EXPENSIVE.
SOME OF THE OUTDOOR BATHROOMS WERE PRETTY NASTY. OTHERWISE WE HAD AN EXCELLENT VACATION! THANK YOU!
SPECIAL PRIVELEGES SHOULD NOT BE GIVEN TO PRIVATE GROUPS SUCH AS THE YELLOWSTONE ASSOCIATION.
SPEED UP ROAD CONSTRUCTION CONTINUE TO WIDEN ROAD SHOULDERS.
THANK YOU
IT WAS AMAZING!
THANK YOU!
THANK YOU. TRAFFIC GETS BAD. I THINK COULD HAVE SIGNS DIRECTING PEOPLE WHERE THERE IS LESS TRAFFIC. NO MANDATORY BUSES PLEASE. HAVE A FEW AREAS WHERE DOGS COULD GO "TRAILS" LEASH
THANKS TO T.R.!
THANKS. WE LOVE THIS PARK.
THE BATHROOM NEED TO BE CLEANED MORE OFTEN!
THE CAFETERIA AT OLD FAITHFUL IS OUTDATED AND THE FOOD WAS INEDIBLE.
THE LODGING AND THE FOOD ARE NOT GOOD.
THE MOST WONDERFUL EXPERIENCE MY HUSBAND AND I HAVE ENCOUNTERED RECOMMENDING TO EVERYONE.
THE PARK
THE PARK IS AMAZING WITH SCENERY AND OUTDOOR OPPROTUNITY! HOWEVER I WAS EXTREMELY FRUSTRATED WITH THE AMOUNT OF HATS AND OTHER ITEMS VISITORS DO NOT PAY

Table 28 (continued). Question 33, Comments - verbatim responses

ATTENTION/SECURE WHEN WALKING THE TRAILS OR VISITING POPULAR SPOTS. MAYBE ESTABLISH A TYPE OF LOTTERY SYSTEM TO LIMIT THE NUMBER OF FOREIGNERS VISITING THE PARK. ALTHOUGH IF THIS IMPACTS THE FUNDING FOR THE PARK'S OPERATIONS, I'M AGAINST IT.
THE WHOLE TRIP WAS GREAT! THANK YOU! NATIONAL PARK!
THIS WAS ONE OF THE GREATEST EXPERIENCES OF OUR LIVES.
THOROUGHLY ENJOYED! THANK YOU!
TOO MANY PEOPLE.
TRAFFIC IS THE BIGGEST PROBLEM, AND AS A WORLDWIDE LEADER/EXAMPLE IN CONSERVATION, THE PARK SHOULD TAKE THE LEAD IN EXPANDING/PROMOTING PUBLIC TRANSPORTATION. A SHUTTLE SERVICE WITH GOOD ROUTES/TIMES/STOPS WOULD SERVE THE PARK AS WELL AS SOCIETY AS A WHOLE. I WOULD PAY MORE FOR THIS SERVICE. AND THOUGH I AM CURRENTLY DRIVING THROUGH FOR WORK PURPOSES SO RECOGNIZE THE NEED FOR SOME PRIVATE VEHICLE USE, I THINK PUBLIC TRANSPORTATION SHOULD OTHERWISE BE MANDATORY GIVEN THE INCREASE IN VISITOR USE, RESULTING IMPACT ON NATURAL FEATURES AND INFRASTRUCTURE AND UNSAFE DRIVING AND OTHER BEHAVIOR THAT GOES WITH MORE PEOPLE. ALSO, WE DON'T NEED MORE WIFI OR PERSONAL ELECTRONIC DEVICES IN THE PARK.
TRAILERS AND LARGE BUSES SHOULD NOT TO ALLOW TO DRIVE THROUGH THE PARK TO STOP AT SIGHTS. ONLY TO ENTER AND EXIT FOR VISITOR CAMPING. LARGE GROUPS SHOULD NOT BE BUSES IN. BREAK DOWN INTO SMALLER GROUPS. FINES SHOULD BE GIVEN FOR PEOPLE NOT FOLLOWING PARK RULES I.E. STANDING IN THE ROAD, BLOCKING TRAFFIC TO STOP ON ROAD TO TAKE PICTURES.
TRIP WAS WONDERFUL, SMOKEY MOUNTAIN NATIONAL PARK SHOULD CHARGE AN ENTRANCE FEE AS THE PARKS OUT WEST DO BECAUSE THEY REALLY NEED TO UPGRADE THEIR FACILITIES TO THE LEVEL OF YELLOWSTONE.
VAULT TOILET NEAR CASTLE GEYSER, ADDITIONAL VAULT TOILET NEAR MORNING GLORY. WE LOVE YELLOWSTONE! KEEP UP THE GOOD WORK.
VISITORS DEFINITELY DO NOT ADHERE TO SPEED LIMIT. NEED MORE PULL-OUTS (FOR SLOW POKES LIKE US). NEED COMPETITION (POSSIBLY?) FOR RESTAURANTS TO IMPROVE QUALITY OF FOOD AND SERVICE PROVIDED.
VISITORS DROVE TOO FAST, PASSED ON YELLOW LINES, BLEW HORNS, DROVE THROUGH BISON ON ROAD, TAILGATED. WE WOULD PULL OFF ROAD IN OBSERVATION AREA FOR TRAFFIC TO PASS. THERE NEEDS TO BE A LAW THAT THERE HAS TO BE SEVERAL CAR LENGTHS BETWEEN EACH VEHICLE. THE TAILGATING MADE THE BEAUTIFUL TRIP STRESSFUL!
WE HAD A GREAT TIME AND WE WILL VISIT THE PARK AGAIN.
WE HAD A WONDERFUL TRIP! WE ARE GOING TO GRAND TETON NP, AND STAY AND SEE FOR A FEW DAYS FOR THE FIRST TIME. THANKS SO MUCH! YELLOWSTONE NP!
WE JUST MOVED TO MONTANA, HAVE FAMILY IN BOZEMAN AND PLAN ON VISITING A LOT! BEAUTIFUL PARK, THANK YOU.
WE LOVE OUR NATIONAL PARKS! THANK YOU, THANK YOU.
WE LOVE THE FREEDOM OF THE PARK. I CAN JUMP IN MY CAR AND GO ANYWHERE AND STOP WHEREVER I WANT. MAYBE YOU SHOULD CONSIDER MORE PULL-OUTS IN AREAS THAT CONSTANTLY REQUIRES WAITING FOR VEHICLES TRYING TO FIND A PLACE TO PULL OFF THE ROAD. HAYDEN VALLEY HAS THE BUFFALO AND WOLF WATCHERS CONSTANTLY ALL OVER THE ROADS AND IN A COUPLE AREAS IT CAN BE KIND OF DANGEROUS. THANK YOU. P.S. I LIVED IN CODY YEARS AGO WHEN I WAS YOUNG AND STILL LOVE COMING BACK AND SO DOES MY WIFE. IT IS STARTING TO GET KIND OF HARD TO GET CONSECUTIVE DAYS IN THE SAME PLACE SO, WE HAVE TO MOVE AROUND THE PARK MORE. WE CAN'T AFFORD \$550 A NIGHT.
WE LOVE YELLOWSTONE NATIONAL PARK AND HAVE LIVED WITHIN A FEW HOURS OF IT MOST OF MY LIFE.
WE WERE MOTHER AND DAUGHTER TRAVELING INDEPENDTLY FROM THE UNITED KINGDOM. WE WOULD HAVE VERY MUCH LIKED TO HAVE DONE SOME BACKCOUNTRY HIKEs BUT LACKED THE CONFIDENCE TO 'GO IT ALONE'. MORE RANGER LED WALKS (6-8 MILES) OR (2-3) HOURS WOULD

Table 28 (continued). Question 33, Comments - verbatim responses

HAVE BEEN WELCOME, BUT WE WERE NOT ABLE TO LINK UP WITH ANY OF THESE WHILST IN THE PARK.
WE WERE ORIGINALLY ASSIGNED CAMPSITE #339J IN GRANT CAMPGROUND. THIS PARTICULAR SPOT IS AWFUL AND SHOULD NOT BE A SITE FOR ANYONE. IT IS A PATCH OF DIRT IN FRONT OF THE BATHROOM. THERE IS NO PRIVACY AND WOULD HAVE PEOPLE WALKING THROUGH AT ALL HOURS. I'M SO GRATEFUL WE WERE ABLE TO SWITCH, BUT THIS SHOULD BE REMOVED AS A CAMPSITE FOR ANYONE.
WE (A GROUP) OF 4 TRAVELLED THROUGH THE PARK ON MOTORCYCLES. MANY PEOPLE DO THIS EVERY YEAR.
WHAT A SHAME THAT THE MEAL WE NEEDED AT CANYON VILLAGE WAS THE WORST MEAL WE HAVE EVER EATEN! TO BE IN SUCH NATURAL AND SPLENDID SURROUNDINGS, SURELY IT COULDN'T BE MUCH TO ASK TO HAVE THE EXPERIENCE COMPLIMENTED BY FRESH/INTERESTING PRODUCE. IT WAS OUR ONLY DEPRESSING MOMENT. A MISSED OPPROTUNITY NOT TO USE NATURE'S BOUNTY. I ATE VEGETABLE LASANGA - WHEN QUEING FOR FOOD MY SON REMARKED, "IT LOOKS LIKE SCHOOL DINNER." I HOPE SOMETHING CAN BE DONE TO ENHANCE THE YELLOWSTONE EXPERIENCE ON THE FOOD CATERING LEVEL!
WHERE FREQUENT TRAFFIC JAMS OCCUR BECAUSE OF ANIMALS IN ROADWAY OCCUR, QUICKER DISPERSAL IS NEEDED.
WOULD LOVE TO HAVE WARM SPRINGS TO BATHE AND SOAK IN!
YELLOWSTONE NP IS THE REASON I MOVED TO BOZEMAN, MONTANA FROM GEORGIA.
YES, THANKS FOR NOT HAVING TV'S IN THE ROOMS! IT IS NICE TO CONNECT WITH FAMILY AND CONVERSE ABOUT OUR TRIP. I HAVE NOT CAMPED IN YNP BUT PLAN TO SOON! FYI: ON QUESTION 8. WE LIKE TO STAY AT A DIFFERNT PARK EACH NIGHT SO WE CAN COVER DIFFERENT REGIONS OF YNP. ON THIS TRIP, WE STAYED AT THE FOLLOWING. NIGHTS: 1) CODY, WYOMING, 2) COOKE CITY, MONTANA, 3) COOKE CITY, MONTANA, 4) WEST YELLOWSTONE, 5) GRANT VILLAGE. WE PURCHASE AN ANNUAL PASS AND ATTEND YNP YEARLY AMONG OUR NP TRIPS!
South
"NATIONAL PARKS ARE THE BEST IDEA WE EVER HAD. ABSOLUTELY AMERICAN, ABSOLUTELY DEMOCRATIC, THEY REFLECT US AT OUR BEST RATHER THAN OUR WORST." -WALLACE STEGNER. KEEP UP THE GOOD WORK! WE, AS AMERICANS, AS HUMANS, AS ANIMALS NEED NATURE AND OUR PLANET NEEDS PROTECTION. PLEASE DON'T LET PEOPLE RUIN THE PARKS!
#2 TERMINALLY ILL CANCER TRIP TO ALASKA AND DRIVE HOME TO INDIANA.
A FOUR HOUR TRAFFIC JAM - SAW NO WILDLIFE AND ONLY 2 THERMAL FEATURES. WILL NOT RETURN. VERY VERY POOR PARKING DANGEROUS DRIVERS -NEED RANGERS OR STOPLIGHTS.
ABILITY TO ACCESS INTERNET WOULD MAKE THE PARK WEBSITE AND INFO MORE VALUABLE AND ACCESSIBLE. HOWEVER, WHAT WOULD IMPACT OF THIS BE ON WILDLIFE?
ABOUT AS WELL-MANAGED AS COULD BE IMAGINED FOR A BUSY, BUT NATURAL PLACE.
ADD SOME BARS ON THE ROADSIDE OF NORTH ROUTE, IF POSSIBLE.
ADDITIONAL LODGING WITHIN THE PARK WOULD BE GREAT. WE COULDN'T GET LODGING IN YELLOWSTONE, SO WE WERE COMMUTING IN FROM JACKSON LAKE LODGE WHICH ADDED A LOT OF DRIVING TIME TO EACH VISIT. ADDITIONAL RESTROOM LOCATIONS WOULD BE GREAT. ADDITIONAL LOCATIONS TO PURCHASE FOOD AND DRINKS WOULD BE GREAT. BIGGEST PROBLEM WAS LACK ON PARKING AT MOST THERMAL FEATURES. OLD FAITHFUL HAS SUFFICIENT PARKING, BUT MORE OTHERS WERE WAY TOO SMALL - AND SET UP IN SUCH A WAY THAT WE WERE TRAPPED. NOWHERE TO TURN AROUND IF WE DIDN'T WANT TO WAIT FOR A PARKING SPACE. LOVE OUR VISIT, WILL RECOMMEND TO OTHERS.
AWESOME PLACE! PLANNING ON RETURNING SOMEDAY.
BEAUTIFUL PARK, HAD A GREAT TIME.
BEAUTIFUL PLACE WE WANT TO VISIT AGAIN.
BEAUTIFUL!

Table 28 (continued). Question 33, Comments - verbatim responses

BOARDWALKS SHOULD BE MADE EITHER OR WITH RAILING. MORE AFFORDABLE PASSES FOR COLLEGE STUDENTS OR HAVE A DAY PASS OPTION.
BUFFALO FORK TRAIL OFFERED A NICE RESPITE FROM THE CROWDS.
BUSLOADS OF ASIAN VISITORS ARE RUDE, INCONSIDERATE AND DO NOT FOLLOW PARK RULES AND SAFETY SIGNS. BICYCLES CAUSE SAFETY ISSUES ON THE ROAD. SHOULDERS ARE NOT BIG ENOUGH FOR THE BICYCLES TO MOVE OFF THE ROAD ON NON-PASSING SECTIONS OF THE PARK. ENTRANCE GATES NEED TO OFFER/EXPLAIN LIFETIME PASS AND FEES. SERVERS THAT WORK IN THE PARK SHOULD BE ABLE TO COMMUNICATE BETTER. EXAMPLE, WE ASKED A QUESTION AND THE PERSON DID NOT UNDERSTAND THE QUESTION, HER TAG SHOWED POLAND. IF SHE DID NOT UNDERSTAND ENGLISH HOW DID SHE HANDLE OTHER LANGUAGES.
CAMPGROUND RESTROOMS - GUIDANCE ON NOT PUTTING FOOD IN URINALS - NEED TO USE COMMON LANGUAGES AND/OR SYMBOLS.
DEATH TO WOLVES.
DID I STRESS THE OVER CROWDING? CONGRATS ON THE SUCCESS OF THE WOLF REINTEGRATION! WHERE ARE THE ELK? WHO THINKS ALLOWING BICYCLES ON MOUNTAIN ROADS WITH CONGESTED TRAFFIC IS A GOOD IDEA? NEXT YEAR I'LL GO TO DISNEY. LESS PEOPLE! HOW SAD FOR SUCH A NATURAL TREASURE!
EDUCATE POTENTIAL VISITORS HOW TO AVOID ALTITUDE SICKNESS!
EVERYONE (RANGERS, STAFF, ETC.) WAS, EXTREMELY FRIENDLY AND HELPFUL! WE HAD A WONDERFUL TIME.
GET RID OF THE WOLVES SO THE OTHER WILDLIFE WILL BECOME ABUNDANT AGAIN.
GRAND CANYON OF THE YELLOWSTONE SOUTH RIM: SOME STRETCHES OF THE TRAIL ARE DANGEROUS.
GREAT EXPERIENCE
GREAT EXPERIENCE!
GREAT JOB! IT'S BEAUTIFUL.
GUARDRAIL AND GUARDRAIL END TREATMENT NEED TO BE REPLACED AND/OR MAINTAINED FOR VISITOR SAFETY (SOUTH ENTRANCE); PARKING INGRESS/EGRESS AND CIRCULATION AT OLD FAITHFUL COULD BE IMPROVED TO BE MORE EFFICIENT AND INTUITIVE FOR VISITORS (IT'S CONFUSING). LOOKING FORWARD TO A FUTURE TRIP DURING OFF SEASON WHEN THERE ARE LESS PEOPLE AND MORE TIME.
HAD A GREAT TIME!
HAD A GREAT TIME.
HAVE MORE TENT CAMPING IN CAMPGROUNDS AVAILABLE.
HAVE VISITED ANNUALLY SINCE 1975 (MISSED '79 '80 AND '15), THANKS FOR THE WORK.
I KNOW THE NPS NEED THE VISITOR REVENUE TO PROVIDE THE PROGRAMS AND MAINTAIN THE PARKS. I JUST WISH FOR LESS PEOPLE AND LESS PEOPLE BEHAVE INAPPROPRIATELY AT THE NPS AND ENDANGER THE WILDLIFE, THEMSELVES AND THE ENVIRONMENT. THEY SHOULD ALL GET PARK RANGER BREAKS. BUT I SEE A GRIZZLY FROM MY CAR AND THE SUV IN FRONT OF MY UNLOADS THE KIDS (BEAR BAIT). HOWEVER, I REALIZE ONE CAN'T FIX STUPID AND EVEN WITH THE RANGER INFORMATION, IT DOESN'T MEAN THEY WILL LISTEN. THEIR BEHAVIOR DOES AFFECT THE REST OF OUR EXPERIENCE.
I LOOK FORWARD TO ANOTHER VISIT!
I LOVE NATIONAL PARKS!
I PERSONALLY WOULD LIKE TO LEARN MORE ABOUT VOLCANOES, A MODEL THAT SHOW IF YELLOWSTONE ERUPTS, HOW WILL IT ERUPT AND THE POTENTIAL IMPACTS. A SHORT FILM ABOUT HOW YELLOWSTONE WAS FORMED.
I SUPPORT MORE FUNDING TO THE NATIONAL PARK TO IMPROVE FACILITIES, MAINTENANCE AND IMPROVE COMMUNICATION TO VISITORS. STAFF AND VOLUNTEERS WERE WONDERFUL THROUGHOUT OUR VISIT.

Table 28 (continued). Question 33, Comments - verbatim responses

I THINK SMALL DOGS THAT HAVE THE CAPACITY TO BE CARRIED AND RESTRAINED IN SOME SORT OF LIKE A BABY CARRIER BACK PACK NEEDS TO BE APPROVED. LITTLE DOGS THAT TRAVEL IN A PURSE HARDLY ATTRACT ANY ATTENTION AND ARE A LOT LESS DISRUPTIVE AND UNRULY THAN KIDS.
I THINK YOU ARE DOING A VERY GOOD JOB.
I WAS SHOCKED AT THE PRICES AT THE IN PARK CONVENIENCE STORE. I UNDERSTAND SUPPLY AND DEMAND BUT FELT IT WAS TAKING ADVANTAGE OF TOURISTS.
I WAS STUPID TO PUT WOLVES IN YELLOWSTONE NATIONAL PARK.
I WAS VERY IMPRESSED BY ALL OF THE FOOD OPTIONS, ESPECIALLY FOR MY VEGAN TEENAGER. MUCH BETTER THAN THE TETONS! WE LOVED ALL THE FRIENDLY STAFF FROM AROUND THE WORLD - EXCELLENT SERVICE, ALWAYS. THE LAKE HOTEL WAS QUITE IMPRESSIVE. A SMALL HIT - WE NOTICED THIS AT THE RESTROOMS IN THE CANYONS AREA AND MAMMOTH. THE TOILET PAPER SHREDS AS YOU TRY TO PULL ON THE ROLL TO USE IT, RESULTING IN TINY PIECES OF PAPER ALL OVER THE FLOOR. IT MAKES THE BATHROOMS LOOK DIRTY AND UNAPPEALING. THANKS FOR A WONDERFUL EXPERIENCE!
I WILL BE WATCHING FOR THE RESULTS OF THIS SURVEY.
IF POSSIBLE, ENFORCE THE RULES OF THE PARK. SHUTTLE SERVICE IS NEEDED. MORE WATER FILLING STATIONS.
I'M BATMAN.
IMPROVEMENT OF WIFI (NOT PRESENT AT ALL IN RESTAURANTS, ETC.).
IN ADDITION TO BETTER ROADS ADD MORE PULLOUTS. DO NOT CHECK PASSES WHEN EXITING PARK.
IT A WONDERFUL PLACE THAT THE JESUS CHRIST OUR LORD CREATED.
IT IS WONDERFUL. IF YOU GET CONTRIBUTIONS/SUPPORT FROM PRIVATE COMPANIES DON'T ALLOW THEM TO DEFACE THE PARK WITH GARISH SIGNS OR BILLBOARDS.
IT WAS AMAZING. THE PARK WAS VERY CLEAN. EVERYONE WAS SO HELPFUL AND KIND. OUR BEST VACATION. THANK YOU!
IT WAS AWESOME!
IT WAS GREAT!
IT WAS WONDERFUL HOSPITALITY WAS SPECTACULAR REALLY HAD A GREAT TIME, JUST NEEDED 1-2 MORE DAYS. WE DID A LOT IN ONE WEEK (SOUTH DAKOTA TO YELLOWSTONE NP, MONTANA, HOME). WE STAYED AT LAKE ONE NIGHT THERE WAS ONE CABIN LEFT. THE SAME DAY I CALLED. FOR NOT REALLY PLANNING THE TRIP SPECIFICALLY - EVERYTHING COULD NOT OF WENT ANY BETTER. I WAITED 4 YEARS TO FINALLY AFFORD TO COME.
IT WOULD BE HELPFUL TO MARK TAILHEADS WITH MILEAGE AND/OR PICTURE OF TRAIL.
IT WOULD HAVE BEEN NICE IF SOME SIGNS SAID HOW FAR OF A WALK IT WAS TO THE SITES I WANTED TO SEE AND HOW DIFFICULT. NO - NOT ALL SITES.
IT'S A GEM!
IT'S GREAT
KEEP THE PARK BEAUTIFUL AND KEEP IT PROTECTED. THANK YOU!
KEEP UP THE CONSISTENT WORK.
KEEP UP THE GOOD WORK.
KEEP UP THE GOOD WORK. GOD BLESS US ALL.
LIMIT PRIVATE TOUR BUSES. VISITORS NOT ADHERING TO RULES AND CULTURAL NORMS AND ADDING TO CONGESTION. OTHERWISE, WE HAD A FANTASTIC EXPERIENCE AND HOPE THE PARK IS HERE FOR ANOTHER CENTURY FOR VISITORS TO ENJOY.
LOVE YELLOWSTONE - PLANNED A TRIP FOR NEXT YEAR WITH LAKE CABIN RESERVATIONS.
LOVED IT!

Table 28 (continued). Question 33, Comments - verbatim responses

LOVED IT! LAMAR/HAYDEN VALLEY. HORSEBACK RIDING AT ROOSEVELT LODGE. OLD WEST COOKOUT. HIKING TROUT LAKE. ALL FOUR QUADRANTS OF THE PARK. GORGEOUS!
MADE COMMENT ON REQUEST FOR HOT WATER IN CAMPGROUND RESTROOMS.
MORE INFORMATION ON NATIONAL PARK SERVICE'S HOMEPAGE ABOUT CLOSED ROAD/TRAIL, KNOWLEDGE.
MOST UNPLEASANT: WAITING 2 HOURS TO ENTER YELLOWSTONE NP AT SOUTH ENTRANCE. SUGGESTIONS: IMPROVE SIGNAGE FOR NAVIGATING AROUND OLD FAITHFUL AREA (STORES, LODGES, PARKING LOTS) AND LIST HOURS OF OPERATION AND LOCATIONS FOR DINING ROOMS. IMPROVE TRAFFIC FLOW THROUGH GRAND HOT SPRING AREA AND PEDESTRIAN WALKWAYS (PEOPLE WALKING EVERYWHERE! NEED BETTER SIGNAGE FOR LOCATING PARKING AREAS).
MY AT&T CELL PHONE DIDN'T WORK. PLEASE FIX THE CELL PHONE PROBLEM IN THE PARK. THANK GOD I DIDN'T NEED MY PHONE FOR AN EMERGENCY!
MY HUSBAND HAD A BUSINESS MEETING IN THE GRAND TETON NP IN AUGUST. I MADE A DAY TRIP TO SEE THE GEYSERS DURING THAT TIME. I WAS SO IMPRESSED THAT I RETURNED LAST WEEK WITH MY DAUGHTER FOR HER FALL BREAK! WE'RE PLANNING A TRIP FOR OUR WHOLE FAMILY FOR THE FALL OF 2018. MY ONLY NEGATIVE ISSUES WERE THE BUSLOADS OF TOURISTS. I HONESTLY DON'T KNOW IF SHUTTLES WOULD HELP. OUR TRIP THIS PAST WEEK WAS AWESOME. THERE WERE STILL ANNOYING ASIANS WHO WERE TOTALLY UNAWARE OF OTHERS AT THE MAJOR AREAS (OLD FAITHFUL, MAMMOTH HOT SPRINGS, CANYON FALLS) BUT ONCE WE GOT AWAY FROM THOSE PLACES, THEY WERE NONEXISTENT. SERIOUSLY, THOUGH? BAN THE SELFIE STICKS. IF DISNEY HAS DONE IT, SO CAN YOU. AN ASIANS WOMAN CUT IN FRONT OF PEOPLE WHO HAD BEEN WAITING FOR OLD FAITHFUL FOR A HALF HOUR AND RUINED THEIR PICTURES TAKING SELFIES DURING THE OLD FAITHFUL ERUPTION. TOTALLY PREVENTABLE!
MY WIFE SUFFERED FROM FEAR AND PANIC ON ROADS WITH NO GUARD RAILS AND DEEP DROPS ON THE SIDE.

Table 28 (continued). Question 33, Comments - verbatim responses

OLD FAITHFUL-OVERLY CROWDED, CONFUSING CAFETERIA.
ONCE IN A LIFETIME TYPE TRIP FOR US. WAS GREAT - SOME SERVICE TYPE IMPROVEMENTS IN HOTEL STAFF ETC. WOULD BE ADVISED, AT LEAST TO GET TO NORMAL HOTEL LEVEL STATUS. BATHROOMS WERE ROUGH - NOT MANY, HARD TO GET USED TO! ANIMALS WERE #1 FOR US, SCENERY, THERMAL #2.
ONE ENJOYED SEEING THE PARK AGAIN, LAST TIME THERE I WAS A KID. THIS WAS MY HUSBAND'S FIRST TIME. SUGGESTION FOR LARGER PARKING LOTS IN OLD FAITHFUL. A WAY TO MARK THE ROWS WE PARK IN. BE HELPFUL IN LOCATING OUR VEHICLES. CARS AROUND WHERE YOU PARK CHANGE. ALSO TO NAME THE LOT WE ARE PARKED IN SINCE THERE ARE A COUPLE THERE. ROWS CAN BE NAMED AFTER POOLS/GEYSERS/ANIMALS, AS A SUGGESTION. THERE WERE FEW SITES WANTED TO SEE WAS UNABLE TO DUE TO NO PARKING BOTH TIMES SO UNABLE TO VIEW THE SITES AT ALL. THE PARK WAS CLEAN AND WHAT STAFF AND VENDORS WE DID ENCOUNTER WERE HELPFUL AND PLEASANT.
ONLY ISSUE. NOT ENOUGH SIGNAGE FOR DRIVING DIRECTIONS. FOUND TRAVEL IN THE PARK TO BE CONFUSING AT TIMES.
OUR TRIP WAS WONDERFUL, BUT NEED A LOT MORE TIME IN PARK. SHUTTLE SERVICES WOULD BE NICE TO SEE SOME AREAS OF THE PARK.
PARK HOTELS ARE VERY EXPENSIVE FOR AN AVERAGE AMERICAN FAMILY TO AFFORD. IT WOULD BE NICE IF YOU COULD LIMIT THE NUMBER OF FOREIGN VISITORS TO THE PARK. THEY TRAVEL IN HUGE BUSLOADS AND OVERWHELM THE FACILITIES. PLEASE CONSIDER LIMITING TOUR BUS NUMBERS IN THE PARK.
PLEASE PROVIDE INTRODUCTION OF HIGHLIGHTS /HISTORY/CULTURE/WILD ANIMAL INFORMATION IN MANDARIN, IF POSSIBLE.
PLEASE SEE 23B. THIS IS AN INCREDIBLE PLACE. I'D LOVE TO SEE MORE "RANDOM" OPPORTUNITIES FOR NATURE AND WILDLIFE EDUCATION - LAST YEAR, I RAN INTO A RANGER WITH A WOLF DISPLAY AT ROOSEVELT LODGE WHO I TALKED TO AND LISTENED TO WITH OTHERS FOR OVER AN HOUR; I LEARNED A TON! THE HAYDEN AND LAMAR VALLEY PULLOUTS (ESPECIALLY DURING BISON JAMS) PROVIDE EXCELLENT OPPORTUNITIES FOR SUCH INTERACTIONS. IF ONLY PARK EMPLOYEES WEREN'T STRECHED SO THIN.
PLEASE TRY TO KEEP THE VOLCANO FROM ERUPTING!
PUT SIGNS IN THERMAL AREAS "SECURE YOUR HAT!" SAFETY SIGNS FOR ALL ELSE. WE SAW TOO MANY PEOPLE GO ACROSS THERMAL AREAS TO RETREIVE HATS. WE LISTENED TO RANGER PROGRAM AND KNEW TO HOLD ONTO HAT.
RECYCLING AT ALL ATTRACTIONS. ONE WAY LOOPS ON CROWDED WALKWAYS LIKE BEHIND OLD FAITHFUL AND GRAND PRISMATIC HOT SPRING. MORE INTERPRETIVE SIGNS ON PULLOUTS. RANGER "KIOSKR" IN MIDDLE OF MAJOR ATTRACTIONS TO ANSWER QUESTIONS, GIVE MORE INFORMATION, ETC. THINK SMALL STRUCTURE WITH ROOF AND STOOL AND RANGER.
SADLY THIS PARK AS MANY NPS ARE TOO CROWDED. I WOULD STILL LIKE TO DRIVE THROUGH AND CAMP OUTSIDE THE PARK. IT IS A VERY SPECIAL PARK.
SHOULD BE MORE DOG FRIENDLY. I WOULD BE WILLING TO ACCEPT RESPONSIBILITY FOR HARM TO ME OR MY DOG, DUE TO HAVING HIM ON A TRAIL.
SUGGEST MORE INTERPRETIVE TOURS. THANKS FOR A SPECIAL WEEK OF NATURE AND LEARNING!
SURVEY TOO LONG.
THANK YOU! PARK IS BEAUTIFUL. A FEW MORE RANGERS OR VOLUNTEERS MIGHT HELP. AGAIN, THANK YOU!
THANK YOU. WE LOVE NPS. THIS WAS OUR 41ST NATIONAL PARK. MY WIFE IS A UX RESEARCHER AND WANTS TO WORK FOR NPS. SHE FOLLOWS YELLOWSTONE ON INSTAGRAM AND WAS SO EXCITED TO BE CHOSEN FOR THIS SURVEY. SO, THANKS! PLEASE FEEL FREE TO CONTACT US FOR A FOLLOW-UP IF NEEDED: BETHANY DUDLEY - BETHANYBDUDLEY@GMAIL.COM.
THANKS FOR THE JUNIOR RANGER PROGRAM, MY KIDS LOVED IT. I REALLY WISH IT COULD BE AVAILABLE IN FRENCH/CHINESE AS WELL.
THE BOARDWALKS AT MAMMOTH NEED SOME IMPROVEMENT. ALSO, IT WOULD BE NICE TO HAVE SOME MORE DOG - FRIENDLY ACTIVITES.

Table 28 (continued). Question 33, Comments - verbatim responses

THE CAMPGROUNDS NEED TO BE PAVED, MORE LANDSCAPING IN BETWEEN SITES, BITS OF TRASH PICKED UP, MORE TREES PLANTED IN BETWEEN SITES. VERY UNPLEASANT TO STAY FOR 3 NIGHTS!
THE COMPOSITE/PLASTIC WALKWAYS ARE VERY SLIPPERY. SIGNS FOR ATTRACTIONS NEED TO BE FARTHER FROM ATTRACTION/PULLOFF TO GIVE MORE TIME FOR STOPPING. WOODEN WALKWAYS HAD LOTS OF NAILS THAT WERE STICKING UP.
THE NEED FOR BETTER PRE-TRIP INFORMATION ON CAMPSITE AVAILABILITY.
THE ONLY THING WE THOUGHT THAT WOULD BE BETTER WAS FOR SIGNS TELLING US THERE WAS GOING TO BE A SCENIC TURN OUT IN - FEET.
THE WOLVES ARE KILLING THE ELK AND DEER AND SMALL GAME IN IDAHO AND MONTANA. BEEN THERE AND SEEN IT. [NAME] [ADDRESS].
THIS WAS GREAT!
TOO MANY ASIAN WHO DON'T RESPECT PEOPLE AND NATURE.
TOO MANY PEOPLE TRYING TO USE LIMITED RESOURCES.
TOO MANY TOURIST(INTERNATIONAL) WITH NO RESPECT FOR NATURE OR OTHER PEOPLE.
VERY NICE TRIP. BEEN THERE ABOUT 5 TIMES BEFORE.
VERY PRETTY HAD A GOOD TIME.
WE HAD A GREAT EXPERIENCE VERY IMPRESSED WITH SERVICES. STAFF IS DOING BEST THEY CAN WITH OVERCROWDING ISSUES. PARKING WAS OUR BIGGEST ISSUE AT CERTAIN AREAS (GRAND PRISMATIC SPRINGS). NP SERVICE HAS SERIOUS DECISIONS TO MAKE IN THE FUTURE ABOUT CONTROLLING THE NUMBER OF VISITORS IN THE PARK. PARK IS BEING OVERLOVED TO DEATH.
WE HAD A GREAT TIME! EXCEEDED EXPECTATIONS!
WE LOVE YELLOWSTONE AND IT HAS BECOME OUR ANNUAL VACATION. THANK YOU!
WE LOVE YELLOWSTONE! THANK YOU
WE LOVED IT! THANK YOU FOR MAKING SUCH A UNIQUE PLACE AVAILABLE TO BRING OUR KIDS. ALSO - LOVED THE JUNIOR RANGER PROGRAM!
WE LOVED THE PARK, THE TRAFFIC WAS BAD IN A FEW PLACES. BUT IT WAS CLEAN AND THERE WERE PLENTY OF PARK SECURITY OFFICERS. LOVE SEEING THE ANIMALS AND EVERYONE WAS VERY FRIENDLY THAT WORKED AT THE PARK.
WE NOTICED THAT THERE WERE NOT MANY PARK RANGERS OR VOLUNTEERS NEAR/AROUND THE ATTRACTIONS. WE WOULD HAVE LIKED TO HAVE SEEN MORE.
WE THINK THERE MAY BE TOUR COMPANIES OR GROUPS THAT BUY UP ACCOMMODATIONS, BECAUSE WE WERE TRYING TO BOOK ROOMS A YEAR IN ADVANCE AND ALL THE REASONABLY PRICED ROOMS WERE NOT AVAILABLE. IF THIS IS THE CASE IT IS EXTREMELY UNFAIR TO THE AVERAGE AMERICAN WANTING TO STAY IN THE PARK. WE WERE DISAPPOINTING IN THE LARGE TOUR GROUPS, WHO WERE LOUD, PEOPLE WALKING ON THERMAL FEATURES, PICKING FLOWERS, GETTING TOO CLOSE TO ANIMALS ETC. THE PARKS ARE FOR THE AMERICAN PEOPLE NOT FOR TOUR COMPANIES.
WE THINK YOU ARE DOING AN OUTSTANDING JOB! WE COME EVERY YEAR AND LOVE IT! HERE ARE A FEW SMALL SUGGESTIONS: CREATE A BIKE TRAIL SYSTEM THAT IS SEPERATE FROM ROADWAYS AND LINKS MAJOR SITES. MARK LOCATIONS OF ALL outhouses WITH A GREEN DOT ON PARK MAPS. PROVIDE FREE WI-FI INSIDE ALL MAJOR BUILDINGS. ENCOURAGE VISITORS TO PICK UP TRASH (CARRY A BAG FOR TRASH IN YOUR POCKET AND KEEP OUR PARK CLEAN!). LARGER WASTEBASKETS IN outhouses; DAILY CLEANING OF ALL outhouses. GROCERY STORES: PLEASE STOCK 16 OUNCE BAGS OF BABY CARROTS. WIDEN SHOULDERS OF ALL ROADS FOR BIG VEHICLES. AND PLEASE KEEP CPMMERCIALIZATION OUT OF OUR BEAUTIFUL PARK! WE GET ENOUGH OF THAT EVERYWHERE ELSE. WE COME TO SAVOR THE NATURAL BEAUTY OF THIS SPECIAL PLACE, JUST AS IT WAS CREATED, AND NOT AS HUMANS HAVE MANIPULATED IT. I THINK BEING IN A NATURAL ENVIRONMENT LIKE YELLOWSTONE TOUCHES AND FEELS A PLACE DEEP

Table 28 (continued). Question 33, Comments - verbatim responses

INSIDE US, AND FILLS US WITH WONDER AND PEACE. THANK YOU FOR ALL YOU DO TO ENABLE FUTURE GENERATIONS TO EXPERIENCE THIS WONDERFUL, WILD AND UNTOUCHED WILDERNESS.
WE WERE TRAVELING THROUGH YELLOWSTONE ON THIS TRIP ONLY BECAUSE WE WANTED TO SEE THE TETONS AND STAY IN CODY, WYOMING. OUR TIME WAS LIMITED BUT THIS VISIT WAS A PRETTY DRIVE ALONG OUR WAY. WE WERE DISAPPOINTED THAT WE DID NOT SEE ANY WILDLIFE.
WE WOULD HAVE LIKED TO STAY IN THE PARK BUT GAVE UP PRIMARILY BECAUSE THE XANTERRA WEBSITE WEBSITE WAS NOT USER FRIENDLY. HAD AN AWESOME TIME! RANGERS GREAT.
WONDERFUL PLACE
WONDERFUL VISIT, ENJOYED BEING "UNPLUGGED" FOR 4-5 DAYS.
WONDERFUL VISIT, LOOK FORWARD TO A RETURN VISIT.
WOULD BE NICE TO HAVE MORE SIGNS GIVING A HEADS UP TO PULL OUT AREAS / TURN OUT.
YELLOWSTONE IS AN AMAZING RESOURCE. HUMAN EFFECT ON THE ENVIRONMENT NEEDS TO BE CONTROLLED.
YELLOWSTONE IS OUR VERY FAVORITE VACATION SPOT - WE'VE BEEN COMING SINCE 2008 - WE LOVE YELLOWSTONE!
YELLOWSTONE NP IS AWESOME!
YOUR PRESERVATION OF HABITAT FOR SPECIES UNDER STRESS IS CRUCIAL AND APPRECIATED.
West
ADD MORE PICNIC TABLES ALONG THE YELLOWSTONE LAKE.
ADD MORE RESTROOMS AND PARKING LOTS.
ADD MORE TEMPORARY PARKING, ADD MORE PARKING AT HOT ATTRACTIONS, ADD MORE DINERS. ADD MORE CLEARLY STATED ROAD SIGNS AND PLACE THEM AHEAD IN PROPER DISTANCE (SO TOURISTS WOULD NOT PASS BY ATTRACTIONS).
ADJUSTING THE RATIO OF MEN'S AND WOMEN'S RESTROOM (GENERALLY, I SAW A LOT OF WAITING LINES AT WOMEN'S WHEREAS NONE AT MEN'S).
AWESOME PLACE APPRECIATE ALL THE PARK PERSONNEL.
BATHROOMS ALONG DRIVE NEED REPAINTING INSIDE AND MORE FREQUENT CLEANING. SAD PEOPLE CAN'T PICK UP AFTER THEMSELVES.
BEAUTIFUL - WE WANT TO RETURN.
BUILD ANOTHER BAD [EXPLETIVE] HOTEL AND MAKE IT AFFORDABLE.
DID NOT SEE BEARS OR WOLVES, BATHROOMS NEED SERVICING, OTHERWISE, WE HAD A GRAND TIME.
DO NOT ASK QUESTIONS ABOUT ETHNICITY/SCHOOLING/INCOME.
ENFORCE SPEED LIMITS. ENFORCE RULES AT CAMPGROUNDS (SAVE FOOD STORAGE).
ENJOYED THIS PARK MORE THAN MANY WE'VE BEEN TO ON OUR NATIONWIDE PARK ADVENTURE!
EVER SINCE THE INTRODUCTION OF THE WOLVES, I REALLY MISS THE MOOSE. ASIAN VISITORS ARE EXTREMELY RUDE. THEY DON'T FOLLOW THE RULES AND ARE VERY PUSHY. TOO MANY VEHICLES STOPPING ON ROADWAYS TO TAKE PICTURES AND STOPPING TRAFFIC FLOW.
EVERYTHING IS VERY WELL DOCUMENTED. I'D LIKE TO HAVE BEEN ABLE TO USE FLIES WITH BARBS RATHER THAN NO BARBS FOR FLY FISHING WITHIN THE PARK. IT WAS A GORGEOUS VACATION!
FANTASTIC - HOWEVER OVERCROWDING CAUSES PROBLEMS. SOME PEOPLE DON'T OBEY THE RULES. WE VISITED LAST OF JULY - 1ST OF AUGUST, WHICH IS PROBABLY PEAK VISITOR TIME. ALSO WE MAY HAVE ENJOYED YELLOWSTONE MORE IF IT HAD BEEN A LITTLE BIT COOLER MAYBE IN SEPTEMBER. I WOULD LIKE TO COME BACK TO YELLOWSTONE SOME DAY JUST NOT AT PEAK TOURIST TIME. THANK YOU. [NAME] [ADDRESS].
FEWER ANIMAL SIGHTINGS THAN HAD HOPED FOR.
GREAT

Table 28 (continued). Question 33, Comments - verbatim responses

GREAT PARK!
GREAT PARK!
GREAT RANGERS, VERY HELPFUL. GLAD TO SEE TOP PREDATOR SUPPORTED.
HAS A MONORAIL OR AERIAL TRAM FOR MOVING PEOPLE THROUGHOUT THE PARK BEEN CONSIDERED RATHER THAN BUSES? THANK YOU FOR SENDING A SECOND SURVEY TO ME I LOST THE FIRST ONE. THE 2 DOLLARS ENCLOSED TO COVER YOUR COST OF SENDING ME THE SURVEY - THANK YOU.
HAVE PARK RANGER OUT AT TIME THEY KNOW LARGE GROUPS OF ANIMALS ARE OUT TO KEEP TRAFFIC GOING. PEOPLE WERE RIDICULOUS.
I DIDN'T EXPECT TO PAY ADDITIONAL \$20 FOR TETON PARK ENTRANCE.
I ENJOYED IT MUCH MORE 15 YEARS AGO.
I ENJOYED THE TRIP. MY BACKGROUND IS IN MICROBIOLOGY, AND I VISITED ONE OF THE HOT SRPINGS THAT THEMUS GENUS ORGANISMS IS FOUND IN. MY ONLY RECOMMENDATION IS TO TALK A BIT MORE ABOUT THE IMPACT THE THERMUS ORGANISMS HAVE HAD ON THE WORLD. PCR, FROM WHICH THE THERMUS AQUATICS DNA POLYMERASE COMES, CHANGED THE WORLD. I ENJOYED EVERYTHING ABOUT MY TRIP.
I LOVE THE PARK- WE VISIT FREQUENTLY AND HOPE IT REMAINS LESS COMMERCIAL, MORE WILD, LESS DEVELOPED, ETC.
I LOVE YELLOWSTONE AS IT IS.
I WORRIED THAT THERE WOULD BE TOO MUCH TRAFFIC FOR A MID-AUGUST VISIT BUT WAS PLEASANTLY SURPRISED.
IF THERE WERE ONE THING I COULD CHANGE I WOULD IMPROVE THE ROADS AND MAKE THEM BIGGER. THERE NEEDS TO BE MORE PARKING.
I'M COMING BACK! GREAT EXPERIENCE.
IN THE FUTURE, MAINTAIN WILDNESS OF THE PARK AND REDUCE DAILY VISITATION NUMBERS.
INCLUDE WIFI FOR GUESTS STAYING IN A YELLOWSTONE NP HOTEL, EVEN IF IT'S LIMITED TO 15 MINUTES OF FREE USE.
INCREASING PLACES FOR LODGING IN PARK.
INFORMATION AT ENTRANCE AS TO AREAS OF LOCATION OF MOST ANIMALS.
IT SEEMS LIKE JOINT COORDINATION BETWEEN NP, NATIONAL FOREST, BUREAU OF LAND MANAGEMENT FOR CAMPING WOULD SURE HELP US. A DECENT NUMBER TO CALL NOT TRANSFERRED TO PRIVATE COMPANY. AGAIN, I PAY TAXES BUT CAN'T CAMP ON NATIONAL FOREST IN A \$50,000 RIG OR A TENT. BUT I CAN CAMP/SLEEP (IF I'M BROKE AND NON-TAX PAYER) IN ANY LARGE CITY (SAN FRANCISCO, SEATTLE, PORTLAND ETC.) ON THE SIDEWALK. WHAT'S WRONG WITH THIS PICTURE.
IT WAS A GREAT EXPERIENCE! CAN'T WAIT TO COME BACK NEXT YEAR!
IT WOULD BE GREAT TO ADD SHOWERS TO ALL MAJOR SITES.
IT WOULD BE NICE IF THERE WEREN'T NO HUTS AND CAPS IN THE GEYSERS AREA. IDEA: TO TAKE OUT WITH A DRONE.
IT WOULD BE NICE TO HAVE MORE (AND CHEAPER) LODGINGS IN THE PARK, IN ORDER NOT TO HAVE TO DRIVE 75 MINUTES TO REACH THE FIRST VISITOR CENTER (WE LODGED AT WAPITI), WHICH MAKES 2 HOURS AND A HALF PER DAY JUST TO REACH THE CENTER OF THE PARK. IT WOULD HAVE BEEN NICE TO HAVE MORE PASSING LANES OR PASSING ZONE FOR THE CARS, BECAUSE IT'S VERY LONG TO STAY 30 MILES BEHIND A MOTORHOME AT 30MPH. IT WOULD HAVE BEEN VERY NICE TO SEE THE "GRAND PRISMATIC" FROM ALTITUDE (FOR EXAMPLE WITH OBSERVATION TOWERS WHICH WILL BE LOCATED AT 4-6 METERS HIGH). DEVELOP SMARTPHONE APPLICATIONS.
IT WOULD BE NICE TO SEE MORE STAFF AVAILABLE AROUND THE ATTRACTIONS, MORE PARKING AND MORE RESTROOMS ARE NEEDED.
IT'S A BEAUTIFUL PARK BUT WAY TOO MANY PEOPLE VISITING. GET A TRAM SYSTEM ON/OFF AT WILL.

Table 28 (continued). Question 33, Comments - verbatim responses

IT'S AMAZING AND BEAUTIFUL!
KEEP THE SIGNS IN ENGLISH. WHEN TRAVELING IN ENGLISH SPEAKING COUNTRY PEOPLE SHOULD DEAL WITH IT.
LIMIT THE NUMBER OF LARGE COMMERCIAL BUSES.
LOOK AFTER IT. YOU ARE LUCKY TO ENJOY IT. WE LOVED IT AND TELL EVERYONE TO VISIT. THANKS [NAME]
LOVE ALL OUR NP'S INCLUDING YELLOWSTONE! MAY THEY BE PROTECTED FOR FUTURE GENERATIONS.
LOVE VISITING!
LOVE YELLOWSTONE!
LOVED IT! GORGEOUS PARK!
LOVELY PARK! BIGGEST ISSUE WAS PARKING.
MAKE MORE BATHROOMS.
MANY VAULT TYPE RESTROOMS WERE IN TERRIBLE CONDITION (NORRIS) WHILE OTHERS WERE GOOD. THANKS FOR THE GREAT WORK!
MARY ANN IS THE BEST PARK RANGER! SHE WAS INSANELY HELPFUL IN PLANNING OUR BACKCOUNTRY CAMPING TRIP.
MAYBE A FEW MORE SIGNS IN OLD FAITHFUL PARKING LOT. WE WANDERED AND DIDN'T KNOW WHERE TO GO AT FIRST. OVERALL GREAT!
MORE INFORMATION, HISTORY, ETC. NEEDED ON WEBSITE.
MORE PLACES AND BIGGER SELECTION OF PLACES TO EAT THAT ARE OPEN LATER.
MORE POLICING OF BUSY AREAS TO KEEP PEOPLE MOVING AND OFF THE ROADS STOPPED. MOST PEOPLE DON'T READ SIGNS! THANK YOU.
MUCH, MUCH MORE INFORMATION IS NEEDED ON SIGNS ABOUT EVERYTHING: BATHROOM LOCATIONS, MAPS, DISTANCES TO ATTRACTIONS, SCIENTIFIC/GEOLOGIC EXPLANATIONS ABOUT THERMAL FEATURES NOT JUST LABELS, AUDIO GUIDES OR AN APP THAT COULD GUIDE PEOPLE. THE WALKWAY NEAR OLD FAITHFUL SEEMED LONG - HOW LONG? WASN'T SURE WHERE IT WOULD LEAD - NEED MORE DETAILED MAPS ABOUT TIME AND DISTANCE TO EXPERIENCE THE ENTIRE WALK. I WOULD HAVE LIKED TO EXPERIENCE THE ENTIRE WALK LIKED TO EXPERIENCE THE ENTIRE WALK BUT HAD NO IDEA WHERE I WAS GOING OR HOW LONG IT WOULD TAKE. I DID NOT WANT TO MISS OLD FAITHFUL ERUPTING.
MY HUSBAND LOST HIS WALLET DURING THE VISIT AND RANGERS WERE MOST HELPFUL IN PROVIDING PHONE NUMBERS TO CALL AND ATTEMPTS TO CHECK LOST AND FOUND AND CREATE A REPORT. WE WERE DISAPPOINTED WITH THE LACK OF HANDICAP INFORMATION INCLUDING THE SPECIAL BOOKLET PROVIDED. ALSO IT WOULD HAVE BEEN GOOD TO KNOW IN ADVANCE THAT THERE ARE AREAS NOT PERMITTED FOR RV'S. THE PARK IS CLEAN, BEAUTIFUL AND RANGERS AND OTHER EMPLOYEES WERE VERY FRIENDLY AND HELPFUL.
NEED HANDWASHING FACILITIES AT ALL THE PUBLIC RESTROOMS SITES.
NEED MORE OPENING HOURS OF MUSEUM OF THE NATIONAL PARK RANGER, LATER CLOSING TIME. MORE STAFF NEEDED FOR TRAFFIC CONTROL ON THE WAYS THAT WILDLIFE ANIMALS PASSING BY.

Table 28 (continued). Question 33, Comments - verbatim responses

NOT ENOUGH CAMPING SPACES FOR LARGER UNITS.
NOT ENOUGH GAS STATIONS, RESTROOMS.
OUR FAMILY REALLY ENJOYED OUR 1 DAY DRIVE THROUGH TRIP IN YELLOWSTONE NP!
PARTNER WITH SCOUTING OR OTHER ORGANIZATIONS TO PROVIDE PARKING ASSISTANCE AT SMALLER LOTS LIKE GRAND CANYON OR GRAND PRISMATIC SPRINGS - THERE WAS ALWAYS A CAR PULLING OUT BUT NO WAY FOR THE NEXT CAR TO SEE THAT PARTICULARLY AT THE SPRINGS.
IMPROVE FOOD AT MAMMOTH - NOT AS GOOD THERE AS AT OTHER LOCATIONS. WORK WITH XANTERRA TO ALLOW VISITORS TO PAY ONE DEPOSIT IF CHANGING LODGES RATHER THAN SEPARATE DEPOSITS AT EACH. WE ENDED UP LOCKED INTO MAMMOTH FOR 5 NIGHT STAY AS I WAS BOOKING ROOMS FOR 3 FAMILIES WHEN MAKING RESERVATIONS. IF I COULD HAVE MOVED AROUND ON THE ONE DEPOSIT PER FAMILY - WE WOULD HAVE HAD MORE TIME TO ENJOY THE PARK.
PLEASE DIGITIZE THE SIGNS ABOUT AND AT EACH SITE AND PUT THEM AS PDF FILES ON THE NPS WEBSITE SO THAT THEY CAN BE DOWNLOADED INDIVIDUALLY BEFORE AND AFTER THE TRIP.
PLEASE CLEAN THE RESTROOMS. WHILE THERE ARE PLENTY. THEY ARE DIRTY, SMELLY, HAVE TOILET PAPER STREWM ABOUT, AND JUST TERRIBLE. AND CLEAN THROUGHOUT THE DAY AND NOT JUST IN THE MORNING.
PLEASE IMPROVE RESTROOMS!
PLEASE LIMIT THE NUMBER OF FOREIGNERS TO ALL UNITED STATES NATIONAL PARKS. MAKE THEM DRAW A LOTTERY (LIKE THE WAVE IN UTAH), SO THAT UNITED STATES CITIZENS WHO WORKED HARD ALL THEIR LIVES (OR ARE STILL WORKING) CAN ENJOY OUR NATIONAL PARKS AND PREVENT ECOSYSTEM FROM BEING DEGRADED. YELLOWSTONE IS A STRESSFUL ENVIRONMENT THE WAY IT IS NOW! ALSO, MAKE MOTORCYCLES USE A MUFFLER SILENCER. THEY SCARED WOLVES AWAY FROM A BISON CARCASS AND MADE A CHILD CRY IN FRIGHT. SILENCE IS GOLDEN!
PUBLIC TRANSPORTATION!
SHOULDN'T ALLOW PASSING-DON'T HUNT BEARS.
SOME BATHROOMS WERE FINE BUT OTHERS WERE PRETTY BAD. NOT ENOUGH DURING PEAK TIMES.
SUGGEST TO HAVE MINIMUM MAINTENANCE OFF ROAD VEHICLE TRAIL. SIMILAR TO THE WHITE RIM/SCHAFFER CANYON LANDS. NP SERVICE TRAILS. LIMITED ACCESS TO APPROVED VEHICLES TO CIRCUMNAVIGATE ENTIRE PARK.
SUPPORT OUT-OF-PARK SERVICES SUCH AS RECREATIONAL VEHICLE PARKS.
THANK YOU FOR GIVING US AND EVERYONE THE OPPORTUNITY TO ENJOY THE PARK!
THANK YOU FOR YOUR HARD WORK AND YOUR SERVICE, WE APPRECIATE YOU. NATIONAL PARK RANGERS FOREST SERVICE. D.W.R. ALEMAN'S.
THANK YOU!
THE ABSOLUTE ONLY NEGATIVE IN OUR ENTIRE STAY WAS THE HORRIBLE POTHOLES IN THE GRAVEL LOOPS AT FISHING BRIDGE RECREATIONAL VEHICLE PARK.
THE BATHROOMS WERE DIRTY. NEEDS BETTER HANDICAP ACCESSIBILITY.
THE GREATEST THING THAT SURPRISED ME WAS THE LACK OF RANGER AT SITES. LOVED THE PARK! WILL COME BACK!
THE NUMBER OF ROAD SIGNS IS NOT ENOUGH AND NOT CLEARLY STATED.
THE ONLY THING WE MISSED WAS THE CHANCE TO MAKE A RESERVATION FOR A CAMPGROUND. ALL OTHER THINGS IN THE PARK WERE PERFECT.
THE PARK EXCEEDED ALL OF MY EXPECTATIONS!
THE RESTROOM AT THE GENERAL STORE ONLY HAD ONE STALL AND ONE URINAL FOR A BUILDING SERVING MANY PEOPLE.
THE RESTROOMS IN THE MAJOR FACILITIES WERE GREAT, BUT THOSE ALONG THE ROADSIDES NEEDED SOME SERIOUS TENDING TO.
THE RESTROOMS MUST BE CLEANED MORE OFTEN. THEY WERE APPEALING BY NOON! WE WERE CAMPING IN A TENT AND LOST SO MUCH TIME TO FIND SHOWERS. WE LIKED NP IN CANADA WAY

Table 28 (continued). Question 33, Comments - verbatim responses

BETTER. FOR THE FOREST, WE WERE DISAPPOINTED TO SEE SO LITTLE SIZE OF TREES AND BURNED FOREST. WE DIDN'T LIKE MADISON CAMPGROUND BECAUSE IT IS TOO CRAMPED AND NO SHOWER. WE WANTED TO IT SALAD, VEGETABLES, FRUITS BUT HAD NO CHOICE OR THERE WERE NONE. BUT SO MUCH JUNK FOOD. ONCE OUTSIDE THE PARK, WE WERE STARVING FOR THIS TYPE OF FOOD AND WENT STRAIGHT TO THE RESTAURANT TO EAT A NICE SALAD. AND WE HAD TO EXIT THE PARK TO GO SHOPPING! EVERYTHING WAS TOO EXPENSIVE. IN GRAND TETON, FREE WIFI AT CAMPGROUNDS AND BETTER SIGNAL. ALL IN ALL, WE LIKED GRAND TETON BETTER.
THE ROAD SIGNS ARE OFTEN CONFUSING - RECOMMEND COMPLETE RE-DESIGN. IN GRANT VILLAGE CAMPGROUND THE SHOWERS AND LAUNDRY ARE TOO FAR (1.5 MILES) AWAY FROM DIRTY AND SWEATY CAMPS IN LOOP I. LET'S HAVE SOME SIMPLE STATS: HOW MANY HIKERS/CAMPERS/VISITORS HAVE BEEN INJURED/SERIOUSLY INJURED/KILLED BY GRIZZLIES? WITH THESE FACTS WE CAN ASSESS THE RISK. NOT WITH A RANGER WITH DEMO BEAR SPRAY AND A BEAR SKIN.
THE TRAFFIC LEAVING WEST YELLOWSTONE IS WAY TOO SLOW.
THERE ARE WAY TOO MANY TOUR BUSES IN THE PARK. GENERALLY SPEAKING THESE TOURISTS ARE NON-UNITED STATES OF AMERICA CITIZENS ZIPPING THROUGH THE PARK TO SEE THE MOST FAMOUS SITES. THEY ALSO APPEARED TO ME TO BE THE LEAST AWARE OF THEIR IMPACT ON THE ENVIRONMENT (I.E, NOT OBEYING SIGNS TO STAY ON TRAILS AND WALK-WAYS; NOT SECURING HATS AND OTHER GEAR WHICH, I SAW, FLY INTO THERMAL AREAS) AND WERE OFTEN INSENSITIVE TO OTHERS' DESIRE TO SHARE SPACE TO VIEW SITES. I WOULD CHARGE NON-CITIZENS AND BUSES MORE MONEY. I WOULD ALSO SUGGEST HIGHER FEES AT MOST CONGESTED TIMES/DAYS. FINALLY, THE FOOD AT THE PARK WAS REALLY QUITE AWFUL. THE QUALITY OF THE INGREDIENTS WAS POOR. WE ATE LUNCH AT OLD FAITHFUL, DINNER AND BREAKFAST AT GRANT AND DINNER AND BREAKFAST AT CANYON. THE LUNCH WAS NOT HEALTHY. LINES WERE LONG TO GET FOOD. CHILDREN'S MEALS WERE GREASY AND LIMITED IN THEIR CHOICE (GREASY BURGERS AND FRIES, CHICKEN STRIPS AND FRIES) WITHOUT ENOUGH HEALTHY OPTIONS FOR FRUITS AND VEGETABLES. PERHAPS A MORE SIMPLE BUT MORE FRESH MENU WITH HIGHER QUALITY INGREDIENTS.
THERE SHOULD BE MORE TURN-OUTS ON THE ROADSIDE, SO PEOPLE MAY BE ABLE TO STOP AND PARK OR PASS BY.
THERE WERE SO MANY CARS AT SOME TIMES. A SHUTTLE SERVICE MIGHT HELP. WE WOULD HAVE USED IT!
THEY SHOULD NEVER ADD CELL SERVICE INTO PARKS IT WOULD RUIN THE QUIETNESS. PARKING LOT AT ARTIST PAINT POTS WERE POORLY MARKED. ADD MORE RAILINGS TO GEOTHERMAL AREAS. LIMIT THE AMOUNT OF OUR BUSES.
THIS PARK IS A WONDERFUL PLACE TO VISIT/VACATION WITH FAMILY. WE HAVE BEEN HERE 3-4 TIMES IN THE PAST AND ALWAYS HAD A GOOD EXPERIENCE. THIS TRIP THE PARK WAS SO CROWDED WE HAD TO PASS UP SOME LOCATIONS - WE LITERALLY HAD TO RELAY DRIVE (FLY A LOOP) ON 3 DAYS JUST TO USE TOILETS. IT APPEARS THAT THE WILDLIFE IS AFFECTED BY THE NUMBER OF VISITORS AS WELL. I/WE WOULD SUPPORT A SYSTEM THAT CAPPED THE NUMBER OF VEHICLES AND VISITORS EACH DAY.
TRAFFIC IS GETTING TOO JAMMED UP.
WE DESPERATELY NEED MORE WOMEN'S STAFFS IN THE BATHROOM - ESPECIALLY UP AT TOWER JUNCTION. THERE IS ALMOST ALWAYS A LONG LINE TO GET IN TO RESTROOM.
WE DO NOT AGREE WITH THE KILLING OF THE BISON WHEN THERE ARE SO MANY OTHER LOCATIONS IN WHICH THEY COULD BE RE-HOMED! ALSO THE LODGING FACILITIES NEED TO BE RE-VAMPED. THERE IS MUCH OPPORTUNITY FOR FAMILY ROOMS WITH KING SIZED BEDS, BUNK BEDS, CONNECTING ROOMS, ETC. PLUS AIR CONDITIONER UNITS AND HOT SHOWERS WOULD BE GREAT. LASTLY, MULTI-LINGUAL SAFETY SIGNS AND GUARD RAILS SHOULD BE USED AND INSTALLED TO KEEP PEOPLE AND WILDLIFE SAFE.
WE ENJOYED IT AS MUCH AS THE FIRST TIME IN 1981, JUST MORE VISITORS.
WE ENJOYED THE VISIT VERY MUCH. WE WILL BE BACK.

Table 28 (continued). Question 33, Comments - verbatim responses

WE HAVE BEEN VISITING FOR MANY YEARS. WHILE ENJOYING RANGER TALKS OF AMPHITHEATRES, WE CAN'T HELP BUT NOTICE - THEY HAVE RECEIVED A COAT OF PAIN SINCE WE'VE BEEN VISITING.
WE LOVE YELLOWSTONE.
WE LOVED IT ALL! NATIONAL PARKS: AMERICA'S BEST IDEA! YEA!
WE MISSED A LOT OF RANGER TALKS WISHED WE COULD HAVE BEEN MORE TO ATTEND.
WE PULLED A TRAVEL TRAILER AND WERE NOT ABLE TO FIND PARKING SPOTS AT THE MAIN ATTRACTIONS.
WE THOROUGHLY ENJOYED OUR TIME IN YELLOWSTONE!
WE WILL BE BACK!
WE WOULD IMPROVE THE NUMBER OF RESTROOM AND THE QUALITY OF THEM.
WE WOULD LIKE TO KNOW WHY YOGUI AND BOO-BOO DO NOT APPEAR ANYWHERE. WE SUGGEST THE PARK TO PUT TWO PEOPLE WITH TWO COSTUMES, ONES FOR YOGUI AND ONE FOR BOO-BOO AT THE ENTRANCE OF THE NATIONAL PARK.
WHAT ABOUT A "HOP ON/HOP OFF" SERVICE FOR DAY USE VISITORS. I ALSO LIKE THE IDEA OF REQUIRING DAY USE VISITORS TO RESERVE A PASS FOR THEIR VEHICLE NOT FOR ITS OCCUPANTS. THIS WOULD GIVE YOU MUCH MORE CONTROL OF THE VISITOR POPULATION IN THE PARK.
WISH TO HAVE SEEN MORE WILDLIFE.
WISH WE SAW MORE ANIMALS ON THE TRAILS.
WOULD LIKE TO SEE BETTER ORGANIZATION OF MOVING PEOPLE THROUGH THE PARK. LIMITING CARS, BETTER MASS TRANSPORTATION.
WOULD LOVE TO SEE MORE VEGAN FOOD OPTIONS!
YELLOWSTONE IS A VISITING PARK NOT AN EXPERIENCE PARK. ALL THE BEAUTY JUST LIES OUTSIDE AND BESIDE YOUR CAR. THIS WAY YOU LOSE A LOT OF THE GREATNESS AND BEAUTY OF NATURE.
YES - WE DELIBERATELY CAME TO THE PARK OUT OF PEAK HOURS THEN FOUND WE COULDN'T EAT PROPERLY. THE FOOD CONCESSIONS ARE VERY POOR AND SUFFER FROM NO COMPETITION. WE WOULD LIKE TO HAVE TENT CAMPED BUT NOT ENOUGH AND WE COULDN'T JUST TURN UP BECAUSE IF THERE WAS NO SPACE WE WOULD HAVE NOWHERE TO GO.
YOU ARE DOING A GREAT JOB. TALLY HO!
YOU NEED TO ENFORCE RECREATIONAL VEHICLE PARKING SPACES. CARS WERE PARKING IN THE RECREATIONAL VEHICLE SPACES.
